Calgary, Alberta

*Application 2008-1218-2, received 29 August 2008*

### **CIGY-FM Calgary – Licence amendment**

1. The Commission **approves** the application by Rawlco Radio Ltd. (Rawlco) to amend the broadcasting licence for the English-language specialty commercial FM radio programming undertaking CIGY-FM Calgary by modifying condition of licence 7 in order to designate a new recipient for Rawlco's annual \$10,000 contribution. The Commission did not receive any interventions in connection with this application.
2. Rawlco advised the Commission that Women in Media Foundation, the original recipient, ceased its operations. The licensee proposed to support the University of Regina's School of Journalism instead.
3. Accordingly, the **condition of licence** shall now read as follows:
  7. The licensee shall contribute an annual minimum of \$10,000 to the University of Regina's School of Journalism, in the form of two student internships per year, at \$5,000 per internship.
