## **I. Introduction**

### **Purpose of the *Access to Information Act***

The *Access to Information Act* (Revised Statutes of Canada, Chapter A-1, 1985) was proclaimed on July 1, 1983.

The *Access to Information Act (ATIA)* gives Canadian citizens and individuals present in Canada a broad right of access to information contained in government records subject to certain specific and limited exceptions.

Under Section 72 (1) of the (*ATIA*), the head of every government institution is required to prepare an annual report to Parliament on the administration of the respective Acts within the institution during each fiscal year.

In accordance with Treasury Board, this report highlights changes and new developments and excludes repetition of information previously reported.

### **FPCC's Mandate**

The Farm Products Council of Canada (FPCC), was established in 1972 under the *Farm Products Agencies Act* (the Act) as a unique public interest oversight body which reports to Parliament through the Minister of Agriculture and Agri-Food Canada (The Minister).

The FPCC; headed by a Chairperson (Deputy Head) appointed by the Governor-in-Council, is composed of up to seven Members of which at least half must be primary producers at the time of their appointment.

This Act provides for the creation of National Marketing Agencies and Promotion Research Agencies. There are currently four Marketing Agencies: Canadian Hatching Egg Producers, Chicken Farmers of Canada, Egg Farmers of Canada and Turkey Farmers of Canada. There is also one Promotion Research Agency, Canada Beef. The FPCC supervises and works with these agencies to ensure that the supply management system for poultry and eggs and the promotion research activities for beef cattle work in the balanced interest of all stakeholders, from producers to consumers, and can evolve to respond to current and future challenges.

The FPCC also provides advice and recommendations to the Minister, collaborates with provincial supervisory boards and actively works with the Department and Agriculture and Agri-Food Portfolio Organizations.

## **Tabling**

The annual reports are tabled in Parliament in accordance with section 72 of the *Access to Information Act*.

## **II. FPCC Structure**

### **Administration & Functional Information**

The Chief Financial Officer has delegated authority to oversee the administration of the *Access to information Act* and the *Privacy Act* within the Farm Products Council of Canada and to ensure compliance with the legislation. FPCC has currently one in house ATIP Coordinator, however relies on Agriculture & Agri-Food Canada whom acts as a service provider to the organization.

## **III. Delegation Order**

### **Access to Information Designation Order**

Section 73 of the *Access to Information Act* provides for the Minister, as head of Agriculture & Agri-Food Canada, to delegate the powers, duties and functions designated by the *Act*.

### **Delegation of Authority Instrument for the Administration of the *Access to Information Act***

A copy of the approved Agriculture & Agri-Food Canada Delegation of Authority can be found in Appendix A.
