Changes to procedure

1. Further to Telecom Public Notice CRTC 2008-19-3, 18 March 2009, the Commission announces that the date for parties to provide final replies has been extended to 28 July 2009. Accordingly, the following is substituted for paragraph 2 of Telecom Public Notice CRTC 2008-19-3:
 2. The Commission considers that the opportunity to reply to the written and/or oral submissions of other parties would be beneficial given the important issues raised in this proceeding. Accordingly, the Commission invites parties to provide final replies to matters raised in the initial written and/or oral submissions to the Commission by **28 July 2009**. Final replies should be no longer than 10 pages. The receipt of these replies will close the record of the proceeding.
