SKILLS ANALYSIS

Your players depend upon your eagle-eyed observations and valuable experience to make them better players. Brush up on your ability to detect and correct errors in your players' basic baseball skills – including throwing, fielding, hitting and running – and apply what you've learned at your very next practice.

LEARNING OUTCOMES

Upon completing this clinic you will get credit for being able to:

- Detect accurate performance;
- Correct performance deficiencies.

CLINIC STRUCTURE

The Skills Analysis clinic is a four-hour, in-class course offered at various locations across Canada.

PREREQUISITES

Before attending the Skills Analysis clinic, coaches must first successfully complete Baseball Canada's Online Initiation module.

EVALUATION AND CERTIFICATION

As it is part of the Baseball Canada Regional/Provincial Coach program, completing the Skills Analysis clinic will give you an *In Training* status. In order to receive *Regional Coach - Trained* status you must then complete the **Initiation Coach** clinic, the **Teaching & Learning** clinic, and the **Planning** clinic.

Why NCCP?

IT BEGINS HERE.

Coaches are mentors, motivators and leaders. Along with parents and teachers, coaches have a profound impact on the future of our children. It's a great responsibility, and Canada's two million coaches embrace it with passion and dedication.

The National Coaching Certification Program (NCCP) gives coaches the confidence to succeed. When you take an NCCP workshop, you'll not only gain sport-specific technical abilities, but also leadership and decision-making skills.

NCCP training will open doors to new opportunities in coaching and in life.
