

**BANK OF CANADA
TERMS OF REFERENCE
PENSION COMMITTEE**

1. Introduction

The Bank of Canada (the “Bank”) is the administrator of the Bank of Canada Pension Plan (the “Pension Plan”) and the Bank of Canada Supplementary Pension Arrangement (the “SPA”) (collectively, the “Plans” and, singly, a “Plan”), and accordingly has established and maintains trust funds in respect of each of the Pension Plan and the SPA (the “Funds”). All benefits are calculated and paid out in accordance with the terms of the Pension Plan. The SPA supplements the pensions of those employees whose contributions and benefits exceed the maximum prescribed by the *Income Tax Act* (Canada) (“ITA”). Its terms mirror those of the Pension Plan. The Bank is also the sponsor of the Pension Plan and the SPA and performs and exercises in connection with the Pension Plan and the SPA all powers and all authorities of a Plan sponsor.

As provided for in the *Bank of Canada Pension Governance Policy* (the “Policy”), the Bank's Board of Directors (the “Board”) has established a Pension Committee (“Committee”) and has delegated to it the responsibility for carrying out the Bank’s duties as administrator of the Plans and the Funds as set out in the Policy and these Terms of Reference.

2. Governance

(a) Committee Membership

(i) The Committee shall comprise the Senior Deputy Governor and the following members appointed by the Board:

- not less than three or more than five directors appointed pursuant to section 9 of the *Bank of Canada Act* (“Independent Directors”); and

(ii) A member shall hold office until he or she resigns, is replaced, removed or ceases to be a director.

(iii) Members of the Committee who are not officers or employees of the Bank shall be paid the same per diem rate as paid to Directors of the Bank serving on other committees of the Board and shall be reimbursed for their reasonable out-of-pocket expenses incurred in connection with the Committee in accordance with the Board's prevailing reimbursement policies.

(iv) The Committee shall be comprised of such persons who shall, individually or collectively, possess the requisite skills, knowledge or expertise deemed necessary or desirable by the Board

for service on such a committee. These may include, but shall not necessarily be limited to, the following areas of knowledge or expertise: financial/accounting, investment, legal, regulatory, governance, pension expertise, payroll/tax and human resource management.

(b) Chair

The Chair of the Committee (“Chair”) shall be the Senior Deputy Governor and, if the Senior Deputy Governor is absent or otherwise unable to act as Chair, the Committee shall select another of its members to act as Chair in the absence of the Senior Deputy Governor.

(c) Secretary

The Corporate Secretary or an Assistant Secretary of the Bank, or such other qualified person as may be designated by the Chair, shall act as Secretary to the Committee.

(d) Meetings

The Committee shall establish the date, time and place of its meetings, but shall meet no less frequently than quarterly, and at such other times upon written or verbal notice from the Chair. If the position of Chair is vacant, a member of the Committee may call a special meeting. The Committee may make a decision without holding a meeting by means of a decision unanimously consented to in writing. Members of the Committee may participate in a meeting of the Committee by means of such telephonic, electronic or other communication facilities as permit all persons participating in the meeting to communicate adequately with each other, and a member participating in such a meeting by any such means is deemed to be present at that meeting.

(e) Records

The Committee shall keep minutes of its meetings. The minutes of the Committee meetings shall be duly entered in the books of the Bank. Such books shall remain in the custody of the Corporate Secretary of the Bank.

(f) Quorum

A majority of members of the Committee, of whom not less than two shall be Independent Directors, constitute a quorum for the transaction of business.

(g) Regular Reports to the Board

(i) The Chair shall report to the Board concerning matters within the Committee’s purview at such times as the Board may determine, or as the Chair deems necessary or desirable in order to ensure that information that is material in nature is communicated to the Board in order to allow timely decisions to be made on required Plan governance issues.

(ii) Any report of the Committee to the Board will include the following information as necessary:

- a summary of the activities of the Committee since the last report including a description of any material issues or matters addressed or considered by the Committee, as raised by the Pension Administration Committee and/or the Pension Fund Investment Committee;
- any conflict of interest encountered or reported and its disposition;

- if there has been any change in any third-party providers of pension-related services during the relevant period (other than changes in Investment Managers), including actuaries, auditors, trustees, custodians, pension consultants and outsourcers of pension administration, a report on such change.

3. Board Approvals

As delegate of the Board's responsibilities with respect to the Plans, the Committee shall submit the following matters for approval by the Board:

The Committee may also submit such other policies or recommendations for the Board's review and approval as required elsewhere in these Terms of Reference, the Policy, as may be deemed appropriate by the Committee, or as may be directed by the Board.

4. Standard of Performance

While acting as the delegate of the Bank in its capacity as administrator of the Plans, the Committee shall exercise, in the administration of the Plans and in the administration and investment of the Funds, the degree of care that a person of ordinary prudence would exercise in dealing with the property of another person. The members of the Committee who possess, or by reason of profession or business ought to possess, a particular level of knowledge or skill relevant to the administration of a pension plan or pension fund shall employ that particular level of knowledge or skill in the administration of the Plans and the Funds.

Members of the Committee may rely in good faith on the financial statements of the Plans and the Funds prepared by an accountant, or a written report of the auditor or auditors of the Plans and the Funds that have been represented to the members of the Committee as fairly reflecting the financial condition of the Plans or the Funds, as the case may be. The members of the Committee may rely in good faith on a report of an accountant, an actuary, a lawyer, a notary or other professional person whose profession lends credibility to the report.

5. Compliance with Policies

Members of the Committee shall comply with the *Code of Conduct and Plan-Related Conflict of Interest Policy for Participants* as set out in section 8 of the Policy.

6. Establishment of Subsidiary Committees

The Committee has established the Pension Administration Committee (“PAC”) and the Pension Fund Investment Committee (“PFIC”) as subsidiary committees. The Committee may strike such other committees as it may deem necessary to fulfill its responsibilities. The Committee shall ensure that each subsidiary committee adopts and maintains written terms of reference consistent with these Terms of Reference and shall otherwise monitor the activities of each subsidiary committee.
