## Overview Questions

***Q1 - What are Canada's strengths in providing international assistance through our development, humanitarian, and security and stabilization efforts? How can we best align them with the 2030 Agenda for Sustainable Development?***

***Q2 - Which priorities should guide Canada's development assistance policies? And which international assistance activities should Canada scale back or phase out?***

## International Assistance Review Consultation Form

***Q3 - How can Canada best refocus its international assistance on helping the poorest and most vulnerable, and supporting fragile states? What can we learn from the experience of others in this regard?***

***Q4 - Which organizations, institutions, and partners should Canada work with, and what is the most effective way to do so?***

# International Assistance Review Consultation Form

***Q5 - How can Canada deliver its international assistance most efficiently and effectively, and better measure results?***

## **Rights and Health of Women and Children**

***Q1 - Building on our commitment to a feminist approach and support for the gender equality goal of the 2030 Agenda, where should Canada focus its international assistance efforts in this area? Can Canada take advantage of specific opportunities to demonstrate new or continued leadership on women's empowerment and gender equality?***

## International Assistance Review Consultation Form

***Q2 - How can Canada's efforts to support well-being and empowerment better benefit children and youth, including in the education sector?***

***Q3 - What strategic role can Canada play in advancing health-related SDGs to improve the health of women and girls, including adolescents, in particular their sexual and reproductive health and rights?***

# International Assistance Review Consultation Form

## Clean Economic Growth and Climate Change

*Q1 - Where has Canada added value in promoting clean sustainable economic growth?*

*Q2 - How can Canada support developing countries to mitigate and adapt to climate change?*

## International Assistance Review Consultation Form

**Q3 - Are there niche areas within climate and environment (e.g. water, biodiversity, land use, agriculture, energy) where Canada could further focus its international assistance?**

### Governance, Pluralism, Diversity, and Human Rights

**Q1 - How can Canada best help implement Goal 16 of the 2030 Agenda-to promote peaceful and inclusive societies, provide access to justice for all, and build effective, accountable and inclusive institutions at all levels?**

# International Assistance Review Consultation Form

*Q2 - How can Canada promote inclusion, advance respect for diversity, and uphold human rights?*

*Q3 - In what areas of governance can Canada's international assistance have the most impact?*
