- (a) on the day it commenced where half (1/2) or more of the hours worked fall on that day,

or

- (b) on the day it terminates where more than half (1/2) of the hours worked fall on that day.

Accordingly, the first (1st) day of rest will be considered to start immediately after midnight of the calendar day on which the employee worked or is considered to have worked his last scheduled shift; and the second (2nd) day of rest will start immediately after midnight of the employee’s first (1st) day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

8.12 The standard shift cycle will be scheduled as follows:

- 12 midnight to 8 a.m.

- (b) It is understood that consultation may be held at the local level and will be referred to the appropriate Employer/Institute levels before implementation.
- (c) It is understood by the parties that the provisions of clause 8.12 will not be applicable in respect of employees whose work week is less than thirty-seven decimal five (37.5) hours per week.

8.14 Scheduling of Shifts

The Employer shall set up a shift schedule which shall cover a minimum period of four (4) weeks, posted two (2) weeks in advance, which will cover the normal requirements of the work area.

8.15

- (a) The staffing, preparation, posting and administration of shift schedules are the responsibility of the Employer.
- (b) When a change in the shift schedule is required, the Employer shall make every reasonable effort to notify employees on leave before they return to work.

8.16 Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

8.17 Every reasonable effort shall be made by the Employer to consider the wishes of the majority of employees concerned in the arrangements of shifts within a shift schedule. Consideration shall be given to an employee's request for permanent evening or night duty.

Subsequent shifts worked on the revised schedule shall be paid for at the hourly rate of pay.
- (b) In addition, where an employee reports for work without notice of a change in his shift schedule, the employee shall receive four (4) hours' pay at straight-time, should his service not be required.
- (c) When a change in the shift schedule is required, the Employer shall make every reasonable effort to personally notify employees on leave before they return to work.

8.21 Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours (subparagraph 8.09(e)(i)) shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.

8.22 Within five (5) days of notification of consultation served by either party, the Institute shall notify the Employer in writing of the representative authorized to act on behalf of the Institute for consultation purposes.

Where the employee requests, the Employer shall grant the employee earned but unused vacation leave credits prior to termination of employment if this will enable the employee, for purposes of severance pay, to complete the first (1st) year of continuous employment in the case of lay-off, and the tenth (10th) year of continuous employment in the case of resignation.

15.14 Abandonment

Notwithstanding clause 15.12, an employee whose employment is terminated by reason of a declaration that the employee has abandoned their position is entitled to receive the payment referred to in clause 15.12 if the employee requests it within six (6) months following the date upon which his employment is terminated.

15.15 Recovery on Termination

In the event of the termination of employment for reasons other than death or lay-off the Employer shall recover from any monies owed the employee, an amount equivalent to unearned vacation leave taken by the employee, calculated on the basis of the rate of pay applicable to the employee's classification on the date of termination.

15.16 Appointment to a Separate Agency

Notwithstanding clauses 15.12 and 15.13 an employee who resigns to accept an appointment with an organization as defined in Schedule V of the *Financial Administration Act* may choose not to be paid for unused vacation leave credits, provided that the appointing organization will accept such credits.

15.17 Appointment from a Separate Agency

The Employer agrees to accept the unused vacation leave credits up to a maximum of two hundred and sixty-two decimal five (262.5) hours of an employee who resigns from an organization as defined in Schedule V of the *Financial Administration Act* in order to take a position with the Employer if the transferring employee is eligible and has chosen to have these credits transferred.

15.18

Employees shall be credited a one-time entitlement of thirty-seven decimal five (37.5) hours of vacation leave with pay on the first (1st) day of the month following the employee's second (2nd) anniversary of service, as defined in clause 15.03.

**ARTICLE 16

An employee shall earn sick leave credits at the rate of nine decimal three seven five (9.375) hours for each calendar month for which the employee receives pay for at least seventy-five (75) hours.

16.02 An employee shall be granted sick leave with pay when the employee is unable to perform his duties because of illness or injury provided that:

- (a) the employee satisfies the Employer of this condition in such a manner and at such a time as may be determined by the Employer,

and
- (b) the employee has the necessary sick leave credits.

16.03 Unless otherwise informed by the Employer, a statement signed by the employee stating that because of illness or injury he was unable to perform his duties shall, when delivered to the Employer, be considered as meeting the requirements of paragraph 16.02(a).

16.04 An employee shall not be granted sick leave with pay during any period the employee is under suspension or on leave of absence without pay.

16.05 When an employee is granted sick leave with pay and injury-on-duty leave is subsequently approved for the same period, it shall be considered for the purpose of the record of sick leave credits that the employee was not granted sick leave with pay.

16.06 Where an employee has insufficient or no credits to cover the granting of sick leave with pay under the provision of clause 16.02, sick leave with pay may, at the discretion of the Employer, be granted to an employee for a period of up to one hundred and eighty-seven decimal five (187.5) hours, subject to the deduction of such advanced leave from any sick leave credits subsequently earned and, in the event of termination of employment for other than death or lay-off, the recovery of the advance from any monies owed the employee.

16.07 Sick leave credits earned but unused by an employee during a previous period of employment in the public service shall be restored to an employee whose employment was terminated by reason of lay-off and who is reappointed in the public service within two (2) year from the date of lay-off.

ARTICLE 17

OTHER LEAVE WITH OR WITHOUT PAY

17.01 General

In respect to applications for leave made pursuant to this article, the employee may be required to provide satisfactory validation of the circumstances necessitating such requests.

17.02 Bereavement Leave With Pay

For the purpose of this clause, immediate family is defined as father, mother (or alternatively stepfather, stepmother or foster parent), brother, sister, spouse (including common-law partner resident with the employee), child (including child of common-law partner), grandchild, grandparent, stepchild or ward of the employee, father-in-law, mother-in-law, and any other relative permanently residing in the employee's household or with whom the employee permanently resides.

(a) When a member of the employee's immediate family dies, an employee:

**

- (i) shall be entitled to a single bereavement period of seven (7) consecutive calendar days. Such bereavement period, as determined by the employee, must include the day of the memorial commemorating the deceased or must begin within two (2) days following the death. During such period the employee shall be paid for those days which are not regularly scheduled days of rest;
 - (ii) in addition, the employee may be granted up to three (3) days' leave with pay for the purpose of travel related to the death.
- (b) An employee is entitled to up to one (1) day's bereavement leave with pay for the purpose related to the death of the employee's son-in-law, daughter-in-law, brother-in-law or sister-in-law.
- (c) It is recognized by the parties that the circumstances which call for leave in respect of bereavement are based on individual circumstances. On request, the Deputy Head of a department may, after considering the particular circumstances involved, grant leave with pay for a period greater or in a manner other than that provided for in subparagraph 17.02(a)(i) and (b).
- (d) If, during a period of sick leave or vacation leave, an employee is bereaved in circumstances under which the employee would have been eligible for bereavement leave under this clause, the employee shall be granted bereavement leave and the sick leave or vacation leave credits shall be restored to the extent of any concurrent bereavement leave granted.

17.03 Maternity Leave without Pay

- (a) An employee who becomes pregnant shall, upon request, be granted maternity leave without pay for a period beginning before, on or after the termination date of pregnancy and ending not later than eighteen (18) weeks after the termination date of pregnancy.
- (b) Notwithstanding paragraph (a):
 - (i) where the employee has not yet proceeded on maternity leave without pay and her newborn child is hospitalized,
 - or
 - (ii) where the employee has proceeded on maternity leave without pay and then returns to work for all or part of the period during which her newborn child is hospitalized,

the period of maternity leave without pay defined in paragraph (a) may be extended beyond the date falling eighteen (18) weeks after the date of termination of pregnancy by a period equal to that portion of the period of the child's hospitalization during which the employee was not on maternity leave, to a maximum of eighteen (18) weeks.
- (c) The extension described in paragraph (b) shall end not later than fifty-two (52) weeks after the termination date of pregnancy.
- (d) The Employer may require an employee to submit a medical certificate certifying pregnancy.
- (e) An employee who has not commenced maternity leave without pay may elect to:
 - (i) use earned vacation and compensatory leave credits up to and beyond the date that her pregnancy terminates;
 - (ii) use her sick leave credits up to and beyond the date that her pregnancy terminates, subject to the provisions set out in Article 16, Sick Leave. For purposes of this subparagraph, the terms "illness" or "injury" used in Article 16, Sick Leave, shall include medical disability related to pregnancy.

- (f) An employee shall inform the Employer in writing of her plans for taking leave with and without pay to cover her absence from work due to the pregnancy at least four (4) weeks in advance of the initial date of continuous leave of absence during which termination of pregnancy is expected to occur unless there is a valid reason why the notice cannot be given.
- (g) Leave granted under this clause shall be counted for the calculation of “continuous employment” for the purpose of calculating severance pay and “service” for the purpose of calculating vacation leave. Time spent on such leave shall be counted for pay increment purposes.

17.04 Maternity Allowance

- (a) An employee who has been granted maternity leave without pay shall be paid a maternity allowance in accordance with the terms of the Supplemental Unemployment Benefit (SUB) Plan described in paragraph (c) to (i), provided that she:
 - (i) has completed six (6) months of continuous employment before the commencement of her maternity leave without pay,
 - (ii) provides the Employer with proof that she has applied for and is in receipt of maternity benefits under the Employment Insurance or the Québec Parental Insurance Plan in respect of insurable employment with the Employer,
and
 - (iii) has signed an agreement with the Employer stating that:
 - (A) she will return to work on the expiry date of her maternity leave without pay unless the return to work date is modified by the approval of another form of leave;
 - (B) following her return to work, as described in section (A), she will work for a period equal to the period she was in receipt of the maternity allowance;
 - (C) should she fail to return to work in accordance with section (A), or should she return to work but fail to work for the total period specified in section (B), for reasons

other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in section (B), or having become disabled as defined in the *Public Service Superannuation Act*, she will be indebted to the Employer for an amount determined as follows:

$$\frac{\text{(allowance received)} \quad \times \quad \text{(remaining period to be worked following her return to work)}}{\text{[total period to be worked as specified in (B)]}}$$

however, an employee whose specified period of employment expired and who is rehired in any portion of the Core Public Administration as specified in the *Public Service Labour Relations Act* within a period of ninety (90) days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

- (b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).
- (c) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:
- (i) where an employee is subject to a waiting period of two (2) weeks before receiving Employment Insurance maternity benefits, ninety-three per cent (93%) of her weekly rate of pay and the recruitment and retention "terminable allowance" for each week of the waiting period, less any other monies earned during this period,
- and
- (ii) for each week that the employee receives a maternity benefit under the Employment Insurance or the Québec Parental Insurance Plan, she is eligible to receive the difference between

ninety-three per cent (93%) of her weekly rate of pay and the recruitment and retention “terminable allowance” and the maternity benefit, less any other monies earned during this period which may result in a decrease in her maternity benefit to which she would have been eligible if no extra monies had been earned during this period.

- (d) At the employee’s request, the payment referred to in subparagraph 17.04(c)(i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance or the Québec Parental Insurance maternity benefits.
- (e) The maternity allowance to which an employee is entitled is limited to that provided in paragraph (c) and an employee will not be reimbursed for any amount that she may be required to repay pursuant to the *Employment Insurance Act* or the *Québec Parental Insurance Act* in Québec.
- (f) The weekly rate of pay referred to in paragraph (c) shall be:
 - (i) for a full-time employee, the employee’s weekly rate of pay on the day immediately preceding the commencement of maternity leave without pay,
 - (ii) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in subparagraph (i) by the fraction obtained by dividing the employee’s straight time earnings by the straight time earnings the employee would have earned working full-time during such period.
- (g) The weekly rate of pay referred to in paragraph (f) shall be the rate and the recruitment and retention “terminable allowance” to which the employee is entitled for her substantive level to which she is appointed.

- (h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of maternity leave without pay an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate and the recruitment and retention “terminable allowance” she was being paid on that day.
- (i) Where an employee becomes eligible for a pay increment or pay revision that would increase the maternity allowance, the allowance shall be adjusted accordingly.
- (j) Maternity allowance payments made under the SUB Plan will neither reduce nor increase an employee’s deferred remuneration or severance pay.

17.05 Special Maternity Allowance for Totally Disabled Employees

- (a) An employee who:
 - (i) fails to satisfy the eligibility requirement specified in subparagraph 17.04(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Long-term Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or the *Government Employees Compensation Act* prevents her from receiving Employment Insurance or Québec Parental Insurance maternity benefits,
 - and
 - (ii) has satisfied all of the other eligibility criteria specified in paragraph 17.04(a), other than those specified in sections (A) and (B) of subparagraph 17.04(a)(iii),

shall be paid, in respect of each week of maternity allowance not received for the reason described in subparagraph (i), the difference between ninety-three per cent (93%) of her weekly rate of pay and the recruitment and retention “terminable allowance” and the gross amount of her weekly disability benefit under the DI Plan, the LTD Plan or via the *Government Employees Compensation Act*.

- (b) An employee shall be paid an allowance under this clause and under clause 17.04 for a combined period of no more than the number of weeks during which she would have been eligible for maternity benefits under the Employment Insurance or the Québec Parental Insurance Plan had she not been disqualified from Employment Insurance or Québec Parental Insurance maternity benefits for the reasons described in subparagraph 17.05(a)(i).

- (b) Where an employee commences legal proceedings under the laws of a province to adopt a child or obtains an order under the laws of a province for the adoption of a child, the employee shall, upon request, be granted parental leave without pay for a single period of up to thirty-seven (37) consecutive weeks in the fifty-two week (52) period beginning on the day on which the child comes into the employee's care.

the period of parental leave without pay specified in the original leave request may be extended by a period equal to that portion of the period of

the child's hospitalization during which the employee was not on parental leave. However, the extension shall end not later than one hundred and four (104) weeks after the day on which the child comes into the employee's care.

- (e) An employee who intends to request parental leave without pay shall notify the Employer at least four (4) weeks in advance of the expected date of leave.

- (c) Parental Allowance payments made in accordance with the SUB Plan will consist of the following:

ARTICLE 33
DISPUTE RESOLUTION

33.01 The Employer and the Institute agree it is appropriate to resolve disputes at the level where they occur without necessarily invoking the filing of a grievance, and preferably at the lowest possible level of management with the involvement of an Institute representative. Accordingly, when disputes might arise, the manager and the Institute representative endeavour to foster open co-operation, frank exchanges of views and a quest for innovative solutions.

ARTICLE 34
GRIEVANCE PROCEDURE

34.01 In cases of alleged misinterpretation or misapplication arising out of Agreements concluded by the National Joint Council of the public service on items which may be included in a collective agreement and which the parties to this Agreement have endorsed, the grievance procedure will be in accordance with section 15 of the NJC by-laws.

A policy grievance may be presented by the Institute only at the final step of the grievance procedure, to an authorized representative of the Employer. The

Employer shall inform the Institute of the name, title and address of this representative.

The grievance procedure for a policy grievance by the Employer shall also be composed of a single step, with the grievance presented to an authorized representative of the Institute. The Institute shall inform the Employer of the name, title and address of this representative.

34.05

- (a) For the purposes of this article, a grievor is an employee or, in the case of a group or policy grievance, a steward, Institute staff person or other authorized representative appointed by the Institute.
- (b) No person shall seek by intimidation, by threat of dismissal or by any other kind of threat to cause a grievor to abandon a grievance or refrain from exercising the right to present a grievance, as provided in this Collective Agreement.
- (c) The parties recognize the value of informal discussion between employees and their supervisors and between the Institute and the Employer to the end that problems might be resolved without recourse to a formal grievance. When notice is given that an employee or the Institute, within the time limits prescribed in clause 34.12, wishes to take advantage of this clause, it is agreed that the period between the initial discussion and the final response shall not count as elapsed time for the purpose of grievance time limits.

34.06 A grievor wishing to present a grievance at any prescribed step in the grievance procedure, shall transmit this grievance to the employee's immediate supervisor or local officer-in-charge who shall forthwith:

- (a) forward the grievance to the representative of the Employer authorized to deal with grievances at the appropriate step,
and
- (b) provide the grievor with a receipt stating the date on which the grievance was received.

34.07 A grievance shall not be deemed to be invalid by reason only of the fact that it is not in accordance with the form supplied by the Employer.

34.08 Subject to and as provided for in the *Public Service Labour Relations Act*, a grievor who feels treated unjustly or aggrieved by an action or lack of action by the Employer in matters other than those arising from the classification process is entitled to present a grievance in the manner prescribed in clause 34.06, except that:

- (a) where there is another administrative procedure provided by or under any Act of Parliament to deal with the grievor's specific complaint such procedure must be followed,

and
- (b) where the grievance relates to the interpretation or application of this Collective Agreement or an arbitral award, an employee is not entitled to present the grievance unless he has the approval of and is represented by the Institute.

34.09 There shall be three (3) steps in the grievance procedure. These levels shall be as follows:

- (a) Step 1 - first level of management;
- (b) Step 2 - intermediate level;
- (c) Final Step - Chief Executive or an authorized representative.

This information shall be communicated to employees by means of notices posted by the Employer in places where such notices are most likely to come to the attention of the employees to whom the grievance procedure applies, or otherwise as determined by agreement between the Employer and the Institute.

34.11 An employee who so desires, may be assisted and/or represented by the Institute when presenting a grievance at any step. The Institute shall have the right to consult with the Employer with respect to a grievance at each or any step of the grievance procedure.

34.12 A grievor may present a grievance to the first step of the procedure in the manner prescribed in clause 34.06, not later than the twenty-fifth (25th) day after the date on which the grievor is notified or on which the grievor first becomes aware of the action or circumstances giving rise to the grievance. The Employer may present a policy grievance in the manner prescribed in clause 34.04 not later than the twenty-fifth (25th) day after the date on which the Employer is notified orally or in writing or on which the Employer first becomes aware of the action or circumstances giving rise to the policy grievance.

34.13 A grievor may present a grievance at each succeeding step in the grievance procedure beyond the first step either:

- (a) where the decision or settlement is not satisfactory to the grievor, within ten (10) days after that decision or settlement has been conveyed in writing to the grievor by the Employer,

or

- (b) where the Employer has not conveyed a decision to the grievor within the time prescribed in clause 34.14, within fifteen (15) days after presentation by the grievor of the grievance at the previous step.

34.14 The Employer shall normally reply to a grievance at any step of the grievance procedure, except the final step, within ten (10) days after the grievance is presented, and within twenty (20) days where the grievance is presented at the final step except in the case of a policy grievance, to which the Employer shall normally respond within thirty (30) days. The Institute shall normally reply to a policy grievance presented by the Employer within thirty (30) days.

34.15 Where an employee has been represented by the Institute in the presentation of the employee's grievance, the Employer will provide the appropriate representative of the Institute with a copy of the Employer's decision at each step of the grievance procedure at the same time that the Employer's decision is conveyed to the employee.

34.16 Where a grievance has been presented up to and including the final step in the grievance process, and the grievance is not one that may be referred to adjudication, the decision on the grievance taken at the final step in the grievance process is final and binding and no further action may be taken under the *Public Service Labour Relations Act*.

34.17 In determining the time within which any action is to be taken as prescribed in this procedure, Saturdays, Sundays and designated paid holidays shall be excluded.

34.18 Where the provisions of clause 34.06 cannot be complied with and it is necessary to present a grievance by mail, the grievance shall be deemed to have been presented on the day on which it is postmarked and it shall be deemed to have been received by the Employer on the day it is delivered to the appropriate office of the department or agency concerned. Similarly, the Employer shall be deemed to have delivered a reply at any step on the date on which the letter containing the reply is postmarked, but the time limit within which the grievor may present the grievance at the next higher step shall be calculated from the date on which the Employer's reply was delivered to the address shown on the grievance form.

34.19 The time limits stipulated in this procedure may be extended by mutual agreement between the Employer and the grievor and, where appropriate the Institute representative, except as provided in clause 34.21.

34.20 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular step of authority, any or all the steps except the final step may be eliminated by agreement of the Employer and the grievor, and, where applicable, the Institute.

34.21 Where the Employer demotes or terminates an employee pursuant to paragraph 12(1)(c), (d) or (e) of the *Financial Administration Act*, the grievance procedure set forth in this Agreement shall apply except that:

- (a) the grievance may be presented at the final step only,
and
- (b) the twenty (20) day time limit within which the Employer is to reply at the final step may be extended to a maximum of forty (40) days by mutual agreement of the Employer and the appropriate representative of the Institute.

34.22 A grievor may by written notice to the immediate supervisor or officer-in-charge abandon a grievance.

34.23 Any grievor who fails to present a grievance to the next higher step within the prescribed time limits shall be deemed to have abandoned the grievance unless, due to circumstances beyond the grievor's control, the grievor was unable to comply with the prescribed time limits.

34.24 Where a grievance has been presented up to and including the final step in the grievance procedure with respect to:

- (a) the interpretation or application of a provision of this Collective Agreement or related arbitral award,
or
- (b) termination of employment or demotion pursuant to paragraph 12(1)(c), (d) or (e) of the *Financial Administration Act*,
or
- (c) disciplinary action resulting in suspension or financial penalty,

and the grievance has not been resolved, it may be referred to adjudication in accordance with the provisions of the *Public Service Labour Relations Act* and Regulations.

34.25 Where a grievance that may be presented by an employee to adjudication is a grievance relating to the interpretation or application in respect of the employee of a provision of this Agreement or an arbitral award, the employee is not entitled to refer the grievance to adjudication unless the Institute signifies in prescribed manner:

- (a) its approval of the reference of the grievance to adjudication,
and
- (b) its willingness to represent the employee in the adjudication proceedings.

34.26 Expedited Adjudication

The parties agree that any adjudicable grievance may be referred to the following expedited adjudication process:

reviewed at any time by the parties and the Public Service Labour Relations Board (PSLRB). The framework is set out below.

- (a) At the request of either party, a grievance that has been referred to adjudication may be dealt with through expedited adjudication with the consent of both parties.
- (b) Future cases may be identified for this process by either party, subject to the consent of the parties.
- (c) When the parties agree that a particular grievance will proceed through expedited adjudication, the Institute will submit to the PSLRB the consent form signed by the grievor or the bargaining agent.
- (d) The parties may proceed with or without an agreed statement of facts. When the parties arrive at an agreed statement of facts it will be submitted to the PSLRB or to the adjudicator at least forty-eight (48) hours prior to the start of the hearing.
- (e) No witnesses will testify.
- (f) The adjudicator will be appointed by the PSLRB from among any of the members of the chairperson group, or any of its members who have had at least two (2) years experience as a member of the Board.

- (h) The adjudicator will make an oral determination at the hearing which will be recorded and initialled by the representatives of the parties. This will be confirmed in a written determination to be issued by the adjudicator within five (5) days of the hearing. The parties may, at the request of the adjudicator, vary the above conditions in a particular case.
- (i) The adjudicator's determination will be final and binding on all the parties, but will not constitute a precedent. The parties agree not to refer the determination to the Federal Court.

ARTICLE 44

PENOLOGICAL FACTOR ALLOWANCE

General

44.01 A Penological Factor Allowance shall be payable to incumbents in some positions in the bargaining unit which are in Correctional Services Canada, subject to the following conditions.

44.02 The Penological Factor Allowance is used to provide additional compensation to an incumbent of a position who, by reason of duties being performed in a penitentiary, as defined in the *Corrections and Conditional Release Act* as amended from time to time, assumes additional responsibilities for the custody of inmates other than those exercised by the Correctional Group.

44.03 The payment of the allowance for the Penological Factor is determined by the designated security level of the penitentiary as determined by the Correctional Services Canada. For those institutions with more than one (1) designated security level (i.e. multi-level institutions), the PFA shall be determined by the highest security level of the institution.

Amount of PFA

44.04

Penological Factor (X)		
Designated Security level of the Penitentiary		
Maximum	Medium	Minimum
\$2,000	\$1,000	\$600

Application of PFA

44.05 Penological Factor Allowance shall only be payable to the incumbent of a position on the establishment of, or loaned to, Correctional Staff Colleges, Regional Headquarters, and National Headquarters, when the conditions described in clause 44.02 above are applicable.

44.06 The applicability of PFA to a position and the position’s degree of PFA entitlement, shall be determined by the Employer following consultation with the Institute.

44.07 Except as prescribed in clause 44.09 below, an employee shall be entitled to receive PFA for any month in which he receives a minimum of ten (10) days pay in a position(s) to which PFA applies.

44.08 Except as provided in clause 44.09 below, PFA shall be adjusted when the incumbent of a position to which PFA applies, is appointed or assigned duties in another position to which a different level of PFA applies, regardless of whether such appointment or assignment is temporary or permanent, and for each month in which an employee performs duties in more than one position to which PFA applies, the employee shall receive the higher allowance, provided he has performed duties for at least seventy-five (75) hours as the incumbent of the position to which the higher allowance applies.

44.09 When the incumbent of a position to which PFA applies, is temporarily assigned a position to which a different level of PFA, or no PFA, applies, and when the employee's basic monthly pay entitlement in the position to which he is temporarily assigned, plus PFA, if applicable, would be less than his basic monthly pay entitlement plus PFA in his regular position, the employee shall receive the PFA applicable to his regular position.

44.10 An employee will be entitled to receive PFA, in accordance with the PFA applicable to his regular position:

- (a) during any period of paid leave up to a maximum of sixty (60) consecutive calendar days,

or

- (b) during the full period of paid leave where an employee is granted injury-on-duty leave with pay because of an injury resulting from an act of violence from one or more inmates.

44.11 PFA shall not form part of an employee's salary except for the purposes of the following benefit plans:

Public Service Superannuation Act
Public Service Disability Insurance Plan
Canada Pension Plan
Quebec Pension Plan
Employment Insurance
Government Employees Compensation Act
Flying Accident Compensation Regulations

44.12 If, in any month, an employee is disabled or dies prior to establishing an entitlement to PFA, the PFA benefits accruing to the employee or the employee's estate shall be determined in accordance with the PFA entitlement for the month preceding such disablement or death.

ARTICLE 45

PAY

45.01 Except as provided in clauses 45.01 to 45.10 inclusive, and the Notes to Appendix "A" of this Agreement, the terms and conditions governing the application of pay to employees are not affected by this Agreement.

45.02 An employee is entitled to be paid for services rendered at:

(a) the pay specified in Appendix “A” for the classification of the position to which the employee is appointed, if the classification coincides with that prescribed in his certificate of appointment,

or

(b) the pay specified in Appendix “A” for the classification prescribed in his certificate of appointment, if that classification and the classification of the position to which the employee is appointed do not coincide.

45.03 The rates of pay set forth in Appendix “A” shall become effective on the date specified therein.

45.04 Only rates of pay and compensation for overtime which has been paid to an employee during the retroactive period will be recomputed and the difference between the amount paid on the old rates of pay and the amount payable on the new rates of pay will be paid to the employee.

45.05 Pay Administration

When two (2) or more of the following actions occur on the same date, namely appointment, pay increment, pay revision, the employee’s rate of pay shall be calculated in the following sequence:

(a) the employee shall receive their pay increment;

(b) the employee’s rate of pay shall be revised;

(c) the employee’s rate of pay on appointment shall be established in accordance with this Agreement.

45.06 Rates of Pay

(a) The rates of pay set forth in Appendix “A” shall become effective on the dates specified.

(b) Where the rates of pay set forth in Appendix “A” have an effective date prior to the date of signing of this Agreement, the following shall apply:

- (i) “retroactive period” for the purpose of subparagraphs (ii) to (v) means the period from the effective date of the revision up to and including the day before the collective agreement is signed or when an arbitral award is rendered therefor;
- (ii) a retroactive upward revision in rates of pay shall apply to employees, former employees or in the case of death, the estates of former employees who were employees in the groups identified in Article 25 of this Agreement during the retroactive period;
- (iii) for initial appointments made during the retroactive period, the rate of pay selected in the revised rates of pay is the rate which is shown immediately below the rate of pay being received prior to the revision;

**

- (iv) for promotions, demotions, deployments, transfers or acting situations effective during the retroactive period, the rate of pay shall be recalculated, in accordance with the Directive on Terms and Conditions of Employment, using the revised rates of pay. If the recalculated rate of pay is less than the rate of pay the employee was previously receiving, the revised rate of pay shall be the rate, which is nearest to, but not less than the rate of pay being received prior to the revision. However, where the recalculated rate is at a lower step in the range, the new rate shall be the rate of pay shown immediately below the rate of pay being received prior to the revision;
- (v) no payment or no notification shall be made pursuant to paragraph 45.06(b) for one dollar (\$1.00) or less.

45.07 This article is subject to the Memorandum of Understanding signed by the Employer and the Professional Institute of the Public Service of Canada dated 21 July 1982 in respect of red-circled employees.

45.08 Overpayment

Should there be an error made in pay calculations resulting in an overpayment, the employee shall be notified beforehand in writing of the requirement for repayment to the employer and the intended repayment schedule. The employer

will discuss the proposed schedule with the employee prior to putting it into effect.

45.09 Acting Pay

- (a) When an employee is required by the Employer to substantially perform the duties of a higher classification level on an acting basis for the number of consecutive working days indicated in (i) or (ii), the employee shall be paid acting pay calculated from the date on which the employee commenced to act as if the employee had been appointed to that higher classification level for the period in which the employee acts.
 - (i) two (2) working days: ND-DIT and OP level 1, and NU-CHN and NU-HOS levels 1-4;
 - (ii) four (4) working days: all other employees.
- (b) When a day designated as a paid holiday occurs during the qualifying period, the holiday shall be considered as a day worked for the purpose of the qualifying period.

45.10 New Classification Standard

If, during the term of this Agreement, a new classification standard is established and implemented by the Employer, the Employer shall, before applying rates of pay to new levels resulting from the application of the standard, negotiate with the Institute the rates of pay and the rules affecting the pay of employees on their movement to the new levels.

ARTICLE 46

VARIATION IN HOURS OF WORK

46.01 Principle

The following conditions shall apply to employees to whom the provisions of clause 8.06 (Compressed Work Week) and subparagraph 8.09(e)(i) (shift longer than seven decimal five (7.5) hours) of Article 8 apply.

It is agreed that the implementation of any variation in hours shall not result under any circumstances in any additional expenditure or cost by reason of such variation.

Before changing the hours of work approved under article 8.09(e)(i), the employer shall consult with the Institute. Such consultation shall be held no later than two (2) months prior to the modification of the hours of work agreed to under article 8.09(e)(i).

During the consultation, the employer shall provide the union with the relevant information (such as statistics and rationale) in support of the proposed change.

46.02 General Application

(a) Conversion to Hours

(i) The provisions of the collective agreement which specify days shall be converted to hours based on a seven decimal five (7.5) hour day as follows:

- five-twelfths (5/12) day = 3.125 hours
- one (1) day = 7.500 hours
- one and one-quarter (1 1/4) days = 9.375 hours
- one and two-thirds (1 2/3) days = 12.500 hours
- one and eleven-twelfth (1 11/12) days = 14.375 hours
- two and one-twelfth (2 1/12) days = 15.625 hours
- two and one half (2 1/2) days = 18.750 hours

(ii) Notwithstanding the above, in clause 17.02, Bereavement Leave with Pay, and Article 34, Grievance Procedure, a day will have the same meaning as the provisions of the collective agreement.

(b) Implementation and Termination

Effective the date on which clause 8.06 and paragraph 8.09(c) of Article 8, Hours of Work and Shift Work, apply or cease to apply to an employee, the accrued vacation and sick leave credits shall be converted to days or hours, as applicable.

(c) Leave - Usage

When leave is granted, it will be granted on an hourly basis with the hours debited for each day of leave being the same as the hours the employee would normally have been scheduled to work on that day.

46.03 Specific Applications

(i) Overtime compensation shall only be applicable on a normal work day for hours in excess of the employee’s scheduled daily hours of work.

General

Application

This Appendix applies to all employees.

Unless explicitly specified, the provisions contained in Parts I to VI do not apply to alternative delivery initiatives.

Collective agreement

With the exception of those provisions for which the Public Service Commission (PSC) is responsible, this Appendix is part of this Collective Agreement.

Objectives

It is the policy of the Treasury Board to maximise employment opportunities for indeterminate employees affected by workforce adjustment situations, primarily through ensuring that, wherever possible, alternative employment opportunities are provided to them. This should not be construed as the continuation of a specific position or job but rather as continued employment.

To this end, every indeterminate employee whose services will no longer be required because of a workforce adjustment situation and for whom the deputy head knows or can predict employment availability will receive a guarantee of a reasonable job offer within the Core Public Administration. Those employees for whom the deputy head cannot provide the guarantee will have access to transitional employment arrangements (as per Part VI and VII).

Definitions

Accelerated lay-off (*mise en disponibilité accélérée*) - occurs when a surplus employee makes a request to the deputy head, in writing, to be laid off at an earlier date than that originally scheduled, and the deputy head concurs. Lay-off entitlements begin on the actual date of lay-off.

Affected employee (*employé touché*) - is an indeterminate employee who has been informed in writing that his or her services may no longer be required because of a workforce adjustment situation.

Alternation (*échange de postes*) - occurs when an opting employee (not a surplus employee) who wishes to remain in the Core Public Administration exchanges positions with a non-affected employee (the alternate) willing to leave the Core Public Administration with a Transition Support Measure or with an Education Allowance.

Alternative delivery initiative (*diversification des modes de prestation des services*) - is the transfer of any work, undertaking or business of the Core Public Administration to any body or corporation that is a separate agency or that is outside the Core Public Administration.

Appointing department or organization (*ministère ou organization d'accueil*) - is a department or organization or agency which has agreed to appoint or consider for appointment (either immediately or after retraining) a surplus or a laid-off person.

Core Public Administration (*Administration publique centrale*) - means that part in or under any department or organization, or other portion of the federal public administration specified in Schedules I and IV to the *Financial Administration Act* (FAA) for which the PSC has the sole authority to appoint.

Deputy head (*administrateur général*) - has the same meaning as in the definition of Deputy Head set out in section 2 of the *Public Service Employment Act*, and also means his or her official designate.

Education Allowance (*indemnité d'étude*) - is one of the options provided to an indeterminate employee affected by normal workforce adjustment for whom the deputy head cannot guarantee a reasonable job offer. The Education Allowance is a cash payment, equal to the Transitional Support Measure (see Annex "B"), plus a reimbursement of tuition from a recognized learning institution, book and mandatory equipment costs, up to a maximum of ten thousand dollars (\$10,000.00).

Guarantee of a reasonable job offer (*garantie d'une offre d'emploi raisonnable*) - is a guarantee of an offer of indeterminate employment within the Core Public Administration provided by the deputy head to an indeterminate employee who is affected by workforce adjustment. Deputy heads will be expected to provide a guarantee of a reasonable job offer to those affected employees for whom they know or can predict employment availability in the Core Public Administration. Surplus employees in receipt of this guarantee will not have access to the options available in Part VI of this Appendix.

Home department or organization (*ministère ou organisation d'attache*) - is a department or organization or agency declaring an individual employee surplus.

Laid off person (*personne mise en disponibilité*) - is a person who has been laid off pursuant to subsection 64(1) of the PSEA, who still retains a reappointment priority under subsection 41(4) and section 64 of the PSEA.

Lay-off notice (*avis de mise en disponibilité*) - is a written notice of lay-off to be given to a surplus employee at least one (1) month before the scheduled lay-off date. This period is included in the surplus period.

Lay-off priority (*priorité de mise en disponibilité*) - a person who has been laid off is entitled to a priority, in accordance with subsection 41(5) of the PSEA with respect to any position to which the Public Service Commission (PSC) is satisfied that the person meets the essential qualifications; the period of entitlement to this priority is one (1) year as set out in Section 11 of the Public Service Employment Regulations (PSER).

Opting employee (*employé optant*) - is an indeterminate employee whose services will no longer be required because of a workforce adjustment situation and who has not received a guarantee of a reasonable job offer from the deputy head and who has one hundred and twenty (120) days to consider the options of Part 6.3 of this Appendix.

Pay (*rémunération*) - has the same meaning as *rate of pay* in the employee's collective agreement.

Priority Information Management System (*système de gestion de l'information sur les priorités*) - is a system designed by the PSC to facilitate appointments of individuals entitled to statutory and regulatory priorities.

Reasonable job offer (*offre d'emploi raisonnable*) - is an offer of indeterminate employment within the Core Public Administration, normally at an equal level but could include lower levels. Surplus employees must be both trainable and mobile. Where possible, the search for a reasonable job offer will be conducted as follows: 1) within the employee's headquarters as defined in the Travel Directive; 2) within forty kilometres (40 km) of the employee's place of work or of the employee's residence whichever will ensure continued employment; and 3) beyond forty kilometres (40 km). In Alternative Delivery situations, a reasonable offer is one that meets the criteria set out in type 1 and 2 of Part VII of this appendix. A reasonable job offer is also an offer from a FAA Schedule V employer, providing that:

- (a) The appointment is at a rate of pay and an attainable salary maximum not less than the employee's current salary and attainable maximum that would be in effect on the date of offer.
- (b) It is a seamless transfer of all employee benefits including a recognition of years of service for the definition of continuous employment and accrual of benefits, including the transfer of sick leave credits, severance pay and accumulated vacation leave credits.

Reinstatement priority (*priorité de réintégration*) - is an appointment priority accorded by the PSC, pursuant to the Public Service Employment Regulations, to certain individuals salary-protected under this Appendix for the purpose of assisting such persons to re-attain an appointment level equal to that from which they were declared surplus.

Relocation (*réinstallation*) - is the authorized geographic move of a surplus employee or laid-off person from one place of duty to another place of duty, beyond what, according to local custom, is a normal commuting distance.

Relocation of work unit (*réinstallation d'une unité de travail*) - is the authorized move of a work unit of any size to a place of duty beyond what, according to local custom, is normal commuting distance from the former work location and from the employee's current residence.

Retraining (*recyclage*) - is on-the-job training or other training intended to enable affected employees, surplus employees and laid-off persons to qualify for known or anticipated vacancies within the Core Public Administration.

Surplus employee (*employé excédentaire*) - is an indeterminate employee who has been formally declared surplus, in writing, by his or her deputy head.

Surplus priority (*priorité d'employé excédentaire*) - is an entitlement for a priority in appointment accorded in accordance with section 5 of the PSER and pursuant to section 40 of the PSEA; this entitlement is provided to surplus employees to be appointed in priority to another position in the federal public administration for which they meet the essential requirements.

Surplus status (*statut d'employé excédentaire*) - An indeterminate employee is in surplus status from the date he or she is declared surplus until the date of lay-off, until he or she is indeterminately appointed to another position, until his or her surplus status is rescinded, or until the person resigns.

Transition Support Measure (*mesure de soutien à la transition*) - is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer. The Transition Support Measure is a cash payment based on the employee's years of service in the Core Public Administration, as per Annex "B".

Twelve (12)-month surplus priority period in which to secure a reasonable job offer (*Priorité d'employé excédentaire d'une durée de douze (12) mois pour trouver une offre d'emploi raisonnable*) - is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer.

Workforce adjustment (*réaménagement des effectifs*) - is a situation that occurs when a deputy head decides that the services of one or more indeterminate employees will no longer be required beyond a specified date because of a lack of work, the discontinuance of a function, a relocation in which the employee does not wish to relocate or an alternative delivery initiative.

Authorities

The PSC has endorsed those portions of this Appendix for which it has responsibility.

Monitoring

Departments or Organizations shall retain central information on all cases occurring under this Appendix, including the reasons for the action; the number, occupational groups and levels of employees concerned; the dates of notice given; the number of employees placed without retraining; the number of employees retrained (including number of salary months used in such training); the levels of positions to which employees are appointed and the cost of any salary protection; and the number, types, and amounts of lump sums paid to employees.

This information will be used by the Treasury Board Secretariat to carry out its periodic audits.

Part I

Roles and responsibilities

1.1 Departments or Organizations

1.1.1 Since indeterminate employees who are affected by workforce adjustment situations are not themselves responsible for such situations, it is the responsibility of departments or organizations to ensure that they are treated equitably and, given every reasonable opportunity to continue their careers as public service employees.

1.1.2 Departments or Organizations shall carry out effective human resource planning to minimise the impact of workforce adjustment situations on indeterminate employees, on the department or organization, and on the public service.

1.1.3 Departments and Organizations shall establish workforce adjustment committees, where appropriate, to manage the workforce adjustment situations within the department or organization, and they shall notify PIPSC of the responsible officers who will administer this Appendix.

1.1.4 Departments or Organizations shall, as the home department or organization, cooperate with the PSC and appointing departments or organizations in joint efforts to redeploy departmental or organizational surplus employees and laid-off persons.

1.1.5 Departments or Organizations shall establish systems to facilitate redeployment or retraining of the department's or organization's affected employees, surplus employees, and laid-off persons.

1.1.6 When a deputy head determines that the services of an employee are no longer required beyond a specified date due to lack of work or discontinuance of a function, the deputy head shall advise the employee, in writing, that his or her services will no longer be required. A copy of this letter shall be sent forthwith to the President of PIPSC.

Such a communication shall also indicate if the employee:

- (a) is being provided a guarantee of a reasonable job offer from the deputy head and that the employee will be in surplus status from that date on,

or
- (b) is an opting employee and has access to the options of Section 6.3 of this Appendix because the employee is not in receipt of a guarantee of a reasonable job offer from the deputy head.

Where applicable, the communication should also provide the information relative to the employee's possible lay-off date.

1.1.7 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those employees subject to workforce adjustment for whom they know or can predict employment availability in the Core Public Administration.

1.1.8 Where a deputy head cannot provide a guarantee of a reasonable job offer, the deputy head will provide one hundred and twenty (120) days to consider the three (3) options outlined in Part VI of this Appendix to all opting employees before a decision is required of them. If the employee fails to select an option, the employee will be deemed to have selected option (a), Twelve (12)-month surplus priority period in which to secure a reasonable job offer.

1.1.9 The deputy head shall make a determination to either provide a guarantee of a reasonable job offer or access to the options set out in 6.3 of this Appendix, upon request of any indeterminate affected employee who can demonstrate that his or her duties have already ceased to exist.

1.1.10 Departments or Organizations shall send written notice to the PSC of the employee's surplus status, and shall send to the PSC such details, forms, resumes, and other material as the PSC may from time to time prescribe as necessary for it to discharge its function.

1.1.11 The home department or organization shall provide the PSC with a written statement that it would be prepared to appoint the surplus employee to a suitable position in the department or organization commensurate with his/her qualifications, if such a position were available.

1.1.12 Departments or Organizations shall advise the President of PIPSC and consult with PIPSC representatives as completely as possible regarding any workforce adjustment situation as soon as possible after the decision has been made and throughout the process. When the affected employees are identified, the departments or organizations will forward the name, work location, phone number, email address and mailing address of affected employees as per the departmental or organizational employee database of those employees to the President of PIPSC.

1.1.13 Departments or Organizations shall provide that employee with the official notification that he or she has become subject to a workforce adjustment and shall remind the employee that the Appendix on WorkForce Adjustment of this Collective Agreement applies.

1.1.14 Deputy heads shall apply this Appendix so as to keep actual involuntary lay-offs to a minimum, and lay-offs shall normally only occur where an individual has refused a reasonable job offer, or is not mobile, or cannot be retrained within two (2) years, or is laid-off at his or her own request.

1.1.15 Departments or Organizations are responsible to counsel and advise their affected employees on their opportunities of finding continuing employment in the public service and shall, to the extent possible, help market surplus employees and laid off persons to other departments or organizations unless the individuals have advised the department or organization in writing that they are not available for appointment.

1.1.16 Appointment of surplus employees to alternative positions, whether with or without retraining, shall normally be at a level equivalent to that previously held by the employee, but this does not preclude appointment to a lower level. Departments or Organizations shall avoid appointment to a lower level except where all other avenues have been exhausted.

1.1.17 Home departments or organizations shall appoint as many of their own surplus employees or laid-off persons as possible, or identify alternative positions (both actual and anticipated) for which individuals can be retrained.

1.1.18 Home departments or organizations shall relocate surplus employees and laid-off individuals, if necessary.

1.1.19 Relocation of surplus employees or laid-off persons shall be undertaken when the individuals indicate that they are willing to relocate and relocation will enable their redeployment or reappointment, providing that:

- (a) there are no available priority persons, or priority persons with a higher priority, qualified and interested in the position being filled;
- or
- (b) no available local surplus employees or laid-off persons who are interested and who could qualify with retraining.

1.1.20 The cost of travelling to interviews for possible appointments and of relocation to the new location shall be borne by the employee's home department or organization. Such cost shall be consistent with the Travel and NJC Integrated Relocation directives.

1.1.21 For the purposes of the NJC Integrated Relocation directive, surplus employees and laid-off persons who relocate under this Appendix shall be deemed to be employees on employer-requested relocations. The general rule on minimum distances for relocation applies.

1.1.22 For the purposes of the Travel directive, laid-off persons travelling to interviews for possible reappointment to Core Public Administration are deemed to be a "traveller" as defined in the Travel Directive.

1.1.23 For the surplus and/or lay-off priority periods, home departments or organizations shall pay the salary, salary protection and/or termination costs as well as other authorized costs such as tuition, travel, relocation, and retraining as provided for in the various collective agreements and directives. The appointing department or organization may agree to absorb all or part of these costs.

1.1.24 Where a surplus employee is appointed by another department or organization to a term position, the home department or organization is responsible for the costs above for one year from the date of such appointment, unless the home and appointing departments or organizations agree to a longer period, after which the appointing department or organization becomes the new home department or organization consistent with PSC authorities.

1.1.25 Departments or Organizations shall protect the indeterminate status and surplus priority of a surplus indeterminate employee appointed to a term position under this Appendix.

1.1.26 Departments or Organizations shall inform the PSC in a timely fashion, and in a method directed by the PSC, of the results of all referrals made to them under this Appendix.

1.1.27 Departments or Organizations shall review the use of private temporary agency personnel, contractors, consultants, employees appointed for a specified period (terms) and all other non-indeterminate employees. Where practicable, departments or organizations shall not re-engage such temporary agency personnel, contractors, consultants nor renew the employment of such employees referred to above where such action would facilitate the appointment of surplus employees or laid-off persons.

1.1.28 Nothing in the foregoing shall restrict the employer's right to engage or appoint persons to meet short-term, non-recurring requirements. Surplus and laid-off persons shall be given priority even for these short-term work opportunities.

1.1.29 Departments or Organizations may lay off an employee at a date earlier than originally scheduled when the surplus employee requests them to do so in writing.

1.1.30 Departments or Organizations, acting as appointing departments or organizations, shall cooperate with the PSC and other departments or organizations in accepting, to the extent possible, affected, surplus and laid-off persons, from other departments or organizations for appointment or retraining.

1.1.31 Departments or Organizations shall provide surplus employees with a lay-off notice at least one month before the proposed lay-off date, if appointment efforts have been unsuccessful.

1.1.32 When a surplus employee refuses a reasonable job offer, he or she shall be subject to lay-off one month after the refusal, however not before six (6) months after the surplus declaration date. The provisions of 1.3.3 shall continue to apply.

1.1.33 Departments or Organizations are to presume that each employee wishes to be redeployed unless the employee indicates the contrary in writing.

1.1.34 Departments or Organizations shall inform and counsel affected and surplus employees as early and as completely as possible and shall, in addition, assign a counsellor to each opting and surplus employee and laid-off person to work with them throughout the process. Such counselling is to include explanations and assistance concerning:

- (a) the workforce adjustment situation and its effect on that individual;
- (b) the workforce adjustment Appendix;

- (c) the PSC's Priority Information Management System and how it works from the employee's perspective;
 - (d) preparation of a curriculum vitae or resume;
 - (e) the employee's rights and obligations;
 - (f) the employee's current situation (e.g. pay, benefits such as severance pay and superannuation, classification, language rights, years of service);
 - (g) alternatives that might be available to the employee (alternation, appointment, relocation, retraining, lower-level employment, term employment, retirement including possibility of waiver of penalty if entitled to an annual allowance, Transition Support Measure, Education Allowance, resignation, accelerated lay-off);
 - (h) the likelihood that the employee will be successfully appointed;
 - (i) the meaning of a guarantee of reasonable job offer, a Twelve-month surplus priority period in which to secure a reasonable job offer, a Transition Support Measure, an Education Allowance;
 - (j) the Human Resources Centres and their services (including a recommendation that the employee register with the nearest office as soon as possible);
 - (k) preparation for interviews with prospective employers;
 - (l) repeat counselling as long as the individual is entitled to a staffing priority and has not been appointed;
- and
- (m) advising the employee that refusal of a reasonable job offer will jeopardize both chances for retraining and overall employment continuity.

1.1.35 Home departments or organizations shall ensure that, when it is required to facilitate appointment, a retraining plan is prepared and agreed to in writing by themselves, the employee and the appointing department or organization.

1.1.36 Severance pay and other benefits flowing from other clauses in this Collective Agreement are separate from, and in addition to, those in this Appendix.

1.1.37 Any surplus employee who resigns under this Appendix shall be deemed, for the purposes of severance pay and retroactive remuneration, to be involuntarily laid off on the day as of which the deputy head accepts in writing the employee's resignation.

1.1.38 The department or organization will review the status of each affected employee annually, or earlier, from the date of initial notification of affected status and determine whether the employee will remain on affected status or not.

1.1.39 The department or organization will notify the affected employee, in writing, within five (5) working days of the decision pursuant to subsection 1.1.38.

1.2 The Treasury Board Secretariat

1.2.1 It is the responsibility of the Treasury Board Secretariat to:

- (a) investigate and seek to resolve situations referred by the PSC or other parties,
- (b) consider departmental or organizational requests for retraining resources,
and
- (c) ensure that departments or organizations are provided to the extent possible with information on occupations for which there are skill shortages.

1.3 The Public Service Commission

1.3.1 Within the context of workforce adjustment, and the Public Service Commission's (PSC) governing legislation, it is the responsibility of the PSC to:

- (a) ensure that priority entitlements are respected;
- (b) ensure that a means exists for priority persons to be assessed against vacant positions and appointed if found qualified against the essential qualifications of the position;
and
- (c) ensure that priority persons are provided with information on their priority entitlements.

1.3.2 The PSC is further willing, in accordance with the *Privacy Act*, to:

- (a) provide the Treasury Board Secretariat with information related to the administration of priority entitlements which may reflect on departments' or organizations' level of compliance with this directive,

and;
- (b) provide information to the bargaining agents on the numbers and status of their members in the Priority Information Management System, as well as information on the overall system.

1.3.3 The PSC's roles and responsibilities flow from its governing legislation, not the collective agreement. As such, any changes made to these roles/responsibilities must be agreed upon by the Commission. For greater detail on the PSC's role in administering surplus and lay-off priority entitlements, refer to Annex C of this document.

1.4 Employees

1.4.1 Employees have the right to be represented by PIPSC in the application of this Appendix.

1.4.2 Employees who are directly affected by workforce adjustment situations and who receive a guarantee of a reasonable job offer, or who opt, or are deemed to have opted, for option (a) of Part VI of this Appendix are responsible for:

- (a) actively seeking alternative employment in co-operation with their departments or organizations and the PSC, unless they have advised the department or organization and the PSC, in writing, that they are not available for appointment;
- (b) seeking information about their entitlements and obligations;
- (c) providing timely information to the home department or organization and to the PSC to assist them in their appointment activities (including curriculum vitae or resumes);
- (d) ensuring that they can be easily contacted by the PSC and appointing departments or organizations, and attending appointments related to referrals;

- (e) seriously considering job opportunities presented to them (referrals within the home department or organization, referrals from the PSC, and job offers made by departments or organizations, including retraining and relocation possibilities, specified period appointments and lower-level appointments.

1.4.3 Opting employees are responsible for:

- (a) considering the options of Part VI of this Appendix;
- (b) communicating their choice of options, in writing, to their manager no later than one hundred and twenty (120) days after being declared opting.

Part II

Official notification

2.1 Department or Organization

2.1.1 As already mentioned in section 1.1.12, departments or organizations shall advise and consult with the bargaining agent representatives as completely as possible regarding any workforce adjustment situation as soon as possible after the decision has been made and throughout the process and will make available to the bargaining agent and to the President of PIPSC the name, work location, phone number, email address and mailing address of affected employees as per the departmental or organizational employee database of those employees.

2.1.2 In any workforce adjustment situation which is likely to involve six or more indeterminate employees covered by this Appendix, the department or organization concerned shall notify the Assistant Secretary (or delegate), Labour Relations and Compensation Operations, Treasury Board Secretariat, in confidence, at the earliest possible date and under no circumstances less than four (4) working days before the situation is announced.

2.1.3 Prior to notifying any potentially affected employee, departments or organizations shall also notify the Chief Executive Officer of each bargaining agent that has members involved. Such notification is to be in writing, in confidence and at the earliest possible date and under no circumstances less than two (2) working days before any employee is notified of the workforce adjustment situation. This information is to include the identity and location of the work unit(s) involved; the expected date of the announcement; the anticipated

timing of the situation; and the numbers of employees, by group and level, who will be affected.

Part III

Relocation of a work unit

3.1 General

3.1.1 In cases where a work unit is to be relocated, department(s) or organization(s) shall provide all employees whose positions are to be relocated with written notice of the opportunity to choose whether they wish to move with the position or be treated as if they were subject to a workforce adjustment situation.

3.1.2 Following written notification, employees must indicate, within a period of six (6) months, their intention to move. If the employee's intention is not to move with the relocated position, the Deputy head, after having considered relevant factors, can either provide the employee with a guarantee of a reasonable job offer or access to the options set out in section 6.3 of this Appendix.

3.1.3 Employees relocating with their work units shall be treated in accordance with the provisions of 1.1.18 to 1.1.22.

3.1.4 Although departments or organizations will endeavour to respect employee location preferences, nothing precludes the department or organization from offering the relocated position to employees in receipt of a guarantee of a reasonable job offer from their deputy heads, after having spent as much time as operations permit looking for a reasonable job offer in the employee's location preference area.

3.1.5 Employees who are not in receipt of a guarantee of a reasonable job offer shall become opting employees and have access to the options set out in Part VI of this Appendix.

Part IV

Retraining

4.1 General

4.1.1 To facilitate the redeployment of affected employees, surplus employees, and laid-off persons, departments or organizations shall make every reasonable effort to retrain such persons for:

- (a) existing vacancies,
- or
- (b) anticipated vacancies identified by management.

4.1.2 It is the responsibility of the employee, the home department or organization and the appointing department or organization to identify retraining opportunities pursuant to subsection 4.1.1.

4.1.3 Subject to the provisions of 4.1.2, the deputy head of the home department or organization shall approve up to two (2) years of retraining.

4.2 Surplus employees

4.2.1 A surplus employee is eligible for retraining providing:

- (a) retraining is needed to facilitate the appointment of the individual to a specific vacant position or will enable the individual to qualify for anticipated vacancies in occupations or locations where there is a shortage of qualified candidates;
- and
- (b) there are no other available priority persons who qualify for a specific vacant position as referenced in (a) above.

4.2.2 The home department or organization is responsible for ensuring that an appropriate retraining plan is prepared and is agreed to in writing by the employee and the delegated officers of the home and appointing departments or organizations.

4.2.3 Once a retraining plan has been initiated, its continuation and completion are subject to satisfactory performance by the employee.

4.2.4 While on retraining, a surplus employee continues to be employed by the home department or organization and is entitled to be paid in accordance with his or her current appointment, unless the appointing department or organization is willing to appoint the employee indeterminately, conditional on successful completion of retraining, in which case the retraining plan shall be included in the letter of offer.

4.2.5 When a retraining plan has been approved and the surplus employee continues to be employed by the home department or organization, the proposed lay-off date shall be extended to the end of the retraining period, subject to 4.2.3.

4.2.6 An employee unsuccessful in retraining may be laid off at the end of the surplus period, provided that the employer has been unsuccessful in making the employee a reasonable job offer.

4.2.7 In addition to all other rights and benefits granted pursuant to this section, an employee who is guaranteed a reasonable job offer, is also guaranteed, subject to the employee's willingness to relocate, training to prepare the surplus employee for appointment to a position pursuant to section 4.1.1, such training to continue for one year or until the date of appointment to another position, whichever comes first. Appointment to this position is subject to successful completion of the training.

4.3 Laid-off persons

4.3.1 A laid-off person shall be eligible for retraining providing:

- (a) retraining is needed to facilitate the appointment of the individual to a specific vacant position;
- (b) the individual meets the minimum requirements set out in the relevant Selection Standard for appointment to the group concerned;

and

- (c) there are no other available persons with a priority who qualify for the position.

4.3.2 When an individual is offered an appointment conditional on successful completion of retraining, a retraining plan shall be included in the letter of offer. If the individual accepts the conditional offer, he or she will be appointed on an indeterminate basis to the full level of the position after having successfully completed training and being assessed as qualified for the position. When an individual accepts an appointment to a position with a lower maximum rate of pay than the position from which he or she was laid-off, the employee will be salary protected in accordance with Part V.

Part V

Salary protection

5.1 Lower-level position

5.1.1 Surplus employees and laid-off persons appointed to a lower-level position under this Appendix shall have their salary and pay equity equalization payments, if any, protected in accordance with the salary protection provisions of this Collective Agreement, or, in the absence of such provisions, the appropriate provisions of the Regulations Respecting Pay on Reclassification or Conversion.

5.1.2 Employees whose salary is protected pursuant to section 5.1.1 will continue to benefit from salary protection until such time as they are appointed or deployed into a position with a maximum rate of pay that is equal to or higher than the maximum rate of pay of the position from which they were declared surplus or laid off.

Part VI

Options for employees

6.1 General

6.1.1 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those affected employees for whom they know or can predict employment availability. A deputy head who cannot provide such a guarantee shall provide his or her reasons in writing, if requested by the employee. Affected Employees in receipt of this guarantee would not have access to the choice of options below.

6.1.2 Employees who are not in receipt of a guarantee of a reasonable job offer from their deputy head have one hundred and twenty (120) days to consider the three (3) Options below before a decision is required of them.

6.1.3 The opting employee must choose, in writing, one of the three options of section 6.3 of this Appendix within the one hundred and twenty (120)-day window. The employee cannot change options once having made a written choice.

6.1.4 If the employee fails to select an option, the employee will be deemed to have selected option (a), Twelve (12)-month surplus priority period in which to secure a reasonable job offer at the end of the one hundred and twenty (120)-day window.

6.1.5 If a reasonable job offer which does not require a relocation is made at any time during the one hundred and twenty (120)-day opting period and prior to the written acceptance of the Transition Support Measure or the Education Allowance Option, the employee is ineligible for the TSM or the Education Allowance.

6.2 Alternation

6.2.1 All departments or organizations must participate in the alternation process.

6.2.2 An alternation occurs when an opting employee who wishes to remain in the Core Public Administration exchanges positions with a non-affected employee (the alternate) willing to leave the Core Public Administration under the terms of Part VI of this Appendix.

6.2.3 Only an opting employee, not a surplus one, may alternate into an indeterminate position that remains in the Core Public Administration.

6.2.4 An indeterminate employee wishing to leave the Core Public Administration may express an interest in alternating with an opting employee. Management will decide, however, whether a proposed alternation will result in retaining the skills required to meet the ongoing needs of the position and the Core Public Administration.

6.2.5 An alternation must permanently eliminate a function or a position.

6.2.6 The opting employee moving into the unaffected position must be, to the degree determined by the Employer, able to meet the requirements of the position, including language requirements. The alternate moving into the opting position must meet the requirements of the position, except if the alternate will not be performing the duties of the position and the alternate will be struck off strength within five (5) days of the alternation.

6.2.7 An alternation should normally occur between employees at the same group and level. When the two (2) positions are not the same group and level, alternation can still occur when the positions can be considered equal. They are considered equal when the maximum rate of pay for the higher paid position is no more than six-per-cent (6%) higher than the maximum rate of pay for the lower paid position.

6.2.8 An alternation must occur on a given date, i.e. two (2) employees directly exchange positions on the same day. There is no provision in alternation for a “domino” effect or for “future considerations”.

6.3 Options

6.3.1 Only opting employees who are not in receipt of the guarantee of a reasonable job offer from the deputy head will have access to the choice of options below:

- (a)
 - (i) Twelve (12)-month surplus priority period in which to secure a reasonable job offer: Should a reasonable job offer not be made within a period of twelve (12) months, the employee will be laid off in accordance with the *Public Service Employment Act*. Employees who choose or are deemed to have chosen this Option are surplus employees.
 - (ii) At the request of the employee, this twelve (12) month surplus priority period shall be extended by the unused portion of the one hundred and twenty (120)-day opting period referred to in 6.1.2 which remains once the employee has selected in writing option (a).
 - (iii) When a surplus employee who has chosen, or who is deemed to have chosen, Option (a) offers to resign before the end of the twelve (12)-month surplus priority period, the deputy head may

authorise a lump-sum payment equal to the surplus employee's pay for the substantive position for the balance of the surplus period, up to a maximum of six (6) months. The amount of the lump sum payment for the pay in lieu cannot exceed the maximum of that which he or she would have received had they chosen Option (b), the Transition Support Measure.

- (iv) Departments or Organizations will make every reasonable effort to market a surplus employee during the employee's surplus period within his or her preferred area of mobility

or

- (b) Transition Support Measure (TSM) is a cash payment, based on the employee's years of service in the public service (see Annex "B") made to an opting employee. Employees choosing this Option must resign but will be considered to be laid-off for purposes of severance pay.

or

- (c) Education allowance is a Transitional Support Measure (see Option (b) above) plus an amount of not more than ten thousand dollars (\$10,000.00) for reimbursement of receipted expenses of an opting employee for tuition from a learning institution and costs of books and mandatory equipment.

Employees choosing Option (c) could either:

- (i) resign from the Core Public Administration but be considered to be laid-off for severance pay purposes on the date of their departure;

or

- (ii) delay their departure date and go on leave without pay for a maximum period of two (2) years, while attending the learning institution. The TSM shall be paid in one or two lump-sum amounts, at the employee's request over a maximum two (2)-year period. During this period, employees could continue to be public service benefit plan members and contribute both employer and employee share to the benefits plans and the *Public Service Superannuation Plan*. At the end of the two (2)-year leave without pay period, unless the employee has found alternate employment

in the Core Public Administration, the employee will be laid off in accordance with the *Public Service Employment Act*.

6.3.2 Management will establish the departure date of opting employees who choose option (b) or option (c) above.

6.3.3 The TSM, pay in lieu of unfulfilled surplus period and the Education Allowance cannot be combined with any other payment under the WorkForce Adjustment appendix.

6.3.4 In the cases of: pay in lieu of unfulfilled surplus period, option (b) and (c)(i), the employee relinquishes any priority rights for reappointment upon acceptance of his or her resignation.

6.3.5 Employees choosing option (c)(ii) who have not provided their department or organization with a proof of registration from a learning institution twelve (12) months after starting their leave without pay period will be deemed to have resigned from the Core Public Administration, and be considered to be laid-off for purposes of severance pay.

6.3.6 All opting employees will be entitled to up to six hundred dollars (\$600.00) towards counseling services in respect of their potential re-employment or retirement. Such counseling services may include financial, and job placement counseling services.

6.3.7 An opting employee who has received pay in lieu of unfulfilled surplus period, a TSM or an Education Allowance and is re-appointed to that portion of the Core Public Administration specified from time to time in Schedules I and IV to the *Financial Administration Act* shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such re-appointment or hiring, to the end of the original period for which the TSM or Education Allowance was paid.

6.3.8 Notwithstanding section 6.3.7, an opting employee who has received an Education Allowance will not be required to reimburse tuition expenses, costs of books and mandatory equipment, for which he or she cannot get a refund.

6.3.9 The deputy head shall ensure that pay in lieu of unfulfilled surplus period is only authorized where the employee's work can be discontinued on the resignation date and no additional costs will be incurred in having the work done in any other way during that period.

6.3.10 If a surplus employee who has chosen, or is deemed to have chosen, Option (a) refuses a reasonable job offer at any time during the twelve (12)-month surplus priority period, the employee is ineligible for pay in lieu of unfulfilled surplus period.

6.3.11 Approval of pay in lieu of unfulfilled surplus period is at the discretion of management, but shall not be unreasonably denied.

6.4 Retention payment

6.4.1 There are three (3) situations in which an employee may be eligible to receive a retention payment. These are total facility closures, relocation of work units and alternative delivery initiatives.

6.4.2 All employees accepting retention payments must agree to leave the Core Public Administration without priority rights.

6.4.3 An individual who has received a retention payment and, as applicable, is either reappointed to that portion of the Core Public Administration specified from time to time in Schedules I and IV to the *Financial Administration Act* or is hired by the new employer within the six (6) months immediately following his or her resignation, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such re-appointment or hiring, to the end of the original period for which the lump sum was paid.

6.4.4 The provisions of 6.4.5 shall apply in total facility closures where public service jobs are to cease, and:

- (a) such jobs are in remote areas of the country,
or
- (b) retraining and relocation costs are prohibitive,
or
- (c) prospects of reasonable alternative local employment (whether within or outside the Core Public Administration) are poor.

6.4.5 Subject to 6.4.4, the deputy head shall pay to each employee who is asked to remain until closure of the work unit and offers a resignation from the Core Public Administration to take effect on that closure date, a sum equal to six (6) months' pay payable upon the day on which the departmental or organizational operation ceases, provided the employee has not separated prematurely.

6.4.6 The provisions of 6.4.7 shall apply in relocation of work units where Core Public Administration work units:

- (a) are being relocated,

and
- (b) when the deputy head of the home department or organization decides that, in comparison to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of workplace relocation,

and
- (c) where the employee has opted not to relocate with the function.

6.4.7 Subject to 6.4.6, the deputy head shall pay to each employee who is asked to remain until the relocation of the work unit and offers a resignation from the Core Public Administration to take effect on the relocation date, a sum equal to six (6) months' pay payable upon the day on which the departmental or organizational operation relocates, provided the employee has not separated prematurely.

6.4.8 The provisions of 6.4.9 shall apply in alternative delivery initiatives:

- (a) where the Core Public Administration work units are affected by alternative delivery initiatives;
- (b) when the deputy head of the home department or organization decides that, compared to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of the transfer to the new employer;

and
- (c) where the employee has not received a job offer from the new employer or has received an offer and did not accept it.

6.4.9 Subject to 6.4.8, the deputy head shall pay to each employee who is asked to remain until the transfer date and who offers a resignation from the Core Public Administration to take effect on the transfer date, a sum equal to six (6) months pay payable upon the transfer date, provided the employee has not separated prematurely.

Part VII

Special provisions regarding alternative delivery initiatives

Preamble

The administration of the provisions of this part will be guided by the following principles:

- (a) fair and reasonable treatment of employees;
- (b) value for money and affordability;
- and
- (c) maximization of employment opportunities for employees.

The parties recognize:

- the union's need to represent employees during the transition process;
- the Employer's need for greater flexibility in organizing the Core Public Administration.

7.1 Definitions

For the purposes of this part, an **alternative delivery initiative** (*diversification des modes d'exécution*) is the transfer of any work, undertaking or business of the Core Public Administration to any body or corporation that is a separate agency or that is outside the Core Public Administration;

For the purposes of this part, a **reasonable job offer** (*offre d'emploi raisonnable*) is an offer of employment received from a new employer in the case of a type 1 or 2 transitional employment arrangement, as determined in accordance with section 7.2.2;

For the purposes of this part, a **termination of employment** (*licenciement du fonctionnaire*) is the termination of employment referred to in paragraph 12(1)(f) of the *Financial Administration Act* (FAA).

7.2 General

Departments or Organizations will, as soon as possible after the decision is made to proceed with an alternative delivery initiative (ADI), and if possible, not less than one hundred and eighty (180) days prior to the date of transfer, provide notice to the President of PIPSC.

The notice to PIPSC will include: 1) the program being considered for ADI, 2) the reason for the ADI, and 3) the type of approach anticipated for the initiative.

In cases of ADI, the parties will conduct meaningful consultation on human resource issues related to the ADI in order to provide information to the employee which will assist him/her in deciding on whether or not to accept the job offer.

1. Commercialization

In cases of commercialization where tendering will be part of the process, the parties shall make every reasonable effort to come to an agreement on the criteria related to human resources issues (e.g. terms and conditions of employment, pension and health care benefits, the take-up number of employees) to be used in the request for proposal (RFP) process. The parties will respect the contracting rules of the federal government.

2. Creation of a new Agency

In cases of the creation of new agencies, the parties shall make every reasonable effort to agree on common recommendations related to human resources issues (e.g. terms and conditions of employment, pension, and health care benefits) that should be available at the date of transfer.

3. Transfer to existing employers

In all other ADI initiatives where an employer-employee relationship already exists the parties will hold meaningful consultations to clarify the terms and conditions that will apply upon transfer.

In the cases of commercialization and creation of new agencies, consultation opportunities will be given to PIPSC; however, if after meaningful consultation agreements are not possible, the department may still proceed with the transfer.

7.2.1 The provisions of this Part apply only in the case of alternative delivery initiatives and are in exception to other provisions of this Appendix. Employees who are affected by alternative delivery initiatives and who receive job offers from the new employer shall be treated in accordance with the provisions of this part and, only where specifically indicated will other provisions of this appendix apply to them.

7.2.2 There are three (3) types of transitional employment arrangements resulting from alternative delivery initiatives:

(a) Type 1 (Full Continuity)

Type 1 arrangements meet all of the following criteria:

(i) legislated successor rights apply. Specific conditions for successor rights applications will be determined by the labour legislation governing the new employer;

**

(ii) the Directive on Terms and Conditions of Employment, the terms of the collective agreement referred to therein and/or the applicable compensation plan will continue to apply to unrepresented and excluded employees until modified by the new employer or by the PSLRB pursuant to a successor rights application;

**

(iii) recognition of continuous employment in the Core Public Administration, as defined in the Directive on Terms and Conditions of Employment, for purposes of determining the employee's entitlements under the collective agreement continued due to the application of successor rights;

(iv) pension arrangements according to the statement of pension principles set out in Annex A, or, in cases where the test of reasonableness set out in that statement is not met, payment of a lump-sum to employees pursuant to section 7.7.3;

(v) transitional employment guarantee: a two-year minimum employment guarantee with the new employer;

- (vi) coverage in each of the following core benefits: health benefits, long term disability insurance (LTDI) and dental plan;
 - (vii) short-term disability bridging: recognition of the employee's earned but unused sick leave credits up to maximum of the new employer's LTDI waiting period.
- (b) Type 2 (Substantial Continuity)
- Type 2 arrangements meet all of the following criteria:
- (i) the average new hourly salary offered by the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty five per cent (85%) or greater of the group's current federal hourly remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are the same;
 - (ii) the average annual salary of the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty five per cent (85%) or greater of federal annual remuneration (= per cent or greater of federal annual remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are different;
 - (iii) pension arrangements according to the statement of pension principles as set out in Annex A, or in cases where the test of reasonableness set out in that Statement is not met, payment of a lump-sum to employees pursuant to section 7.7.3;
 - (iv) transitional employment guarantee: employment tenure equivalent to that of the permanent workforce in receiving organizations or a two (2)-year minimum employment guarantee;
 - (v) coverage in each area of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;
 - (vi) short-term disability arrangement.

(c) Type 3 (Lesser Continuity)

A type 3 arrangement is any alternative delivery initiative that does not meet the criteria applying in type 1 and 2 transitional employment arrangements.

7.2.3 For type 1 and 2 transitional employment arrangements, the offer of employment from the new employer will be deemed to constitute a reasonable job offer for purposes of this part.

7.2.4 For type 3 transitional employment arrangements, an offer of employment from the new employer will not be deemed to constitute a reasonable job offer for purposes of this part.

7.3 Responsibilities

7.3.1 Deputy heads will be responsible for deciding, after considering the criteria set out above, which of the types applies in the case of particular alternative delivery initiatives.

7.3.2 Employees directly affected by alternative delivery initiatives are responsible for seriously considering job offers made by new employers and advising the home department or organization of their decision within the allowed period.

7.4 Notice of alternative delivery initiatives

7.4.1 Where alternative delivery initiatives are being undertaken, departments or organizations shall provide written notice to all employees offered employment by the new employer, giving them the opportunity to choose whether they wish to accept the offer.

7.4.2 Following written notification, employees must indicate within a period of sixty (60) days their intention to accept the employment offer.

7.5 Job offers from new employers

7.5.1 Employees subject to this Appendix (see Application) and who do not accept the reasonable job offer from the new employer in the case of type 1 or 2 transitional employment arrangements will be given four months notice of termination of employment and their employment will be terminated at the end of that period or on a mutually agreed upon date before the end of the four month

notice period except where the employee was unaware of the offer or incapable of indicating an acceptance of the offer.

7.5.2 The deputy head may extend the notice of termination period for operational reasons, but no such extended period may end later than the date of the transfer to the new employer.

7.5.3 Employees who do not accept a job offer from the new employer in the case of type 3 transitional employment arrangements may be declared opting or surplus by the deputy head in accordance with the provisions of the other parts of this appendix.

7.5.4 Employees who accept a job offer from the new employer in the case of any alternative delivery initiative will have their employment terminated on the date on which the transfer becomes effective, or on another date that may be designated by the home department or organization for operational reasons provided that this does not create a break in continuous service between the Core Public Administration and the new employer.

7.6 Application of other provisions of the appendix

7.6.1 For greater certainty, the provisions of Part II, Official Notification, and section 6.4, Retention Payment, will apply in the case of an employee who refuses an offer of employment in the case of a type 1 or 2 transitional employment arrangement. A payment under section 6.4 may not be combined with a payment under the other section.

7.7 Lump-sum payments and salary top-up allowances

7.7.1 Employees who are subject to this Appendix (see Application) and who accept the offer of employment from the new employer in the case of type 2 transitional employment arrangements will receive a sum equal to three (3) months pay, payable upon the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees an eighteen (18) month salary top-up allowance equal to the difference between the remuneration applicable to their Core Public Administration position and the salary applicable to their position with the new employer. This allowance will be paid as a lump-sum, payable on the day on which the departmental work or function is transferred to the new employer.

7.7.2 In the case of individuals who accept an offer of employment from the new employer in the case of a type 2 arrangement whose new hourly or annual salary falls below eighty per cent (80%) of their former federal hourly or annual remuneration, departments or organizations will pay an additional six (6) months of salary top-up allowance for a total of twenty-four (24) months under this section and section 7.7.1. The salary top-up allowance equal to the difference between the remuneration applicable to their Core Public Administration and the salary applicable to their position with the new employer will be paid as a lump-sum payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.3 Employees who accept the reasonable job offer from the successor employer in the case of a type 1 or 2 transitional employment arrangement where the test of reasonableness referred to in the statement of pension principles set out in Annex A is not met, that is, where the actuarial value (cost) of the new employer's pension arrangements are less than six decimal five per cent (6.5%) of pensionable payroll (excluding the employer's costs related to the administration of the plan) will receive a sum equal to three months pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.4 Employees who accept an offer of employment from the new employer in the case of type 3 transitional employment arrangements will receive a sum equal to six (6) months pay payable on the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees a twelve (12) month salary top-up allowance equal to the difference between the remuneration applicable to their Core Public Administration position and the salary applicable to their position with the new employer. The allowance will be paid as a lump-sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The total of the lump-sum payment and the salary top-up allowance provided under this section will not exceed an amount equal to one year's pay.

7.7.5 For the purposes of 7.7.1, 7.7.2 and 7.7.4, the term *remuneration* includes and is limited to salary plus equal pay adjustments, if any, and supervisory differential, if any.

7.8 Reimbursement

7.8.1 An individual who receives a lump-sum payment and salary top-up allowance pursuant to subsection 7.7.1, 7.7.2, 7.7.3 or 7.7.4 and who is reappointed to that portion of the Core Public Administration specified from time to time in Schedules I and IV to the *Financial Administration Act* at any point during the period covered by the total of the lump-sum payment and salary top-up allowance, if any, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of re-appointment to the end of the original period covered by the total of the lump-sum payment and salary top-up allowance, if any.

7.8.2 An individual who receives a lump-sum payment pursuant to subsection 7.6.1 and, as applicable, is either reappointed to that portion of the Core Public Administration specified from time to time in Schedules I and IV to the *Financial Administration Act* or hired by the new employer, to which the employee's work was transferred, at any point covered by the lump-sum payment, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of the reappointment or hiring to the end of the original period covered by the lump-sum payment.

7.9 Vacation leave credits and severance pay

7.9.1 Notwithstanding the provisions of this Collective Agreement concerning vacation leave, an employee who accepts a job offer pursuant to this part may choose not to be paid for earned but unused vacation leave credits, provided that the new employer will accept these credits.

**

7.9.2 Notwithstanding the provisions of this Collective Agreement concerning severance pay, an employee who accepts a reasonable job offer pursuant to this part will not be paid severance pay where successor rights apply and/or, in the case of a type 2 transitional employment arrangement, when the new employer recognizes the employee's years of continuous employment in the Core Public Administration for severance pay purposes and provides severance pay entitlements similar to the employee's severance pay entitlements at the time of the transfer. However, an employee who has a severance termination benefit entitlement under the terms of article 19.06(b) or (c) shall be paid this entitlement at the time of transfer.

7.9.3 Where:

- (a) the conditions set out in 7.9.2 are not met,
- (b) the severance provisions of this Collective Agreement are extracted from this Collective Agreement prior to the date of transfer to another non-federal public sector employer,
- (c) the employment of an employee is terminated pursuant to the terms of section 7.5.1,

or
- (d) the employment of an employee who accepts a job offer from the new employer in a type 3 transitional employment arrangement is terminated on the transfer of the function to the new employer

the employee shall be deemed, for purposes of severance pay, to be involuntarily laid off on the day on which employment in the Core Public Administration terminates.

Annex “A” - Statement of pension principles

1. The new employer will have in place, or Her Majesty in right of Canada will require the new employer to put in place, reasonable pension arrangements for transferring employees. The test of *reasonableness* will be that the actuarial value (cost) of the new employer pension arrangements will be at least six decimal five per cent (6.5%) of pensionable payroll, which in the case of defined-benefit pension plans will be as determined by the Assessment Methodology developed by Towers Perrin for the Treasury Board, dated October 7, 1997. This Assessment Methodology will apply for the duration of this Collective Agreement. Where there is no reasonable pension arrangement in place on the transfer date or no written undertaking by the new employer to put such reasonable pension arrangement in place effective on the transfer date, subject to the approval of Parliament and a written undertaking by the new employer to pay the employer costs, *Public Service Superannuation Act (PSSA)* coverage could be provided during a transitional period of up to a year.
2. Benefits in respect of service accrued to the point of transfer are to be fully protected.
3. Her Majesty in right of Canada will seek portability arrangements between the Public Service Superannuation Plan and the pension plan of the new employer where a portability arrangement does not yet exist. Furthermore, Her Majesty in right of Canada will seek authority to permit employees the option of counting their service with the new employer for vesting and benefit thresholds under the PSSA.
