Attention: Nathalie Vanasse, Registrar

Dear Ms. Vanasse:

**Re: Syndicat des producteurs d'œufs d'incubation du Québec ("Syndicat")
Complaint to Farm Products Council of Canada dated September 11, 2015**

We are lawyers for the Ontario Broiler Chicken Hatching Egg Producers Association ("OBCHEPA").

OBCHEPA is the association that represents the Ontario broiler hatching egg producers and breeder growers who produce replacement chicks. There are currently 78 broiler hatching egg producers and 33 breeder growers in Ontario.

OBCHEPA is therefore directly impacted by the Syndicat's Complaint and the relief being sought therein.

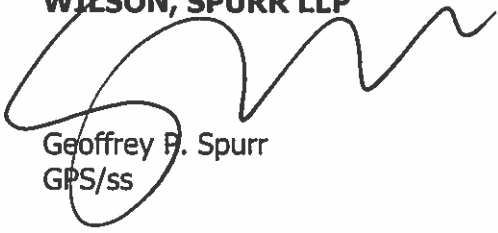

Please consider this correspondence to be OBCHEPA's request to be granted intervener standing in the proceedings relating to the Syndicat's Complaint.

We would be pleased to provide additional particulars and the rationale in support of OBCHEPA's request for intervener status in due course and in accordance with directions from Farm Products Council of Canada in that regard.

As lawyers for OBCHEPA, we would also ask that we be included on any subsequent correspondence from Farm Products Council of Canada in relation to the Complaint.

Thank you for your consideration of our request.

Yours very truly,
WILSON, SPURR LLP
