Subject: Amendments to *Canadian Turkey Marketing Quota Regulations, 1990*

Dear Mr. Davies:

I am pleased to inform you that the Farm Products Council of Canada, at its recent meeting of September 29 to October 1, 2015, approved your proposal for amending the *Canadian Turkey Marketing Quota Regulations, 1990* for the 2015-16 control period as submitted by Turkey Farmers of Canada (TFC) on July 24, 2015.

This amends the quota allocation to 406,928,297 lb (184,579,546 kg) eviscerated weight from the date the amendment is registered.

In their review of your proposal, Council members found that the amendment satisfied the requirements of the *Farm Products Agencies Act*, the Agency's Proclamation, the Federal-Provincial Agreement (FPA) and attached schedule, as well as the Agency's By-Laws.

Council members were pleased to see that this amendment relates to the continuing growth in demand for further processed turkey meat and encourage TFC to expand its promotion activities to increase the consumption of turkey and turkey products.
