

Application for Certification as an Exposure Device Operator

This form is to be used by exposure device operator (EDO) trainees to apply for Canadian Nuclear Safety Commission (CNSC) certification as an exposure device operator.

Part 1 – Applicant information			
<input type="checkbox"/> Mr. <input type="checkbox"/> Mrs. <input type="checkbox"/> Ms.	First name	Middle name(s)	Last name
			NRCan number
Telephone number		Cell phone number	
Email address			
Home address			
Street address			
City		Province	Postal code
Mailing address (if different from home address)			
Street address			
City		Province	Postal code
1.1 Are you at least 18 years of age?			<input type="checkbox"/> Yes <input type="checkbox"/> No
1.2 To the best of your knowledge, are you medically fit to safely operate an exposure device (that is, you do not have any medical conditions that could unreasonably impair your ability to safely operate an exposure device)?			<input type="checkbox"/> Yes <input type="checkbox"/> No
1.3 Do you believe that you have the knowledge, skills and abilities required to safely operate an exposure device as a certified EDO?			<input type="checkbox"/> Yes <input type="checkbox"/> No

Part 2 – Employer information		
Provide the information below for your current employer or your most recent employer for work as an EDO trainee.		
Employer name		
Street address		
City	Province	Postal code
Telephone number	Fax number	
Email address		
Date of most recent work as an EDO trainee (YYYY/MM/DD)		

Part 3 – Vocational training
To be certified as an EDO, candidates are expected to have completed a mathematics examination and a 40-hour vocational training course on the practice and theory of gamma radiography.
3.1 Did you successfully complete a 40-hour vocational training course on the practice and theory of gamma radiography? <input type="checkbox"/> Yes → Include with this application form a letter or certificate attesting that you successfully completed a 40-hour EDO vocational training course. <input type="checkbox"/> No → Provide additional information in part 7 of this form.

Part 4 – On-the-job training

To be certified as an EDO, candidates are expected to have completed at least 320 hours of on-the-job training as an EDO under the direct supervision of a certified EDO.

4.1 Did you successfully complete at least 320 hours of on-the-job training as an EDO under the direct supervision of a certified EDO?

- Yes → Include with your application form a completed CNSC EDO on-the-job training attestation form (FORM-EDO-I-OJT), available on the [CNSC website](#).
- No → Provide additional information in part 7 of this form.

Part 5 – Practical examination

To be certified as an EDO, candidates are expected to have successfully completed an EDO practical examination within the past twelve (12) months.

Include with your application form a copy of the EDO practical examination that you successfully completed.

5.1 Check the appropriate box (check only one box):

A - I successfully completed the EDO practical examination on my first, second or third attempt.

OR

B - I successfully completed the EDO practical examination on my fourth attempt AND, before completing the EDO practical examination for the fourth time, I had repeated the entire 320 hour on-the-job training program.

OR

C - Options A and B do not accurately describe my situation. → Provide additional information in part 7 of this form.

Part 6 – Written examination

To be certified as an EDO, candidates must successfully complete the EDO written examination administered by Natural Resources Canada (NRCan).

Include with your application form a copy of a letter from NRCan stating that you successfully completed the EDO written examination.

6.1 Check the appropriate box (check only one box):

A - I successfully completed the written examination on my first, second or third attempt.

OR

B - I successfully completed the written examination on my fourth attempt AND, before completing the written examination for the fourth time, I had successfully recompleted the entire 40-hour vocational training program.

OR

C - Options A and B do not accurately describe my situation. → Provide additional information in part 7 of this form.

Part 7 – Additional information

7.1 Did question 3.1, 4.1, 5.1 or 6.1 in this application form state that you are to provide additional information in part 7 of this form?

- Yes → Complete part 7A below.
- No → Go to part 8 of this form.

Part 7A – Additional information to demonstrate the required knowledge and skills to be a certified EDO

Based on the answers you provided to the questions in this form, you have not met all of the CNSC's expectations for certification as an EDO as specified in the CSA Group document CSA PCP-09, *Certified Exposure Device Operator Personnel Certification Guide*. Provide additional information to demonstrate that, although you have not met all of the expectations, you have the knowledge, skills and abilities to safely operate an exposure device as a certified EDO.

7.2 Indicate which of the following question numbers from this application form stated that you are to complete part 7 of this form. (Check all that apply.)

- 3.1 4.1 5.1 6.1

Note: The boxes checked in this question indicate the training or examination expectations that were not met.

7.3 Briefly explain why you did not meet the expectation(s). (If you need more space, attach a separate sheet of paper.)

7.4 Explain how you have the knowledge, skills and abilities to safely operate an exposure device despite not having met all of the CNSC's expectations. Include a description of the training, self-study, work experience or other activities that you completed. You are not required to submit any supporting documentation of the activities that you completed at this time. (If you need more space, attach a separate sheet of paper.)

Part 8 – Attestation

My application includes the following (check all that apply):

- a completed application form (this form, FORM-EDO-I)
- a copy of a letter or certificate attesting that I successfully completed a 40-hour EDO vocational training course
- a copy of a completed CNSC EDO on-the-job training attestation form (FORM-EDO-I-OJT)
- a copy of the EDO practical examination that I successfully completed
- a copy of a letter from NRCan stating that I successfully completed the EDO written examination
- the required fee for certification

I attest that the information given on this form and in all documents attached is, to the best of my knowledge, correct and complete.
