

REQUESTER'S REPLY TO DOMESTIC PRODUCER'S RESPONSE FORM

(Injury inquiries under section 42 and reviews under sections 76.01
and 76.03 of the *Special Import Measures Act*)

FILING INSTRUCTIONS

A party who has made one or more exclusion requests and has received one or more responses from a domestic producer may respond by completing and filing a separate Requester's Reply to Domestic Producer's Response Form in respect of each reply.

One copy of each complete Requester's Reply to Domestic Producer's Response Form must be filed no later than **noon** on the date set out in the schedule.

Replies may be filed with the Tribunal electronically OR in hard copy format. Do not file both versions.

If filing electronically, all attachments *must* be included in electronic format. Electronic documents can be sent using the Tribunal's Secure E-filing Service at www.citt-tcce.gc.ca/en/secure_e_filing_service. The information is fully encrypted from the sender to the Tribunal.

In the alternative, replies can be sent by regular (non-encrypted) electronic mail to the Tribunal at citt-tcce@tribunal.gc.ca provided the sender accepts the risks associated with this method of transmission if the reply contains confidential information and providing the reply does not contain any confidential third party information.

If you are sending a hard copy format, it should be addressed to:

Registrar
Canadian International Trade Tribunal
15th Floor
333 Laurier Avenue West
Ottawa, Ontario K1A 0G7

A party wanting portions of the information that it files with the Tribunal to be designated as confidential must submit two versions of the information to the Tribunal:

1. A confidential version containing all the confidential information and labelled "Confidential" on every page that contains confidential information. In addition, all confidential information should be highlighted by using shading, boldface characters or square brackets; and
2. (a) a separate public version of the same document with the confidential information fully deleted if you are filing electronically. (You may not simply mask or hide the confidential information, it must be deleted); **OR**
(b) a public version of the confidential document with the confidential information fully blacked-out if you are filing in hard-copy (paper).

In the alternative to filing a public version as described in 2(a) or 2(b), you may file a public summary of the confidential information. In either case, the public version or the public summary must give the party opposite and the Tribunal sufficient information to understand the nature of the confidential information.

Do not include this instruction page when filing your replies.
