Subject: Amendment to the *Canada Turkey Marketing Producers Levy Order*

Dear Mr. Davies:

At its February 14, 2017, meeting, the Farm Products Council of Canada (FPCC or Council), considered the Turkey Farmers of Canada's (TFC) request for amending the *Canada Turkey Marketing Levy Order*, as described in your letter of January 17, 2017. As they found that the amendment was necessary for the implementation of the marketing plan and satisfied the requirements of the *Farm Products Agencies Act* (FPAA), Council approved the amendment.

In its review of the TFC Preliminary 2017 Budget, Council noted that the proposed changes to directors' stipends and fees were included, but had not been submitted to Council for approval, as per paragraph 25(c) of the FPAA, nor had they been approved by your Board, as an amendment to TFC's By Law No. 4. FPCC therefore requests that TFC seek its approval for these changes at the earliest opportunity, should your Board agree to proceed with these changes.

Should you have any questions, please do not hesitate to contact me or Nathalie Vanasse, Director, Council Operations and Communications at 613-759-1562 or by email at nathalie.vanasse@agr.gc.ca.

Yours sincerely,

Laurent Pellerin

Dear Mr. Pellerin

Enclosed is the TFC 2016/17 Levy Order submission for consideration by the Farm Products Council of Canada at their upcoming meeting in February of this year. The members of the TFC, by this submission, are requesting the Council's approval of the Levy Order amendment at that time. There is no change to the TFC levy rate being sought in this submission.

Included in the enclosed submission are the following:

- Draft Levy Order amending the expiry date of March 31, 2017, and extending the term to March 31, 2018; and updating the levies for NB, NS and BC given changes to their levies,
- The forecasted financial position of the Agency for the fiscal year ending December 31, 2016, relative to the 2016 budget; and,
- The preliminary budget for fiscal year 2017, including detailed accompanying notes, as approved at the TFC 248th meeting of November 24, 2016,
- The preliminary budget includes a newly created budget line for promotion and marketing activities incremental to normal operating promotion and marketing, utilizing segregated funds from liquidated damages. In 2016, TFC received a large payment for liquidated damages that had a significant impact on net income and our equity position.
