Dear Mr. Davies:

The Farm Products Council of Canada met on September 24, 2013 where consideration was given to Turkey Farmers of Canada's request for approval of the proposed amendments to the *Canadian Turkey Marketing Quota Regulations, 1990*, for the 2013-2014 control period as submitted to Council on July 30, 2013 and with corrections on September 19, 2013.

I am pleased to inform you that the Council has approved your proposal for amending the quota allocation to 179,579,282 kg eviscerated weight. This amendment will come into effect on the date of registration.

In reviewing the quota regulation amendments, the Council found that the amendments satisfied the requirements of the Agency's Federal-Provincial Agreement and attached schedule as well as the Agency's by-laws. Furthermore, Council is satisfied that the volumes requested will meet market requirements for all categories of quotas and result in reasonable prices to consumers.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely,

Laurent Pellerin  
Chairman
