

Activity Sheet 4

Recipients in My Community

Part One

Find someone from your community or region who has been honoured with one of the following:

- Order of Canada
- Decoration for Bravery
- Governor General's Caring Canadian Award
- Meritorious Service Decoration
- Military Valour Decoration

1. Go to the governor general's website at gg.ca/Recipients, then:
 - a) Select any one of the honours or award listed above;
 - b) Enter the name of your city:
 - If you get no matches, try the name of a larger city near you;
 - If still no matches, select your province or territory, then scroll down the "Location" column to find the next closest recipients;
 - If no one is anywhere near you, choose another award or decoration.
2. Find three recipients whose accomplishments impress and inspire you.
3. Fill in the "Recipients in My Community" chart on page 2.

Part Two

Pick one of your three choices. Use the Internet and/or the library to find out more about that recipient. Then, fill out the "Recipient's Profile" chart on page 3.

Part Three

Introduce your classmates to the recipient you chose.

1. If more than one student picked the same recipient, get together into a team. Pool your information.
2. Create a presentation about this recipient. Pick a format that will pay appropriate tribute to the person: stand-up presentation, dramatic re-enactment, graphic art, music, video, web page, etc.
3. Your classmates and you can assemble all the different presentations and create a Gallery of Honour, and then invite your whole school to visit it.
