Subject: Amendment to the *Canadian Turkey Marketing Quota Regulations, 1990*

Dear Mr. Davies:

At its meeting of March 22, 2016, the Farm Products Council of Canada (FPCC) considered Turkey Farmers of Canada's (TFC) request for amending the *Canadian Turkey Marketing Quota Regulations, 1990* for the 2016-17 control period, as proposed in its submission of February 29, 2016.

I am pleased to inform you that Council members approved your proposal for amending the turkey quota allocation to a total of 186,372,323kg (eviscerated) to reflect the increases in further processing market needs and reductions in multiplier and primary breeder, as well as export market requirements that were projected for the upcoming 2016-17 control period.

Council members found that the amendment was required for the marketing plan and satisfied the requirements of the *Farm Products Agencies Act*, the Agency's Proclamation, the Federal Provincial Agreement and attached schedule, as well as the Agency's By-Laws.

Should you have any questions, please do not hesitate to contact me or Nathalie Vanasse, Director, Council Operations and Communications at 613-759-1562 or by email at nathalie.vanasse@agr.gc.ca.

Yours sincerely,

Laurent Pellerin
