Dear Ms. Vanasse

Re: Complaint by Turkey Farmers of Ontario regarding a decision made by Turkey Farmers of Canada on June 11, 2015 concerning the Turkey Farmers of Canada Multiplier Breeder Policy

As you are aware, Council has expressed a deadline of today, July 31, 2015 concerning the processing of Turkey Farmers of Ontario's Complaint, as referenced above.

I wish to advise that Turkey Farmers of Canada has presented a proposal to Turkey Farmers of Ontario with respect to this matter that has substantial implications and if accepted by Turkey Farmers of Ontario will impact considerably on the Complaint process currently initiated by Turkey Farmers of Ontario.

The Board of directors is still in the process of considering the proposal made to TFO, but I expect to have some instructions in that regard later today. However, details regarding the proposal will not be finalized today and Turkey Farmers of Ontario needs to preserve its' complaint rights in the interim.

Accordingly I write to request a 7 day extension from Council, so that Turkey Farmers of Ontario can complete its consideration of Turkey Farmers of Canada's proposal without undue pressure and haste.

As you are aware, Turkey Farmers of Canada are fully supportive of this request.

Thank you for your consideration,

Respectfully,
WILSON, SPURR LLP
