Filipino TV – Category 2 specialty service

*In this decision, the Commission **approves** the operation of a new Category 2 specialty television service.*

1. The Commission received an application by Ethnic Channels Group Limited for a broadcasting licence to operate an ethnic Category 2¹ specialty television service to be known as Filipino TV.
2. The applicant proposed to offer a programming service targeting the Filipino-speaking community.
3. Eight interventions were received in support of this application. One intervention making comments on the application was submitted by Inner City Films.
4. The Commission notes the comments by Inner City Films, the concerns it raised on the subject of cultural diversity, and its desire to see an “opening up (of) a new dialogue on diversity.”
5. Based on its examination of this application, the Commission is satisfied that it is in conformity with all applicable terms and conditions announced in *Introductory statement – Licensing of new digital pay and specialty services – Corrected Appendix 2*, Public Notice CRTC 2000-171-1, 6 March 2001 (Public Notice 2000-171-1).
