Subject: Update on TFO Complaint against TFC
Date: 17 août 2015 13:40:50

Good afternoon Mr. Spurr,

Further to Farm Products Council of Canada's (FPCC) August 11, 2015 to Turkey Farmers of Ontario (TFO) where FPCC granted TFO and Turkey Farmers of Canada (TFC) until August 14, 2015 to continue negotiations, FPCC has yet to receive any information from TFO regarding a potential arbitration agreement. With a view to allow the complaint resolution process to proceed, we would appreciate it if TFO could confirm whether or not an agreement between TFO and TFC has been reached.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Hélène Devost on behalf of

Nathalie Vanasse
