Dear Mr. Davies:

Subject: Amendments to *Canadian Turkey Marketing Quota Regulations, 1990*

The Farm Products Council of Canada met by teleconference on March 11, 2013 where consideration was given to Turkey Farmers of Canada's request for approval of the proposed amendments to the *Canadian Turkey Marketing Quota Regulations, 1990* for the 2013-2014 control period as submitted to Council on January 9, 2013.

I am pleased to inform you that the Council has approved your proposal for amending the quota allocation to 178,779,009 kg eviscerated weight.

In reviewing the quota regulation amendments, the Council found that the amendments satisfied the requirements of the Agency's Federal-Provincial Agreement and attached schedule as well as the Agency's By-Laws. Furthermore, Council is satisfied that the volumes requested will meet market requirements for all categories of quotas and result in reasonable prices to consumers.

Council expects TFC to continue to work with its stakeholders towards improving the efficiency and competitiveness of the turkey industry, and in particular on promotion of higher turkey consumption.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely,

Laurent Pellerin
Chairman
