except that:

- (h) if an employee has received or is entitled to receive furlough leave, he shall earn vacation leave at the rate of one and two-thirds ( $1 \frac{2}{3}$ ) days per month, [twenty (20) working days per year], effective from the month in which he has completed twenty (20) years of continuous employment, until the first (1<sup>st</sup>) of the month in which he has completed twenty-five (25) years of continuous employment;
- (i) an employee shall have his accrued days of vacation credits converted to hours of credits by multiplying the number of accrued days by seven (7) hours or seven and one-half ( $7 \frac{1}{2}$ ) hours per day whichever is applicable. When an employee's hours of work are changed, his credits will be converted to days by dividing the number of hours of credits by seven (7) hours or seven and one-half ( $7 \frac{1}{2}$ ) hours per day whichever is applicable. Leave will be scheduled on an hourly basis with the hours debited for each day of vacation leave being the same as the hours the employee would have been scheduled to work on that day or portion thereof subject to operational requirements as determined by the Employer.

**9.02** When an employee completes the years of continuous employment set forth above, he shall earn vacation leave at the applicable rate from the first (1<sup>st</sup>) day of the month in which he completes such years of continuous employment. However, an employee who has completed the continuous employment requirements on or before November 1, 1984, shall earn vacation

leave at the appropriate rate as provided in 9.01 effective on the date of signing of this collective agreement.

### **9.03 Scheduling of Vacation Leave**

**9.05** The Employer shall make every effort not to have to recall an employee to duty after he has proceeded on vacation leave.

**9.06** At least two (2) weeks' vacation shall be taken in consecutive weeks unless otherwise mutually agreed.

Permission may be granted to an employee to take the remainder of his vacation leave in periods of less than one (1) week, subject to the operational requirements of the service as determined by the Employer.

**9.07** A vacation due to an employee in any year may be carried over to the next year by mutual agreement.

**9.08** An employee shall be entitled to vacation leave with pay at the rate of pay established for the classification level of his substantive position.

Providing the employee has been authorized to proceed on vacation leave for the period concerned, pay in advance of going on vacation shall be made prior to departure. Any overpayments in respect of such pay advances shall be an immediate first charge against any subsequent pay entitlements and shall be recovered in full prior to any further payment of salary.

**9.10** Where an employee dies or otherwise terminates his employment after a period of continuous employment of not less than thirty (30) days but not more than six (6) months, he or his estate shall, in lieu of earned vacation leave, be paid

an amount equal to four per cent (4%) of the total of the pay and compensation for overtime received by him during his period of employment.

**9.11** When the employment of an employee who has completed more than six (6) months of continuous employment is terminated for any reason, the employee or his estate shall, in lieu of earned but unused vacation leave and/or furlough leave, be paid an amount equal to the product obtained by multiplying the number of days of earned but unused vacation leave and/or furlough leave, by the daily rate of pay as calculated from the classification prescribed in his certificate of appointment on the date of the termination of his employment.

**9.12** Notwithstanding clause 9.11, an employee whose employment is terminated by reason of a declaration that he abandoned his position is entitled to receive the payment referred to in clause 9.11 if he requests it within six (6) months following the date upon which his employment is terminated.

**9.13** When the employment of an employee who has been granted more vacation leave with pay than he has earned is terminated by death, the employee is considered to have earned the amount of leave with pay granted to him.

**9.14** If a Holiday as specified in clause 10.01 falls within an employee's vacation period, that day shall not be charged against his earned vacation leave.

**9.15** For the purpose of this Article the fiscal year begins on April 1 and ends on March 31 of the following year.

**9.16 Cancellation of Vacation Leave with Pay**

When the Employer cancels or alters a period of vacation leave with pay which it has previously approved in writing, the Employer shall reimburse the employee for the non-returnable portion of vacation contracts and reservations made by the employee in respect of that period, subject to the presentation of such documentation as the Employer may require. The employee will make every reasonable attempt to mitigate any losses incurred and will provide proof of such action to the Employer.

**9.17** Where in respect of any period of vacation leave with pay, an employee is granted:

- (a) bereavement leave,

or

- (b) leave with pay because of illness in the immediate family on production of a medical certificate,

or

the period of vacation leave with pay so displaced shall either be added to the vacation period if requested by the employee and approved by the Employer or reinstated for use at a later date.

**9.18** During any vacation year, upon application by the employee and at the discretion of the Employer, earned but unused vacation leave credits in excess of fifteen (15) days may be paid in cash at the employee's daily rate of pay as calculated from the classification prescribed in the employee's certificate of appointment of the employee's substantive position on March 31<sup>st</sup> of the previous vacation year.

**11.02** At the Employer's discretion, an employee on education leave without pay under this article may receive an allowance in lieu of salary of up to one hundred per cent (100%) of the employee's annual rate of pay, depending on the degree to which the education leave is deemed, by the Employer, to be relevant to organizational requirements. Where the employee receives a grant, bursary or scholarship, the education leave allowance may be reduced. In such cases, the amount of the reduction shall not exceed the amount of the grant, bursary or scholarship.

**11.03** Allowances already being received by the employee may at the discretion of the Employer be continued during the period of the education leave. The employee shall be notified when the leave is approved whether such allowances are to be continued in whole or in part.

**11.04** As a condition of the granting of education leave without pay, an employee shall, if required, give a written undertaking prior to the commencement of the leave to return to the service of the Employer for a period of not less than the period of the leave granted.

- (a) if the period of leave requested does not exceed five (5) days,
- and
- (b) if in the current fiscal year, the employee has not been granted more than ten (10) days' paid sick leave wholly on the basis of statements signed by him.

**12.04** Where an employee who has been continuously employed for a period of at least three (3) years is unable to perform his duties because of illness or injury for a continuous period of not less than three (3) days and has no earned sick leave credits, he may be advanced up to twenty-five (25) days, if he is awaiting a decision on an application for injury-on-duty leave and he may be advanced up to fifteen (15) days sick leave with pay for illness under the provisions of clause 12.02 but this shall be deducted from any sick leave credits, subsequently earned by him and no further sick leave with pay shall be granted to him until the total amount advanced has been so deducted.

**12.05** When an employee is granted sick leave with pay and injury-on-duty leave is subsequently approved for the same period, it shall be considered, for the purpose of the record of sick leave credits, that he was not granted sick leave with pay.

## **ARTICLE 13**

### **OTHER TYPES OF LEAVE**

In respect of any requests for leave under this Article, the Employer may request, and when so requested an employee must provide, satisfactory validation of the circumstances necessitating such request, in such manner and at such time as may be determined by the Employer.

  - or
  - (ii) where the employee has proceeded on maternity leave without pay and then returns to work for all or part of the period during which her newborn child is hospitalized,

the period of maternity leave without pay defined in paragraph (a) may be extended beyond the date falling seventeen (17) weeks after the date of termination of pregnancy by a period equal to that portion of the period of the child's hospitalization during which the employee was not on maternity leave, to a maximum of seventeen (17) weeks.

- (d) The Employer may require an employee to submit a medical certificate certifying pregnancy.
- (e) An employee who has not commenced maternity leave without pay may elect to:
  - (i) use earned vacation and compensatory leave credits up to and beyond the date that her pregnancy terminates;
  - (ii) use her sick leave credits up to and beyond the date that her pregnancy terminates, subject to the provisions set out in Article 12, Sick Leave With Pay. - (f) An employee shall inform the Employer in writing of her plans for taking leave with and without pay to cover her absence from work due to the pregnancy at least four (4) weeks in advance of the initial date of continuous leave of absence during which termination of pregnancy is expected to occur unless there is a valid reason why the notice cannot be given.
- (g) Leave granted under this clause shall be counted for the calculation of “continuous employment” for the purpose of calculating severance pay and “service” for the purpose of calculating vacation leave. Time spent on such leave shall be counted for pay increment purposes.

  - (ii) provides the Employer with proof that she has applied for and is in receipt of pregnancy benefits pursuant to Section 22 of the *Employment Insurance Act* in respect of insurable employment with the Employer,

\*\*

$$\frac{\text{(allowance received)} \quad \times \quad \text{(remaining period to be worked following her return to work)}}{\text{[total period to be worked as specified in (B)]}}$$

however, an employee whose specified period of employment expired and who is rehired by the same department within a period of five days (5) or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

\*\*

- (b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).
- (c) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:
  - (i) where an employee is subject to a waiting period of two (2) weeks before receiving Employment Insurance pregnancy benefits, ninety-three per cent (93%) of her weekly rate of pay for each week of the waiting period, less any other monies earned during this period,
 

and
  - (ii) for each week that the employee receives a pregnancy benefit pursuant to Section 22 of the *Employment Insurance Act*, the difference between the gross weekly amount of the Employment Insurance pregnancy benefit she is eligible to receive and ninety-three per cent (93%) of her weekly rate of pay less any other monies earned during this period which may result in a decrease in Employment Insurance benefits to which she would have been eligible if no extra monies had been earned during this period.
- (d) At the employee's request, the payment referred to in subparagraph 13.03(c)(i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance pregnancy benefits.
- (e) The maternity allowance to which an employee is entitled is limited to that provided in paragraph (c) and an employee will not be reimbursed for any amount that she may be required to repay pursuant to the *Employment Insurance Act*.
- (f) The weekly rate of pay referred to in paragraph (c) shall be:

- (i) for a full-time employee, the employee's weekly rate of pay on the day immediately preceding the commencement of maternity leave without pay,
  - (ii) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in subparagraph (i) by the fraction obtained by dividing the employee's straight time earnings by the straight time earnings the employee would have earned working full-time during such period.
- (g) The weekly rate of pay referred to in paragraph (f) shall be the rate to which the employee is entitled for her substantive level to which she is appointed.
  - (h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of maternity leave without pay an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate she was being paid on that day.
  - (i) Where an employee becomes eligible for a pay increment or pay revision while in receipt of the maternity allowance, the allowance shall be adjusted accordingly.

#### **13.04 Special Maternity Allowance for Totally Disabled Employees**

- (a) An employee who:
  - (i) fails to satisfy the eligibility requirement specified in subparagraph 13.03(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Longterm Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or the *Government Employees Compensation Act* prevents her from receiving Employment Insurance pregnancy benefits,

and

- (ii) has satisfied all of the other eligibility criteria specified in paragraph 13.03(a), other than those specified in sections (A) and (B) of subparagraph 13.03(a)(iii),

shall be paid, in respect of each week of maternity allowance not received for the reason described in subparagraph (i), the difference between ninety-three per cent (93%) of her weekly rate of pay and the gross amount of her weekly disability benefit under the DI Plan, the LTD Plan or via the *Government Employees Compensation Act*.

- (b) An employee shall be paid an allowance under this clause and under clause 13.03 for a combined period of no more than the number of weeks during which she would have been eligible for pregnancy benefits pursuant to Section 22 of the *Employment Insurance Act* had she not been disqualified from Employment Insurance pregnancy benefits for the reasons described in subparagraph (a)(i).

\*\*

the period of parental leave without pay specified in the original leave request may be extended by a period equal to that portion of the period of the child's hospitalization during which the employee was not on parental leave. However, the extension shall end not later than fifty-two (52) weeks after the day on which the child comes into the employee's care.

- (d) An employee who intends to request parental leave without pay shall notify the Employer at least four (4) weeks in advance of the expected date of the birth of the employee's child (including the child of a common-law spouse), or the date the child is expected to come into the employee's care pursuant to paragraphs (a) and (b).
