

PRESENTS

WORLD STANDARDS DAY 2013

INTERNATIONAL STANDARDS ENSURE POSITIVE CHANGE

WEDNESDAY, OCTOBER 16TH, 2013
RENAISSANCE VANCOUVER HARBOURSIDE HOTEL, SALON A
1133 WEST HASTINGS ST., VANCOUVER, BRITISH COLUMBIA
13:00 - 16:30

Every year in mid-October, the Standards Council of Canada (SCC) joins the international community to celebrate the importance of standardization-related activities, through World Standards Day.

Please join us for a dynamic half-day event, which will include:

- afternoon presentations
- networking break
- panel discussion on how international standards ensure quality laboratory results.
This dynamic session brings together industry, government and standards development experts, who will discuss the value of two key international standards that profoundly impact laboratory results: the laboratory accreditation standard ISO/IEC 17025 and ISO 15189 for medical laboratories.
