Subject: Amendments to Canadian Turkey Marketing Quota Regulations, 1990

Dear Mr. Davies:

The Farm Products Council of Canada, at its November 5, 2014 meeting, considered the Turkey Farmers of Canada's request for approval of the proposed amendments to the *Canadian Turkey Marketing Quota Regulations, 1990* for the 2014-15 control period as submitted to Council on October 7, 2014.

I am pleased to inform you that the Council has approved your proposal for amending the quota allocation to 402,013,759 lb (182,350,349 kg) eviscerated weight from the date of registration until April 25, 2015.

In reviewing the quota regulation amendments, the Council found that the amendments satisfied the requirements of the *Farm Products Agencies Act*, the Agency's Proclamation, the Federal-Provincial Agreement as well as the Agency's By-Laws. Furthermore, Council is satisfied that the volumes requested meet the requirements of the TFC Export Policy.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely,

Laurent Pellerin
