

APPLICANT GUIDE AND APPLICATION FORM

PROGRAM DESCRIPTION AND REQUIRED INFORMATION

The purpose of this program is to encourage the purchase of new fuel-efficient vehicles by offering rebates to eligible recipients that, beginning March 20, 2007, buy or enter into leases of 12 months or more for an eligible vehicle registered for use in Canada. For additional information on the ecoAUTO Rebate Program and a list of eligible vehicles, please refer to the ecoAUTO website at <http://www.tc.gc.ca/programs/environment/ecotransport/ecoauto.htm> or call the toll free number at 1-866-506-6804, or TTY 1-800-926-9105.

WHO CAN APPLY:

Any person, organization, provincial, territorial or municipal government can apply for a rebate under the ecoAUTO Program.

TO BE CONSIDERED FOR THIS PROGRAM, YOU MUST PROVIDE:

A completed and signed ecoAUTO Rebate application form that includes a clear and legible copy of:

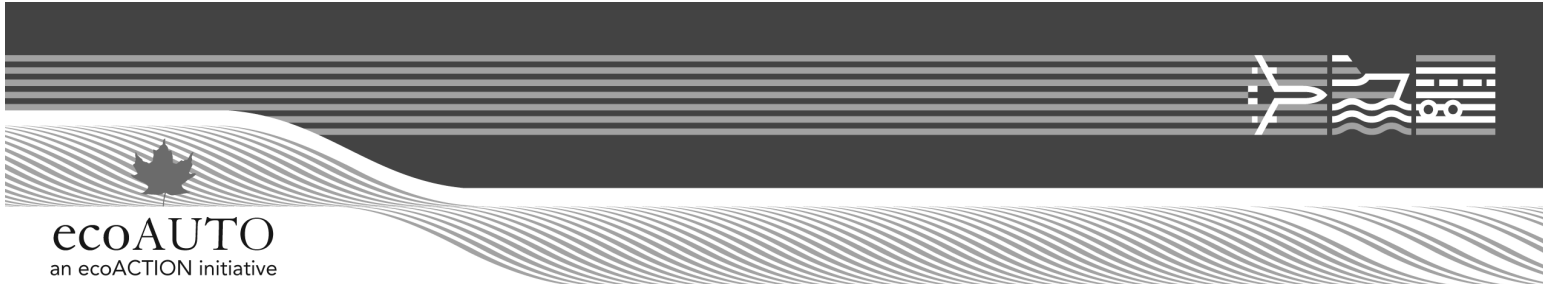

1. **the sales or lease agreement** from a Canadian dealership that clearly identifies the address of the vehicle vendor (dealership), the date of purchase or lease, and the vehicle information required on the application.
2. **the provincial or territorial registration** that matches the information provided on the application and includes the Vehicle Identification Number (VIN).

Note:

For the purposes of the ecoAUTO Rebate Program, dealer demonstrators are considered new vehicles and therefore eligible for the rebate. Please ensure that the vehicle is clearly identified as a demonstrator on the sales or lease agreement.
