

## MAKE EVERY GARDEN *a Sanctuary*

You can create your own garden home for caterpillars and butterflies. Help them to survive and thrive! You will need:

## FAITES DE CHAQUE JARDIN *un sanctuaire*

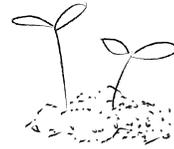

Vous pouvez créer votre propre jardin à papillons et à chenilles. Aidez-les à survivre et à prospérer ! Ce qu'il vous faut :

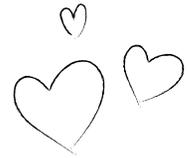

A garden space or container  
Carré de terre ou pot

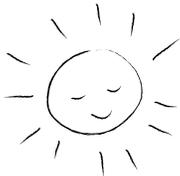

Hands  
Mains

Plants  
Plantes

A bit of love  
Un brin d'amour

Sunshine  
Soleil

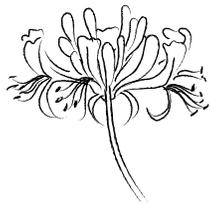

Water  
Eau

Soil  
Terre

These caterpillar and butterfly-friendly plants will grow in our Canadian climates:

Voici des plantes adaptées à notre climat, dont raffolent chenilles et papillons :

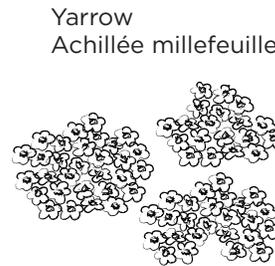

Honeysuckle  
Chèvrefeuille

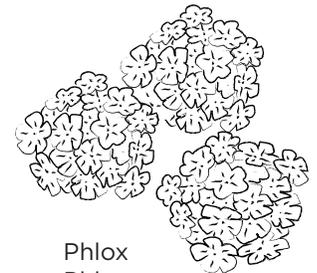

Aster  
Aster

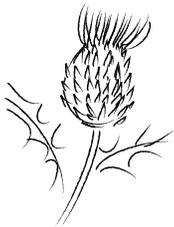

Purple Coneflower  
Échinacée pourpre

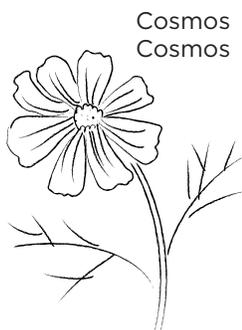

Yarrow  
Achillée millefeuille

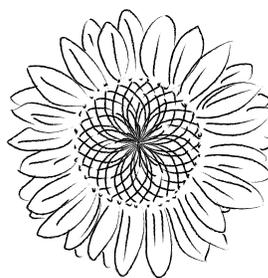

Phlox  
Phlox

Thistle  
Chardon

Cosmos  
Cosmos

Sunflower  
Tournesol

Milkweed  
Asclépiade

Stinging Nettle  
Grande ortie
