Re: OBHECC Complaint to FPCC

Dear Mr. Wilson:

The following is further to your letter dated August 5, 2015, to provide additional information on the meeting scheduled for Friday August 14, 2015.

As per paragraph 7.e. of FPCC's March 9, 2011 Interim Complaint Guidelines, the Chairman of the Farm Products Council of Canada (FPCC) has elected to hold a preliminary informal meeting. This will allow the Chairman to meet with the Parties, discuss the matter further and provide them with an opportunity to share their recommendations on the process.

Following various communications held with both CHEP and OBHECC, FPCC understands the need for flexibility (due to summer vacations and such); the Chairman has elected to hold its meeting, in accordance with the Guidelines.

Addressing the complaint through an informal meeting process is one of the many options that will be considered and discussed at this meeting. Once a decision is made, the Parties to the complaint as well as stakeholders and interveners will be kept informed and provided with copies of all relevant documents and correspondence.

Should you require any further information, please do not hesitate to contact Hélène Devost, Acting Director, Council Operations and Communications at 613-759-1589 or by email at helene.devost@agr.gc.ca.

Yours sincerely,

Nathalie Vanasse
Registrar
