Approval of such requests will be limited to exceptional circumstances which would require a vacation period of longer consecutive duration than that to which the employee would be entitled in the following

vacation year, and which can be accommodated having regard to the projected vacation entitlements of others for the time requested.

However, if the circumstances warrant, consideration will be given to requests which, while not entailing a longer consecutive duration, do entail a longer period of vacation than the employee would otherwise have available in that year;

- (f) to comply with an employee's request that he/she be permitted to take vacation leave of five (5) or more days in accordance with the shift schedule so as to provide for the employee's normal days of rest immediately preceding and following the period of vacation leave.

When, during any period of vacation leave, an employee is requested to return to duty and reports as requested he/she shall be reimbursed for reasonable expenses, as normally defined by the Employer, that he/she incurs:

referred to in clause 17.15 unless he/she requests it within six (6) months following the date upon which his/her employment is terminated.

17.17 When the employment of an employee who has been granted more vacation leave with pay than he/she has earned is terminated by death, the employee is considered to have earned the amount of leave with pay granted to him/her.

17.18 When the employment of an employee who has been granted more vacation leave with pay than he/she has earned is terminated by lay-off, the employee is considered to have earned the amount of leave with pay granted to him/her if at the time of his/her lay-off, the employee has completed two (2) or more years of continuous employment.

17.19 An employee is entitled, once in each fiscal year, to be informed, upon request, of the balance of his/her vacation leave with pay credits. In addition, as soon as possible after the end of fiscal year, an employee shall be informed in writing of the balance of his/her vacation leave with pay credits as of March 31st.

17.22 The Employer agrees to issue advance payments of estimated net salary for vacation periods of two (2) or more complete weeks, provided a written request for such advance payment is received from the employee at least six (6) weeks prior to the last pay day before the employee's vacation period commences.

Providing the employee has been authorized to proceed on vacation leave for the period concerned, pay in advance of going on vacation shall be made prior to departure. Any overpayments in respect of such pay advances shall be an

immediate first charge against any subsequent pay entitlements and shall be recovered in full prior to any further payment of salary.

17.23 Notwithstanding clauses 17.14 and 17.15, an employee who resigns to accept an appointment with an organization listed in Part II of Schedule I of the *Public Service Staff Relations Act* may choose not to be paid for unused vacation and furlough leave credits, provided that the appointing organization will accept such credits.

 - or
 - (ii) where the employee has proceeded on parental leave without pay and then returns to work for all or part of the period during which his or her child is hospitalized,

the period of parental leave without pay specified in the original leave request may be extended by a period equal to that portion of the period of the child's hospitalization during which the employee was not on parental leave. - (C) should he or she fail to return to work in accordance with section (A) or should he or she return to work but fail to work the total period specified in section (B), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in section (B), or having become disabled as defined in the *Public Service Superannuation Act*, he or she will be indebted to the Employer for an amount determined as follows:

 \text{[total period to be} \\
 \text{worked as specified in (B)]}
 \end{array}$$

however, an employee whose specified period of employment expired and who is rehired by the same department within a period of five days or less is not indebted for the amount if his or her new period of employment is sufficient to meet the obligations specified in section (B).

**

(b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but shall

**

- (ii) At the employee's request, the payment referred to in sub-clause 18.07(c)(i)(A) will be estimated and advance to the employee. Adjustments will be made once the employee provides proof of receipt of EI parental benefits.

- (iv) The weekly rate of pay referred to in sub-clause 18.07(c)(i) shall be:

commencement of maternity or parental leave without pay;

- (v) The weekly rate of pay referred to in sub-clause (iv) shall be the rate to which the employee is entitled for the substantive level to which she or he is appointed.
- (vi) Notwithstanding (v), and subject to (iv)(B), if on the day immediately preceding the commencement of parental leave without pay an employee is performing an acting assignment for at least four (4) months, the weekly rate shall be the rate the employee was being paid on that day.

and

- (ii) has satisfied all of the other eligibility criteria specified in sub-clause 18.07(a);

shall be paid, in respect of each week of benefits under the parental allowance not received for the reason described in 18.08(a)(i), the difference between ninety-three per cent (93%) of the employee's rate of pay and the gross amount of his or her weekly disability benefit under the DI Plan, the LTD Plan or via the *Government Employees Compensation Act*.

- (b) An employee shall be paid an allowance under this clause and under Clause 18.07 for a combined period of no more than the number of weeks during which the employee would have been eligible for parental benefits pursuant to Section 23 of the *EI Act*, had the employee not been disqualified from EI parental benefits for the reasons described in sub-clause 18.08(a)(i) above.

- (c) Subject to all conditions in (b) above except the time at which a meal period may be scheduled, a meal break on the evening shift (16:00-24:00), may be taken at a time other than as specified above when by agreement of the Manager and the Steward responsible for that location, a different time for the meal break is established. When such alternative is established, it shall not again be changed except by thirty (30) days' written notice to the Manager by the Steward, or thirty (30) days' written notice to employees concerned at the site by the Manager.

 - and
 - (ii) who provide twenty-four (24) hour coverage,

to remain at their place of work and to be available to return immediately to duty during their one-half (1/2) hour unpaid meal break. In such circumstances, whether the employee works or does not work, such meal break will be paid at the employee's straight-time hourly rate and does not form part of the employee's normal hours of work as prescribed in sub-clause 23.05(a). Employees covered by this clause are excluded from the provisions of sub-clause 23.05(b), Article 25 and 29 of this Agreement, and under no circumstances will employees receive any other compensation for the half (1/2) hour meal break under any other provision of this collective agreement.

- (f) An operating employee will not be scheduled to work more than seven (7) consecutive days.

23.06 Minimum and Maximum Hours

Nothing in this Agreement shall be construed as guaranteeing an employee minimum or maximum hours of work.

23.07 Break Periods

Each employee shall be given two (2) paid break periods of fifteen (15) minutes each during each working shift.

23.08 Shift Times - Operating Employees

- (a) The starting and finishing times of normal shifts will be as follows:

23.09 Posting of Shift Schedules and Shift Cycles - Operating Employees

- (b) Every reasonable effort will be made by the Employer not to schedule the commencement of a shift within eight (8) hours of the completion of the employee's last shift.

- (c) The schedule may be an entire shift cycle in itself or portion thereof and the employees affected shall work an average of thirty-seven and one-half (37 1/2) hours per week over the period of the cycle in accordance with 23.05(a).
- (d) The local representative will be provided with a copy of the current shift schedule and shift cycle where practicable.
- (e) If the shift schedule is not posted within the time limits in this clause, then the employee's upcoming schedule shall be considered to be a continuation of his/her present shift cycle.

23.10 Shift Exchange - Operating Employees

Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

Such approval shall not be unreasonably withheld.

23.11 Change in Shift - Operating Employees

- (a) In the event that an individual employee's shift hours and/or days of work are changed to accommodate to an unanticipated absence of an employee, not initiated by the Employer, and less than fifteen (15) days' advance notice of such change is given, the employee shall be paid a premium equal to the amount shown in note 6 of Appendix "B" for work performed on the first scheduled shift changed in addition to his/her daily rate of pay. When an employee works less than three point seven five (3.75) hours of the first scheduled shift changed no premium will be paid.
- (b) In the event that an individual employee's shift hours and/or days of work are changed for reasons other than accommodating to an unanticipated absence of an employee not initiated by the Employer, and less than twenty-one (21) days' advance notice of such change is given, the employee shall be paid a premium equal to the amount shown in note 6 of Appendix "B" in addition to his/her daily rate of pay for work performed on each of the changed scheduled shifts for which twenty-one (21) days' advance notice was not given to a maximum of three (3). When an employee works less than three point seven five (3.75) hours of any scheduled shift changed no premium will be paid for that shift.

- (c) Any return to the employee's previous hours and/or days of work will not be considered a change subject to premium pay under this clause, unless the return is delayed beyond ten (10) working days following the date of notification of the change.

- (d)
 - (i) The above shall not apply to an employee who requests a change.
 - (ii) The above shall apply to an employee assigned to a course away from his/her assigned work place.

- (e)
 - (i) Notwithstanding the above, a change to an employee's shift schedule shall not reschedule the first group of previously scheduled days of rest.

The "first group of previously scheduled days of rest" means the days of rest shown on the employee's unchanged shift schedule, immediately following but not necessarily contiguous to the day prior to the change.
 - (ii) An employee required to work on the "first group of previously scheduled days of rest", will be compensated for those days, at the applicable overtime rate as specified in clauses 24.05 and 24.06 but will not be entitled to the premiums provided in sub-clauses 23.11(a) and (b).

23.13 Encroachment

An employee who has not had a break of eight (8) consecutive hours during a twenty-four (24) hour period in which he/she works more than fifteen (15) hours shall not be required to report for work on his/her regularly scheduled shift until a period of ten (10) hours has elapsed from the end of the period of work that exceeded fifteen (15) hours. If, in the application of this clause, an employee

works less than his/her regularly scheduled shift he/she shall, nevertheless, receive his/her regular daily rate of pay.

For the purpose of this clause, time necessarily spent in travel required by the Employer, shall be considered as time worked.

23.14 Change in Employee Status - Operating/Non-Operating

It is understood that certain employees, because of the nature of their duties, may be required to change from a non-operating employee to an operating employee (or vice versa) for varying periods of time. No change in the employee's status (Operating or Non-Operating) will be made unless the requirement to change is consistent for thirty (30) consecutive calendar days or more. Advance notice of such requirement which will involve a change in the employee's status should be given at the earliest possible date but in any case not less than thirty (30) calendar days prior to the earliest date that the changed circumstance may commence. If notice of the change is less than thirty (30) calendar days, the employee shall be paid a premium equal to the amount shown in note 6 of Appendix "B" for each shift or day worked during the period of the change for which he/she has not received thirty (30) calendar days' notice. Such notice shall not be required when the employee concerned is promoted, is acting in a higher level position or the change is in response to the employee's request.

23.15 It is recognized that when circumstances warrant certain non-operating employees may be required to work their normal daily hours within a schedule which deviates from their normal daily schedule as specified in clause 23.04. When a non-operating employee is required to work his/her normal seven and one-half (7 1/2) hours a day at times other than those specified in clause 23.04 the employee shall receive his/her normal daily rate of pay plus a premium payment as follows:

In a calendar month for days worked in accordance with the above,

- (1) for the first and second day, in accordance with note 7 of Appendix "B" for each day,
- (2) for the third, fourth and fifth day, in accordance with note 8 of Appendix "B" for each day,
- (3) for the sixth and subsequent days, in accordance with note 9 of Appendix "B" for each day.

If the employee works less than three point seven five (3.75) hours he/she shall receive the full premium for the day and revert to his/her normal schedule for that day which will be reduced by the equivalent number of hours that the employee worked. If the employee works three point seven five (3.75) hours or more he/she shall be paid the full premium for the day and his/her normal daily rate of pay.

Hours worked in excess of seven and one-half (7 1/2) hours per day shall be subject to Article 25.

23.16 In accordance with clause 23.03 and notwithstanding clauses 23.04 and 23.15 the following shall apply to employees aboard ship:

- (a) On ships where operational requirements demand that the employee conform to a Sea Watch system and the Sea Watches are two (2) non-rotating four (4) hour duty periods each followed by an eight (8) hour non-duty period or are rotating four (4) hour Sea Watches followed by an eight (8) hour non-duty period where the rotating is achieved by splitting the 1600-2000-hour Sea Watch, the employee shall work those Sea Watches.
- (b) On ships where there is no operational requirement to conform to that Sea Watch system but where the presence of employees is required twenty-four (24) hours a day, the employees concerned shall be subject to clause 23.08.
- (c) The normal hours of work under (a) and (b) of this clause shall be seven and one-half (7 1/2) hours per day, exclusive of a meal break, five (5) days per week.
- (d) Except for employees of the Department of National Defence eligible under Article 32, for Sea Trials Allowance, advance notice of a ship board assignment shall be given at the earliest possible date but, in any case, no less than seven (7) calendar days prior to such assignment. If advance notice of the assignment is less than seven (7) calendar days, the employee shall be paid a premium equal to the amount shown in note 6 of Appendix "B" for each day during the assignment for which he/she has not received seven (7) calendar days' notice.

ARTICLE 24

 - (C) A subsequent day of rest will be that twenty-four (24) hour period commencing immediately after the preceding day of rest.
- (iii) The Employer will make every reasonable effort, subject to the operational requirements of the service, to arrange schedules which will permit employees to have a consecutive Saturday and Sunday off at least once every five (5) weeks unless the majority of the employees affected by the schedule express a preference not to do so.

24.03 For there to be a second or subsequent day of rest, the days of rest scheduled for the employee must consist of an unbroken series of consecutive and contiguous calendar days numbering two (2) days or more.

24.04 When a day designated as a holiday under clause 26.01 coincides with an employee's day of rest, the holiday shall be moved to the employee's first scheduled working day following his/her day of rest, or to the second day following his/her day of rest if the employee would otherwise lose credit for a designated holiday.

24.05 Work performed on a day of rest shall be paid at one and one-half (1 1/2) times an employee's straight-time hourly rate for the first seven and one-half (7 1/2) hours (exclusive of a meal break) and twice (2) the employee's straight-time hourly rate for all hours in excess of seven and one-half (7 1/2) hours for that day.

24.06 In an unbroken series of consecutive and contiguous days of rest, an employee shall be paid at twice (2) his/her straight-time hourly rate on a day of rest, provided the employee has worked and has received one and one-half (1 1/2) times his/her straight-time hourly rate in accordance with clause 24.05 for any day of rest in that series.

24.07 At the discretion of the Employer, employees on temporary assignment outside of their Headquarters area, other than those on training courses, may be given the opportunity to work on what would otherwise be normal days of rest, where practicable and when work is available. Such work will be paid for at the appropriate overtime rate.

ARTICLE 25

OVERTIME

25.01 An employee shall be paid at his/her straight-time hourly rate for all work performed during his/her regularly scheduled hours of work, including all work performed during regularly scheduled hours of work which embraces not more than two (2) hours of the latter part of a day designated as a holiday or not more than two (2) hours of the latter part of a second day of rest, and not more than two (2) hours at the beginning of the following day.

25.02 Each completed six (6)-minute period of overtime shall be compensated for at the following rates:

- (b) notwithstanding 25.01, double (2) time for all hours worked in excess of twelve (12) in a continuous period of work, or, in excess of twelve (12) hours of work in a day. This section shall not apply to Article 27 "Travel", except as specifically provided in Article 27;
- (c) an authorized break of up to one (1) hour will not be considered as breaking the continuity of hours worked in order to qualify under sub-clause 25.02(b).

25.04 "Double time" is twice (2) the straight-time hourly rate.

- (d) When, at the request of the employee, a meal period of more than one-half (1/2) hour can be arranged and taken prior to the beginning of an overtime assignment such meal period shall be unpaid time and no reimbursement for expenses will be made. Utilization of this option shall not serve to deny an employee entitlement under (c) above.

25.06

- (a) If an employee is given instructions, prior to his/her leaving work, to work overtime which is not contiguous to his/her work period and the period of non-contiguous overtime commences twenty-four (24) hours or less from the end of the period of work in which the employee receives such instructions, the employee shall be paid for the time actually worked at the applicable overtime rate, or a minimum of three (3) hours' pay at straight-time, whichever is the greater.
- (b) If an employee is scheduled in writing or otherwise informed prior to his/her leaving work, to work overtime which is not contiguous to his/her work period and the period of non-contiguous overtime commences more than twenty-four (24) hours from the end of the period of work in which the employee receives such instructions, the employee shall be paid for the time actually worked at the applicable overtime rate, or a minimum of one (1) hour's pay at straight time, whichever is the greater. However, if the employee is required to report more than once within that period, he/she shall be compensated in accordance with (a) above.

25.07

- (a) When an employee is required to work either contiguous or non-contiguous overtime and is required to use other than normal public transportation services, the employee's entitlement to transportation costs will be as provided in the Travel Policy.

- (b) Other than when required by the Employer to use a vehicle of the Employer for transportation to a work location other than his/her normal place of work, time spent by the employee reporting to work or returning to his/her residence shall not constitute time worked.

25.08

- (a) When operational requirements permit, an employee assigned to work away from his/her assigned permanent headquarters or aboard ship may accumulate time off in lieu of overtime at the appropriate overtime rate. Such time off will be liquidated at a mutually acceptable time.
- (b) If any time off in lieu of overtime earned in 25.08(a) cannot be liquidated by the end of the fiscal year, then, at the request of the employee and with the approval of the Employer, payment in cash will be made at the employee's rate of pay as of March 31st.
- (c) Overtime earned within the assigned permanent headquarters area or overtime earned outside the headquarters area which does not require an overnight stay shall be compensated in cash, except where, upon request of an employee and, with the approval of the Employer, an employee may be granted time off in lieu of overtime at the appropriate overtime rate.
- (d) If any time off in lieu of overtime earned in 25.08(c) cannot be liquidated by the end of the fiscal year, then payment in cash will be made at the employee's rate of pay as of March 31st.

The decision of the Deputy Minister or his/her delegated representative at the Final Level in the grievance procedure shall be final and binding upon the employee unless the grievance is a class of grievance that may be referred to Adjudication.

39.10 Copy to the Local

Where a grievance related to the interpretation or application in respect of an employee of a provision of this Collective Agreement or an Arbitral Award relating thereto or where the employee has indicated that he/she is being represented by the Local, a copy of the reply at each level of this procedure shall be forwarded to the authorized representative of the Local.

39.11 Termination Demotion or Indefinite Suspension Grievance

- (a) A grievance resulting from the demotion or termination for cause pursuant to paragraph 11(2)(f) or (g) of the *Financial Administration Act* of an employee shall begin at the Final Level of the grievance procedure. The written decision of the Deputy Minister or his/her delegated representative shall be given as quickly as possible and not later than fifteen (15) days after the grievance is presented. The fifteen (15)-day time limit may be extended to thirty (30) days by mutual agreement between the Employer and the employee.
- (b) A grievance resulting from the indefinite suspension of an employee once the period of indefinite suspension exceeds fifteen (15) days shall begin at the Final Level of the grievance procedure. The written decision of the Deputy Minister or his/her delegated representative shall be given as quickly as possible and not later than fifteen (15) days after the grievance is presented. The fifteen (15) day time limit may be extended to thirty (30) days by mutual agreement between the Employer and the employee.

39.12 Time Off to Present Grievance

An employee may be granted time off during working hours to discuss a complaint or grievance provided prior permission of his/her supervisor is obtained.

An employee who is a representative of the Local may, with the permission of his/her supervisor, be granted time off during working hours to assist an employee in the presentation of a complaint or grievance. Where such assistance is given during working hours in the representative's area of jurisdiction he/she may be granted time off with pay, and where such assistance is given at locations other than in the representative's area of jurisdiction, leave without pay.

Employees and employees who are representatives of the Local, will not be entitled to be paid when a discussion or meeting on a complaint or grievance takes place outside their normal working hours. The Employer will make every reasonable attempt to schedule such meetings during normal working hours.

39.13 Permission to Enter Premises or Offices

An authorized representative of the Local may be permitted access to the Employer's premises to assist in the settlement of a grievance. The Local shall request such access from an authorized management representative in writing where time permits and verbally in other cases.

Where security clearance is required this clearance will not be unreasonably withheld.

39.14 Adjudication of Grievances

Where an employee has presented a grievance up to and including the Final Level in the grievance procedure with respect to:

- or
- (b) disciplinary action resulting in suspension or a financial penalty,

or

Where a grievance that may be presented by an employee to adjudication is a grievance relating to the interpretation or application in respect of him/her of a provision of this Collective Agreement or an Arbitral Award relating thereto, the employee is not entitled to refer the grievance to adjudication unless the Local signifies in prescribed manner:

- (a) its approval of the reference of the grievance to adjudication;
- and
- (b) its willingness to represent the employee in the adjudication proceedings.

39.15 Extension of Normal Time Limits

The time limits stipulated in this procedure may be extended by mutual agreement between the Management representative and the employee, and the Local representative where the Local is representing the employee.

39.16 Abandonment of Grievances

An employee may, by written notice to his/her immediate supervisor or local officer-in-charge, abandon a grievance at any time during the grievance process. If the grievance in question has been processed with the support of the Local, the Employer will notify the Local that the employee has abandoned the grievance. The abandonment of a grievance shall not prejudice the position of the Local in dealing with grievances of a similar nature.

Where an employee fails to present a grievance to the next higher level within the prescribed time limits the employee shall be deemed to have abandoned the grievance.

It is not the Employer's intent to deny any grievance as being untimely when failure to present the grievance within the time limits stipulated above is caused due to circumstances beyond the control of the grievor.

ARTICLE 40

JOINT CONSULTATION

40.01 The Employer and the Union recognize that consultation and communication on matters of mutual interest outside the terms of the Collective Agreement should promote constructive and harmonious Employer-Union relations.

40.02 The Employer will recognize committees of the Union for the purpose of consultation with management with a view to resolving problems which arise within the ambit of the joint consultation process, as follows:

40.03 It is agreed that a subject suggested for discussion may not be within the authority or jurisdiction of either the management or union representatives. In these circumstances, consultation may take place for the purpose of providing information, discussing the application of policy or airing problems to promote understanding, but it is expressly understood that no commitment may be made by either party on a subject that is not within their authority or jurisdiction, nor shall any commitment made be construed as to alter, amend, add to, or modify the terms of this Agreement.

40.04 Meetings with Regional Committees and the National Committee shall take place at least every six (6) calendar months. By agreement of the parties the frequency of meetings may be increased. The frequency of meetings with local Committees shall be determined by mutual agreement.

- (b) parking (current arrangements, including prices charged);
- (c) training - Scheduling of study after normal working hours;

41.02 The Employer agrees to consult the Union before implementing any changes in terms and conditions of employment not covered by this Agreement.

41.03 The terms and conditions of employment about which the Employer agrees to consult in accordance with clause 41.02 shall extend to and include those terms and conditions of employment established by the following Regulations or Directives:

ARTICLE 43

TRAINING

On-Location Training

43.01 In recognition of changes taking place in the "state of the art" in the Electronics field, the Employer will continue to provide appropriate training manuals and, when operational requirements permit, to initiate and to facilitate relevant training and study sessions designed to improve the qualifications of an employee.

43.02 The parties agree to continue a joint committee established to enquire into the feasibility and ways and means of implementing an educational programme which will provide employees with the opportunity to improve their "state of the art" knowledge in the Electronics field and to make formal recommendations based on this study.

While the above programme shall be the Committee's first priority objective, there shall be no barrier to their discussing, exchanging information and making recommendations on subjects relating to the continuing technical development and training of employees in the Electronics Group.

The formal recommendations of the Committee will be submitted to the Employer for consideration and where found practicable will be initiated.

Such meetings shall normally occur at least four (4) times per year or more frequently if desired by the parties. There is no requirement for equal representation as the function of this Committee is such that the number of persons involved from either party may vary depending on the subject matter.

It is expressly understood that no commitment may be made by any member of the Committee on a subject that is not within his/her authority or jurisdiction nor shall any commitment made be construed as to alter, amend, add to or modify the terms of this Agreement.

Off-Location Training

43.03 Days Off

The Employer shall, where practicable, schedule at least two (2) days off to which the employee would normally be entitled immediately preceding and immediately following training courses and in no case will an employee lose credit because of such training for days off to which he/she would normally be entitled.

43.04 Expenses

- (a) Employees attending training courses will be reimbursed for expenses incurred for accommodation, meals and incidentals in accordance with the Treasury Board Travel Policy.
- (b) An employee shall advise his/her supervisor, within one (1) week of being informed that he/she is to be assigned to an off-location training session, of any unusual related personal expenses he/she anticipates incurring as a result of attendance at such course. The supervisor shall thereupon decide whether or not to proceed with the assignment. If the decision is to proceed, and subsequently the employee's attendance at the course is cancelled or re-scheduled, any such expenses incurred by the employee will be reimbursed by the Employer. The employee will make every reasonable effort to mitigate any losses incurred and will provide proof of such action to the Employer.

43.05 Advance Notice

An employee required to attend a training course will, where practicable, be given two (2) months' advance notice of the nature and location of the course. However, an employee assigned to a training course outside of his/her headquarters area, which will necessitate his/her absence from his/her home for a period of more than fourteen (14) consecutive calendar days will be given a minimum of one (1) month's notice.

43.06

- (a) An employee will not be required to attend a course or series of courses in excess of twelve (12) continuous weeks' duration.
- (b)
 - (i) Courses which are primarily for employees and conducted by members of the Electronics Group shall operate on days otherwise recognized as designated holidays when such days occur within the course schedule.
 - (ii) Whenever the Employer can arrange courses, not conducted by members of the Electronics Group, to operate on days otherwise recognized as designated paid holidays they will do so and will advise the attendees of this requirement in advance.
 - (iii) All employees attending such courses on a designated paid holiday shall receive the equivalent of a day's straight-time pay and shall be credited with a lieu day as is appropriate under clause 26.05 or 26.09(a) and (b).

**

- (c) Clause (b) above shall apply to employees in Foreign Affairs and International Trade (DFAIT) only when they are required to attend courses outside their headquarters' area.

**

- (d) The Employer will make every reasonable effort to ensure that training courses do not require employees to be away from their headquarters area between December 15th and January 5th.

43.07 If the Employer requires an employee to become proficient in the use of a second language, language training will be paid for by the Employer.

43.08 When training courses are given in locations where French is the employees' working language, such courses shall be conducted in the French language except where, because of the nature of the course content, the employees attending the course request that the instruction be given in the English language.

43.09 When, in connection with training courses given under the terms of this Article, the courses entail classroom or associated instruction of seven (7) or less hours per day, exclusive of a meal period, no overtime claim from participants will be recognized or paid, except as may be involved in travel immediately prior to or following the course from his/her residence to his/her place of lodging during the course and vice versa.

43.10 An employee assigned to a training course outside of his/her headquarters' area, which will necessitate his/her absence from his/her assigned work place for a period of more than fourteen (14) consecutive calendar days, will not be required to report for work on the day(s) he/she is assigned to travel to such training course. Except in respect of travel on a day of rest or a designated paid holiday, an employee will receive his/her normal salary for the day(s) but no additional payment will be made for time spent travelling unless such time exceeds eight (8) hours per day. Such excess hours will be paid at the rate of time and one-half (1 1/2).

43.11 On return from a training course outside of his/her headquarters area, which necessitated his/her absence from his/her assigned work place for a period of more than fourteen (14) consecutive calendar days, an employee may travel on the day his/her course terminates; but when the employee is given a following day or days off with pay for the purpose of travel, he/she shall receive no additional payment for time spent travelling unless such time exceeds eight (8) hours per day. Such excess hours will be paid at the rate of time and one-half (1 1/2).

43.12 Clause 43.10 and 43.11 shall not apply to an employee who lives at home while on an assigned training course.

43.13 Instructors will not be required to provide formal instruction (be formally in contact with the students in a classroom or laboratory environment) to students in excess of an average of twenty (20) hours per week over a fiscal year. Such hours are part of the hours of work set out in clause 23.04.

ARTICLE 44

TECHNOLOGICAL CHANGE

44.01 Both parties recognize the overall advantages of technological change. Both parties will, therefore, encourage and promote technological change and improvements in the Electronics field.

44.02 With this in view, and recognizing the extensive lead time required for the selection, installation and proving of sophisticated electronic equipment, the Employer agrees to provide as much advance notice as is practicable but not less than six (6) months' notice to the Union of any major technological change in electronic equipment which would result in changes in the employment status or working conditions of employees as provided for in this Agreement. In addition, the Employer agrees to consult with the Union with a view to resolving problems which may arise as a result of the introduction of such technological change.

44.03 If, during the life of this Agreement, it becomes likely that an employee will become redundant, the Employer will notify the Union forthwith and agrees to meet with the Union within thirty (30) days of a written request by the Union to do so, to discuss the matter fully and, if necessary to ensure that all steps including those provided by the Employer's manpower adjustment procedures have been fully utilized.

ARTICLE 45

SAFETY AND SECURITY

45.01 The Employer shall make all reasonable provisions for the occupational safety and health of employees. The Employer will welcome suggestions on this subject and, to this end, local committees will continue to be utilized. These will be composed of Union and Employer representatives, will meet periodically for the correction of unsafe or potentially harmful work practices, will review and

examine reports of serious accidents, and will carry out inspections of work sites when this is warranted by circumstances, and make recommendations.

45.02 In addition, a national committee composed of not less than three (3) Employer representatives and not less than three (3) Union representatives will be established to review the activities and reports of the various local committees, to review accident frequency and accident severity records, to promote health and safety education on a national basis, and to recommend procedures and techniques designed or intended to prevent or reduce the risk of employee injury.

45.03 The Union agrees to participate on the above-mentioned safety committees and to make every effort to encourage its members to observe all safety rules and to use all the appropriate protective equipment and safeguards.

45.04 In the interests of safety the Employer will continue to provide all training it considers necessary to employees required to work on new equipment and facilities either by on-the-job training or by formal or informal training at factories or at Employer training schools. The Employer will also continue to provide training in safety practices to employees while attending technical courses at the Employer's schools.

45.05 The Employer shall provide medical services and facilities necessary for the treatment of occupational illness or injuries.

54.02 Rates of Pay and Effective Dates

The rates of pay in Appendix "B" shall be implemented as indicated therein.

- (b) An employee appointed to a classification level from within the Public Service shall be paid a rate of pay as determined by the application of clause 54.04, 54.05 or 54.06 as applicable.
- (c) An employee to whom sub-clause 54.03(a) applied and who was appointed above the minimum rate during a period where a pay increase becomes retroactive and who was notified in writing prior to his/her appointment that a negotiated retroactive pay increase would not apply to him/her shall, effective the date of his/her appointment, have his/her rate of pay on appointment altered to the rate in the new scale of rates for his/her classification level which is nearest to but not less than the rate at which the employee was appointed. - (d) When a person is appointed to the Public Service within one (1) year of having been laid off, he/she shall be paid in accordance with clause 54.04, 54.05 or 54.06 as if he/she were being appointed to a classification level from within the Public Service. For purposes of applying clause 54.04, 54.05 or 54.06 the employee's rate of pay "immediately before the appointment" shall be deemed to be the rate the employee was being paid when he/she was laid off, except that if the rate the employee was being paid when he/she was laid off has been revised subsequent to the

employee being laid off the employee's rate of pay "immediately before the appointment" shall be deemed to be the revised rate.

54.04 Rate of Pay on Appointment to a Classification Level Having a Higher Maximum Rate

An employee appointed to a classification level having a maximum rate of pay four per cent (4%) or more greater than the maximum of his/her former classification level shall be paid in his/her new classification level at the rate of pay, nearest to the rate he/she was receiving immediately before the appointment (see clause 54.10 for application on acting pay and temporary assignment), that gives him/her an increase in pay of not less than the smallest pay increment for his/her new classification level. If there is no such rate, the employee shall be paid the maximum rate in his/her new scale.

54.05 Rate of Pay on Appointment to a Classification Level Having a Lower Maximum Rate

Note:

(Except in the case of reclassification of duties and responsibilities to a level having a lower maximum rate where clause 54.12 would apply.)

- (a) An employee appointed, other than for incompetence or incapacity, to a classification level having a lower maximum rate of pay than his/her former classification level may be paid at any rate in the scale of rates for the new classification level to which he/she is appointed which is not less than the rate of pay the employee was receiving immediately before the appointment (see clause 54.10 for application on acting pay and temporary assignment), or if there is no such rate the employee shall be paid the maximum of his/her new scale of rates.
- (b) An employee appointed, because of his/her incompetence, to a classification level having a lower maximum rate of pay than his/her former classification level shall be paid in his/her new classification level at a rate of pay to be determined by the Employer.
- (c) An employee appointed, because of his/her incapacity, to a classification level having a lower maximum rate of pay than his/her former classification level shall be paid in his/her new classification level at a rate of pay to be determined by the Employer.

- (a) the same maximum rate of pay,
or
- (b) a maximum rate which exceeds the employee's former maximum rate by less than four per cent (4%).
- (c) An employee appointed to a classification level having the same maximum rate of pay as his/her former classification level shall be paid a rate of pay in his/her new scale of rates nearest to but not less than the rate he/she was receiving immediately before the appointment (see clause 54.10 for application on acting pay and temporary assignment), or if there is no such rate the employee shall be paid the maximum of his/her new scale of rates, except that when the employee is being paid a holding rate and the appointment is to the same classification level the employee shall retain his/her holding rate.
- (d) An employee appointed to a classification level having a maximum rate of pay which exceeds the maximum rate of his/her former classification level by less than four per cent (4%) shall be paid a rate of pay in his/her new scale of rates nearest to but not less than the rate he/she was receiving immediately before the appointment (see clause 54.10 for application on acting pay and temporary assignment), except that if there is no such rate the employee shall be paid the maximum of his/her new scale of rates.

54.07 Rates of Pay on Appointment Where the Effective Date of Appointment Coincides With a Pay Increment Date and/or a Pay Revision Date

Where there is a coincidence of dates of appointment, pay increment and/or pay revision, the employee's rate shall be adjusted in the following sequence as applicable:

- (a) the employee shall receive his/her pay increment;
- (b) his/her rate of pay shall be revised;
- (c) his/her rate of pay on appointment shall be established in the revised scale of rates in the new classification level in accordance with the provisions of clause 54.04, 54.05 or 54.06.

**

54.08 Acting Pay

An employee who is required by the Employer to perform on an acting basis the duties of a higher position to which a higher rate of pay would apply, if appointed for a period of at least three (3) consecutive scheduled working days for a non-operating employee or at least three (3) consecutive scheduled working days for an operating employee, shall be paid acting pay, from the date on which he/she commenced to act, equal to the difference between the employee's current rate of pay and the rate of pay to which he/she would be entitled if he/she were appointed to the position.

Acting pay will be recalculated as the result of any pay increment or any change to the range of rates in the employee's substantive position or any change to the range of rates in the higher position.

54.09 Temporary Assignment

An employee of the Public Service from outside the bargaining unit who is temporarily assigned to, and performs for at least ten (10) consecutive working days, the duties of a classification level in the bargaining unit having a higher maximum rate of pay than the maximum rate of pay for the classification level held by him/her, shall be paid from the first day of his/her temporary assignment the rate of pay of the higher classification level as if he/she had been appointed to the higher classification level.

54.10 Pay of an Employee on Termination of Acting Pay within the Bargaining Unit or Termination of Temporary Assignment Outside the Bargaining Unit

- (a) On termination of acting pay within the bargaining unit or termination of a temporary assignment outside the bargaining unit, an employee shall be entitled to pay from the date of termination as if he/she had remained in his/her classification level in the bargaining unit. The rate so determined shall also be the employee's rate of pay for the purpose of calculating a new rate of pay for any appointment, acting pay within the bargaining unit or temporary assignment outside the bargaining unit which coincides with the termination date.
- (b) Where an employee on acting pay or on temporary assignment is appointed to the classification level in which he/she is acting or temporarily assigned, the employee shall continue to be paid in that classification level at the rate of pay he/she is receiving and his/her

service in that classification level shall be recognized in determining his/her increment date.

54.11 Employee in Holding Range of Rates

An employee who on the effective date of this Agreement was being paid in a holding range of rates shall continue to be paid in that range of rates until such time as the maximum rate of pay for his/her classification level is equal to or higher than the maximum of his/her holding range of rates. At such time the employee will be paid at the rate which is nearest to but not less than his/her holding rate and the employee shall retain his/her increment date.

54.12 Rate of Pay on Reclassification of Duties and Responsibilities to a Level With a Lower Maximum Rate

Where an employee's duties and responsibilities are reclassified to a level with a lower maximum rate of pay than the level at which he/she is being paid, the following shall apply:

- (a) Prior to a position being reclassified to a group and/or level having a lower attainable maximum rate of pay, the incumbent shall be notified in writing.
- (b) Downward reclassification notwithstanding, an encumbered position shall be deemed to have retained for all purposes the former group and level. In respect to the pay of the incumbent, this may be cited as Salary Protection Status and subject to Section (c)(ii) below shall apply until the position is vacated or the attainable maximum of the reclassified level, as revised from time to time, becomes greater than that applicable, as revised from time to time, to the former classification level.
- (c)
 - (i) The Employer will make a reasonable effort to transfer the incumbent to a position having a level equivalent to that of the former group and/or level of the position.
 - (ii) In the event that an incumbent declines an offer of transfer to a position as in (i) above in the same geographic area, without good and sufficient reason, that incumbent shall be immediately paid at the rate of pay for the reclassified position.

54.13 Pay Increments

- (c) Where the Employer has denied an increment it may grant the increment on any Monday prior to the expiry of the increment period following and the employee shall retain his/her increment date. The Employer shall review the employee's performance three (3) months after the date of denial and decide whether or not the employee's increment should be granted.
- (d) The pay increment date of an employee who has an established quarterly increment date shall be the Monday nearest to that quarterly increment date.

54.14 Implementation of a New Classification Standard

If, during the term of this Agreement, the Employer establishes and implements a new classification standard, the Employer, following consultation with the Local

If the Local does not agree to the rates as final rates, they shall be considered temporary rates and the Employer will negotiate the rates of pay with the Local. The rates of pay finally agreed will be effective retroactively to the date the temporary rates of pay were applied by the Employer.

APPENDIX "A"

PENOLOGICAL FACTOR ALLOWANCE

General

1. The Penological Factor Allowance is used to provide additional compensation to an incumbent of a position who, by reason of duties being performed in a penitentiary, as defined in the *Penitentiary Act* as amended from time to time, assumes additional responsibilities for the custody of inmates other than those exercised by the Correctional Group, and is exposed to immediate hazards of physical injury by assault and other disagreeable conditions.

Degrees of Exposure

2. The factor recognizes the differences between maximum, medium and minimum security penal institutions, as designated by the Employer, and distinguishes between continual, frequent and limited degrees of exposure, as follows:
 - Continual - means fulfillment of the conditions described in Section 1 above throughout the working day and recurring daily.
 - Frequent - means fulfillment of the conditions described in Section 1 above for part or parts of the working day and generally recurring daily.
 - Limited - means fulfillment of the conditions described in Section 1 above on an occasional basis.

Formula

- The payment of the allowance for the penological factor is determined by the following formula:

**Penological Factor (X)
Type of Institution**

Degree of Contract	Maximum	Medium	Minimum
Continual	100% X (\$1,600)	50% X (\$800)	30% X (\$480)
Frequent	50% X (\$800)	30% X (\$480)	20% X (\$320)
Limited	30% X (\$480)	20% X (\$320)	10% X (\$160)

Amount of PFA

- Effective Date of Signing**

The value of “X” is set at \$1,600 per annum. This allowance shall be paid on the same basis as that for the employee’s regular pay.

Application of PFA

- Penological Factor Allowance shall only be payable to the incumbent of a position on the establishment of, or loaned to, Correctional Staff Colleges, Regional Headquarters, and National Headquarters, when the conditions described in Section 1 above are applicable.
- The applicability of PFA to a position and the position’s degree of PFA entitlement shall be determined by the Employer following consultation with the bargaining agent.
- Except as prescribed in Section 10 below, an employee shall be entitled to receive PFA for any month in which he/she receives a minimum of ten (10) days’ pay in a position to which PFA applies.
- Except as provided in Section 9 below, PFA shall be adjusted when the incumbent of a position to which PFA applies, is appointed or assigned duties in another position to which a different degree of PFA applies, regardless of whether such appointment or assignment is temporary or

permanent, and for each month in which an employee performs duties in more than one (1) position to which PFA applies, the employee shall receive the higher allowance, provided he/she has performed duties for at least ten (10) days as the incumbent of the position to which the higher allowance applies.

9. When the incumbent of a position to which PFA applies is temporarily assigned to a position to which a different degree of PFA, or no PFA applies, and when the employee's basic monthly pay entitlement in the position to which he/she is temporarily assigned, plus PFA, if applicable, would be less than his/her basic monthly pay entitlement plus PFA in his/her regular position, the employee shall receive the PFA applicable to his/her regular position.
10. An employee will be entitled to receive PFA, in accordance with the PFA applicable to his/her regular position:
 - (a) during any period of paid leave up to a maximum of sixty (60) consecutive calendar days,
 - or
 - (b) during the full period of paid leave where an employee is granted injury-on-duty leave with pay because of an injury resulting from an act of violence from one or more inmates.
11. PFA shall not form part of an employee's salary except for the purposes of the following:
 - Public Service Superannuation Act*
 - Public Service Disability Insurance Plan
 - Canada Pension Plan
 - Quebec Pension Plan
 - Unemployment Insurance
 - Government Employees Compensation Act*
 - Flying Accident Compensation Regulations
12. If, in any month, an employee is disabled or dies prior to establishing an entitlement to PFA, the PFA benefits accruing to him/her or his/her estate shall be determined in accordance with the PFA entitlement for the month preceding such disablement or death.

Dear Mr. Morse:

SUBJECT: Work Sites/Egress Difficulties

This will confirm the understanding reached between the parties during negotiations of the collective agreement applying to employees in the Electronics Group.

It is recognized that at some isolated and remote work sites a variety of conditions can make egress so difficult that an employee cannot leave the site at the completion of his/her assigned work. Such sites frequently are stocked with emergency food supplies and provision may be made for the employee to sleep overnight. Typical of such sites are certain mountain-top VOR sites, some lighthouse sites and remote sites in arctic regions.

When, as a result of conditions beyond the employee's control, the employee must remain at such a site, he/she will be given equivalent time off for the period he/she is required to remain at the site in an unproductive state beyond his/her normal hours of work. When work assignments are authorized normal overtime conditions will prevail during this period. Examples of sites that are recognized as meeting these requirements are: Whitehorse VOR, Enderby VOR, Landsdowne and Attawapiskat. During the term of this Agreement, it shall be open to the parties to apply the intent of this letter to other sites in specific cases by means of consultation between the parties.

The same provisions shall also apply to an employee assigned to perform a specific duty or duties on board a ship with no expectation of sailing with that ship but the ship sails before the employee completes his/her assignment and the employee is prevented from leaving that ship.

In addition, the same provisions shall apply to an employee assigned to perform duties on a Mobile Offshore Drilling Unit (MODU), when, following completion of his/her assignment, the employee is unable to depart as scheduled due to conditions outside of his/her control.

Every reasonable effort will be made to grant equivalent time off at a mutually acceptable time but if at the end of a fiscal year any time off still remains due to the employee, it shall be liquidated by the Employer by payment at the employee's straight-time hourly rate.

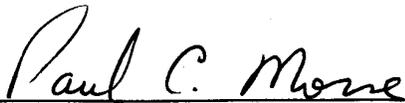

This Letter of Understanding will expire on August 31, 2001.

Yours sincerely,

Kathryn Wilder Paterson,
Negotiator,
Labour Relations Division.

Dear Mr. Morse:

SUBJECT: Isolated Areas/Environment Allowance

This letter will apply only to those Electronic Technicians previously covered by the Field Survey Allowance, T.B. 607764 of May 2, 1963.

The Employer recognizes that the payment of an Environment Allowance within the provisions of the Isolated Posts Directive is more appropriate for employees proceeding into isolated areas for temporary periods than the Field Survey Allowance.

Accordingly, the Employer discontinued the Field Survey Allowance effective March 31, 1972. Effective April 1, 1972, the Employer provided a per diem Environment Allowance determined by the utilization of the same criteria used to establish the "Classification of Posts for the Environment Allowance" and the rates for single personnel established in respect of such Environment Allowance.

The Environment Allowance will not be paid where an employee is in receipt of any allowance under the Relocation Policy, Sea Duty Allowance provided in the Electronics Group Collective Agreement, or any allowance associated with the former Field Survey Allowance.

To be eligible for this new Environment Allowance, the employee's temporary period in isolation must be for a period of thirty (30) consecutive calendar days or more.

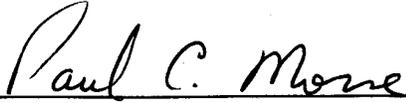

This Letter of Understanding will expire on August 31, 2001.

Yours sincerely,

Kathryn Wilder Paterson,
Negotiator,

SUBJECT: Isolated Posts/Length of Assignment

This is to advise you of an understanding reached during the negotiation of the collective agreement between the Treasury Board as Employer and the International Brotherhood of Electrical Workers bargaining on behalf of the Electronics Group.

It was agreed that, operational requirements permitting, the attached guidelines will continue to be implemented relative to the future assignment of employees in the Electronics Group to isolated posts.

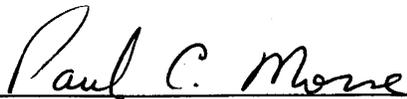

This Letter of Understanding will expire on August 31, 2001.

Yours sincerely,

Kathryn Wilder Paterson,
Negotiator,

ISOLATED POSTS

Guidelines for assignments to isolated posts in the 1 and 2 categories as listed in “Schedule A - Classification of Isolated Posts” in the Isolated Posts Directive.

Single Employee

Maximum Posting - One (1) year with a minimum of two (2) years following completion of such an assignment before re-assignment to a post in the same category.

Married - Accompanied by Family

Maximum Posting - Two (2) years with a minimum of three (3) years following completion of such an assignment before re-assignment to a post in the same category.

Married - Unaccompanied by Family

Maximum Posting - Six (6) months with a minimum of two (2) years following completion of such an assignment before re-assignment to a post in the same category.

Employees may request, in writing, an extension of the limits of the time spent at isolated posts categories 1 and 2 with the understanding that it is not normally the policy of the Employer to assign such employees for more than four (4) consecutive years to isolated posts categories 1 and 2.

Where an employee is on temporary assignment to an isolated post level 1 or 2 for periods in excess of two (2) months, those periods shall be credited to the employee and count towards satisfying the maximum requirements listed above.

Dear Mr. Morse:

SUBJECT: Isolated Posts/Hours of Work

The purpose of this letter is to confirm the understanding reached in negotiations on behalf of the Electronics Group with respect to excess hours at Isolated Posts, on board ship or on field projects.

It is agreed that when an employee is assigned to an isolated post, on board ship or a field project where the regularly scheduled hours of work are in excess of normal hours of work, such hours of work shall not be reduced during the life of this Agreement.

If the Employer contemplates any reduction in such hours he will notify the Union and, if requested by the Union within thirty (30) days of such notice shall within thirty (30) days of the receipt of the request provide the Union with an opportunity to consult on the proposed changes at the Regional Headquarters of the area involved.

Changes may be implemented within ninety (90) days after notice has been given the Union providing thirty (30) days' notice has been given to the employees concerned.

The elimination from the schedule of hours in addition to those specified in paragraph 2 which were made necessary by a seasonal requirement shall not constitute a reduction of hours for the purpose of this letter.

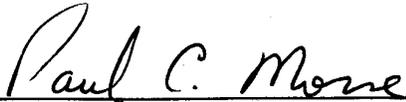

This Letter of Understanding will expire on August 31, 2001.

Dear Mr. Morse:

SUBJECT: Vehicle/Liability

This will confirm that the Employer will, subject to this letter, waive its claim against any employee in the bargaining unit for reimbursement of damages paid by it to a third party for bodily injury, death or property damage caused by an accident involving a motor vehicle owned or rented by the Employer and driven by the employee in the normal course of performing his/her duties.

The Employer agrees to indemnify an employee in the bargaining unit against any liability imposed upon him/her by a court of competent jurisdiction to pay any damages arising from bodily injury, death or property damage suffered by a third party and caused by an accident which occurs while the employee is driving a motor vehicle owned or rented by the Employer while in the normal course of performing his/her duties. No employee in the bargaining unit will be eligible for such indemnification unless he/she has, prior to the occurrence of such an accident, executed and delivered to the Employer an instrument in writing in a form acceptable to the Employer having the following effect:

1. constituting and appointing the Employer as irrevocable attorney to appear and defend in any court of competent jurisdiction in which an action is brought against him/her claiming damages allegedly arising out of such an accident,

and
2. authorizing the Employer to conduct all negotiations in respect of such damages and to effect any settlement relating to the payment thereof.

None of the undertakings described in this letter will apply where the accident occurred while the employee was driving a vehicle owned or rented by the Employer outside the scope of his/her employment.

Dear Mr. Morse:

SUBJECT: Development Seminars

It is recognized by the parties to this Agreement that attendance at training or development seminars, symposiums, etc., other than specific equipment oriented classroom instruction type training, represents an opportunity for individual self development beyond that which the Employer requires of the employee to simply maintain current operations.

Many of these development opportunities do not readily associate themselves with the normal hours of work and overtime provisions commonly contained in Collective Agreements.

Accordingly the parties agree that when such a training situation is arranged and an employee is to be given the opportunity to attend, the employee shall be informed in advance of what is likely to be involved in respect of his/her personal time above and beyond his/her normal hours of work both in respect of travel and attendance at such activities.

If the employee wishes to be given the opportunity to attend and is permitted to do so he/she shall be entitled to actual and reasonable travel expenses incurred and shall suffer no loss of regular salary as a result of his/her attendance at such activity.

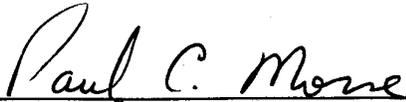

This Letter of Understanding expires on August 31, 2001.

SUBJECT: Electronics Systems Instructors Orientation

This will confirm the understanding reached in negotiations in respect to the Electronic Systems Instructors employed at the Transport Canada Training Institute (Cornwall, Ontario) and at the Canadian Coast Guard College at Sydney (Sydney, Nova Scotia).

The parties agree to the principle that an Electronic Systems Instructor be relatively familiar with the operational environment and current field maintenance methods, practices and procedures.

In this respect, the Employer agrees to:

1. Provide orientation to new instructors of non-DFO background in DFO organizational structures, organizational objectives and relevant administration, documentation and procedures.
2. Allow an instructor to gain or re-gain appreciation of the operational environment and the applicable current field maintenance methods, practices and procedures, by providing the opportunity to visit field facilities away from the institute for a total of 5 days in any 3-year period.

Dear Mr. Morse:

SUBJECT: Leave for Union Business

The purpose of this letter is to confirm the arrangement for time off required by Local 2228 members, granted under clause 15.04, 15.05, 15.07 and/or 15.08 of the Electronics Group Agreement.

The arrangement for leave without pay granted under clauses 15.04, 15.05, 15.07 and/or 15.08 is that this leave will be paid for by the Employer, pursuant to this Letter of Understanding. The Bargaining Agent shall then compensate the Employer by remitting an amount equivalent to the actual gross salary paid for each person-day, in addition to which shall also be paid the Employer by the Bargaining Agent an amount equal to 15.5% of the actual gross salary paid for each person-day, which represents the Employer's contribution to Superannuation, Canada Pension Plan, Employment Insurance, Medicare and such other benefits accrued to employees by virtue of their working.

As soon as possible after the signing date of the new Collective Agreement, the Employer will invoice the Bargaining Agent for the amount owed the Employer by virtue of this understanding. The amount of the gross salaries and the number of days involved for each employee will be included in the statement; the calculation of the 15.5% as above will also be figured in the said statement.

The Bargaining Agent agrees to compensate the Employer for the full amount of the invoice within ninety (90) days of the date of the invoice.

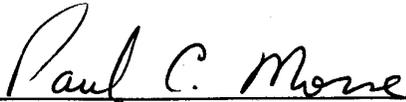

This Letter of Understanding will expire on August 31, 2001.

Yours sincerely,

Kathryn Wilder Paterson,
Negotiator,

Dear Mr. Morse:

SUBJECT: Foreign Affairs/Mail Service

The purpose of this letter is to confirm the understanding reached in negotiations on behalf of the Electronics Group with respect to the balloting of employees in the Department of Foreign Affairs and International Trade and to the use of that Department's mail services in certain circumstances.

When agreement on all terms and conditions of employment has been reached as a result of the current negotiations between the Treasury Board and Local 2228 of the International Brotherhood of Electrical Workers, the latter will provide to the Department of Foreign Affairs and International Trade a draft of a telegram summarizing the terms of the agreement. The telegram (which is not to exceed 750 words) will be transmitted to posts at which technicians are stationed. The telegram will be sent "unclassified-routing" with the comment by the Department of Foreign Affairs and International Trade that communicators at posts are to work no overtime in handling the telegram. The Department of Foreign Affairs and International Trade will also authorize heads of post to report by telegram to the Department the results of the balloting. Copies of these incoming telegrams will be made available to a representative appointed by the Union.

The Department of Foreign Affairs and International Trade will provide the use of its diplomatic mail services to posts abroad having special mailing privileges to assist the Union in conducting union elections and referenda. Posts abroad having special privileges are defined in the Department of Foreign Affairs and International Trade Manual of Procedures. They are posts at which local mailing service is considered to be inadequate or insecure. The Employer agrees to this arrangement on the understanding that each Union election ballot kit will weigh no more than three (3) ounces.

The Union is expected to make separate arrangements for mailing ballot kits and referenda ballots to posts where mailing services are considered satisfactory by the Employer.

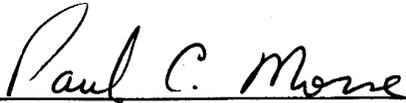

This Letter of Understanding will expire on August 31, 2001.

Yours sincerely,

Kathryn Wilder Paterson,
Negotiator,
Labour Relations Division.

Dear Mr. Morse:

SUBJECT: Department of National Defence/Battery Testing

This letter is to confirm the understanding reached in negotiations on behalf of the Electronics Group in respect to the application of clause 23.14 at certain Department of National Defence establishments.

It is understood that at certain Department of National Defence establishments, component and battery testing will require the application of the above clause when the military specifications call for a test of over seven hundred and twenty (720) hours. However, the Employer is to be held blameless should the components or batteries being tested fail thereby shortening the test to less than thirty (30) days.

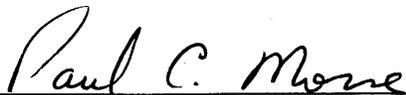

This Letter of Understanding will expire on August 31, 2001.

Dear Mr. Morse:

SUBJECT: Shipboard Assignment/Rotation

The purpose of this letter is to confirm the understanding reached in negotiations with respect to ship board assignment during Arctic and other ice-breaking voyages.

To ensure a consistent approach to extended tours of duty and to reduce possible adverse effects on employees while ensuring that operational needs are met, the following guidelines have been issued to managers:

1. The replacement of Technicians should occur coincident with the planned replacement of the ship's crew. Crew changes are scheduled prior to Arctic operations at roughly the mid-point of the voyages. Crew changes may occur after six (6) weeks, but are not likely to be later than eight (8) weeks after the beginning of the assignment. If operationally feasible, a T&E manager may effect the replacement of a Technician during the helicopter's crew change.
2. A Technician should not leave his/her assigned duty on board a specific ship until his/her replacement is on board and briefed.
3. Employees should be advised that because of operational requirements and weather conditions, the intended crew change at the mid-point of the voyage may vary, but such occurrences would be exceptional.
4. Technicians who wish to extend their period of assignment aboard ship to the next foreseen change date or to the termination of the voyage should make a written request to the Supervisor through normal channels. This request should be made prior to departure or be received by the

supervisor at least 15 days prior to the scheduled change, in order to avoid any inconvenience to replacement Technicians.

5. Situations where the rotation after eight (8) weeks has not been effected, together with the surrounding circumstances should be recorded for use in possible future surveys.

These guidelines are not intended to deny any of the benefits accruing to the Electronic Technicians under their collective agreement.

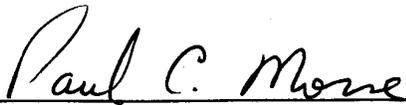

This Letter of Understanding will expire on August 31, 2001.

Dear Mr. Morse:

SUBJECT: Variable Work Week

This will confirm the understanding reached between the parties during negotiations of the collective agreement regarding the matter under reference.

Notwithstanding the provisions of Articles 23 and 25, employees, with the approval of the Employer, may complete their weekly hours of employment in a period other than five (5) full days provided that over a period, to be determined by the Employer, employees work an average of thirty-seven and one-half (37 1/2) hours per week.

Notwithstanding anything to the contrary contained in the Electronics Group collective agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this agreement.

Any special arrangement may be at the request of either party and must be mutually agreed between the Employer and the employee(s) affected. Where individual employees' duties or shifts are interdependent, then the majority of the affected must agree to the arrangement and it shall apply to all of these employees.

Annex "A" attached outlines the administrative procedures for variable work week arrangements.

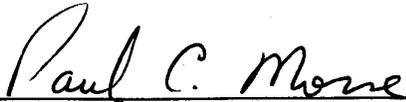

This Letter of Understanding will expire on August 31, 2001.

Yours sincerely,

Kathryn Wilder Paterson,
Negotiator,
Labour Relations Division.

ANNEX "A"

**MEMORANDUM OF AGREEMENT
BETWEEN
THE TREASURY BOARD
AND
LOCAL 2228 OF
THE INTERNATIONAL BROTHERHOOD OF
ELECTRICAL WORKERS
FOR EMPLOYEES IN THE
ELECTRONICS GROUP**

The Employer and Local 2228 of the International Brotherhood of Electrical Workers (IBEW) agree that notwithstanding the provisions of the Electronics Group Collective Agreement, the following conditions shall apply to employees on variable hours of work schedules pursuant to Letter of Understanding 19-99.

It is agreed that the implementation of any such variation in hours shall not result in any additional expenditure or cost by reason only of such variation.

1. General Terms

The scheduled hours of work on any day, as set forth in the variable work week arrangement, may exceed seven and one-half (7 1/2) hours per day; starting and finishing times, meal breaks and rest periods shall be determined according to operational requirements as defined by departmental policy and guidelines, and the daily hours of work shall be consecutive.

Such a work schedule shall provide that an employee's normal work week shall average thirty-seven and one-half (37 1/2) hours per week over the life of the cycle or variable work week arrangement.

2. **Conversion of Days to Hours**

The provisions of the Collective Agreement which specify days shall be converted to hours. Where the Collective Agreement refers to a “day”, it shall be converted to seven and one-half (7 1/2) hours.

When an employee ceases to be subject to this Memorandum of Agreement, his/her credits will be converted to days by dividing the number of hours by seven and one-half (7 1/2) hours per day.

3. **Adjustments**

Any required adjustment between seven and one-half (7 1/2) hours per day and the employee’s actual scheduled hours may take the form of make up time or deduction from accumulated compensatory leave or vacation leave, to be determined in advance of the implementation of the variable work week arrangement.

4. **Designated Paid Holiday**

- (a) A designated paid holiday or a lieu day is equivalent to seven and one-half (7 1/2) hours.
- (b) When a designated paid holiday falls on an employee’s scheduled day off which results from the application of the variable work week, the holiday shall be moved to a later date following consultation with the employee. If mutual agreement can not be reached, management will determine the day to which the holiday is moved.
- (c) When an employee to whom sub-clause 26.04(d) applies works on a designated holiday or the day to which the holiday is moved, the employee shall be paid at the straight-time hourly rate for all regularly scheduled hours worked under the variable work week arrangement. Hours worked in excess of these scheduled hours will be compensated in accordance with Article 25. This principle shall also apply to non-operating employees.

5. **Sick Leave**

Employees shall earn sick leave credits at the rate prescribed in Article 19 of the Collective Agreement but shall be converted to hours by multiplying the number of days by seven and one-half (7 1/2) hours. Leave will be granted on an hourly basis with the hours debited for each day of sick leave being the same as the hours the employee would have been scheduled to work on that day.

6. **Vacation Leave**

Employees shall earn vacation leave credits at the rates prescribed for their years of service, as set forth in Article 17 of the Collective Agreement, but shall be converted to hours on the basis of one (1) day equals seven and one-half (7 1/2) hours. Leave will be granted on an hourly basis with the hours debited for each day of vacation leave being the same as the hours the employee would have been scheduled to work on that day.

7. **Other Types of Leave**

The days available where specified in the Collective Agreement shall be converted to hours by multiplying the number of days by seven and one-half (7 1/2) hours.

Leave will be granted on an hourly basis with the hours debited for each day of leave being the same as the hours the employee would have been scheduled to work on that day.

8. **Overtime**

All employees will be paid at their straight-time hourly rate for all work performed during their regularly scheduled hours of work under the variable work week arrangement. Hours worked in excess of these scheduled hours will be compensated in accordance with Article 25.

Compensation for all work performed on a day of rest will be paid in accordance with Article 24.

Work performed on an “earned day off” (EDO) resulting from the application of the variable work week arrangement will be paid at time and one-half (1 1/2) for all hours worked provided the EDO cannot be re-scheduled and an EDO shall not be considered as a day of rest for the purposes of Article 24.

9. **Training and Travel**

Where training and/or travel is involved, an employee may be taken off the variable work week schedule.

10. **Minimum Number of Hours Between Shifts**

The provision in the collective agreement relating to the minimum period between the termination and commencement of the employee’s next shift shall not apply to an employee subject to variable hours of work.

11. **Termination**

Either local management or authorized local representatives of the Union may terminate a variable work week arrangement following thirty (30) days’ written notice from either party to the other, providing that prior discussions on the termination have been held.

12. The foregoing is not intended to cover all terms and conditions and/or variable work week arrangement. It should be emphasized that the implementation of any variation in hours shall not result in any additional expenditure or cost by reason only of such variation.

13. This Memorandum of Agreement will expire on August 31, 2001.

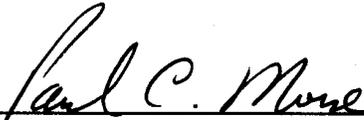

SIGNED AT OTTAWA, this 16th day of the month of October 2000.
