

Petition: Lower Gas Taxes & Dedicate Them to Roads

To the Federal Minister of Finance:

Gasoline taxes make up an average of 34% of the pump price in Canada. We petition you to introduce and pass the CTF's *Gas Tax Accountability Act* which will:

- Save consumers by eliminating the GST/HST "tax-on-tax," which costs Canadians \$1.9 billion per year and lower the excise tax; and
- Require the federal government by law to dedicate all gas and diesel taxes to roads
