

GEOLOGICAL PROGRAM APPLICATION APPROVAL (Programs without Fieldwork)

Company / Institution: _____

- Type of Study (Check One)**
- Sampling / Borrowing of Well Materials
 - Purchase of a Geological Data / Study
 - Other _____

Objective(s) of the Program:

Type of Work (Check One) Exclusive Non-Exclusive

Program Area (geographic description including applicable lands):

Project Commencement Date: _____ **Project Completion Date:** _____

Product(s) to be generated (reports and other materials produced as result of the study including specimens, slides, spreadsheets, etc.)

Purchase of a Geological Data / Study (if applicable):

Date Type: _____

Data Vendor: _____

Estimated Expenditure: _____

Sampling / Borrowing of Well Materials (if applicable):

Materials Requested (well(s), interval, sample types, rates, sizes, volumes, etc. *Attach additional pages if needed*)

The undersigned hereby agrees with the attached conditions of approval and **assumes full responsibility for accurate identification and timely return of materials and the submission of reports.**

Name of Study Supervisor (Printed): _____ Title: _____

Address: _____

Telephone: _____ Email: _____

Study Supervisor (Signed): _____ Date: _____

Invoice Information (if different from information listed above)

Billing Contact: _____

Billing Address: _____

Purchase Order Number (if known) _____

APPROVAL

Pursuant to sections 138 and 134 of the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Act*¹ and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act*² respectively, the Applicant named in the Application is hereby approved to conduct the described program subject to the following conditions:

1. No change in the program hereby approved may be made unless it is first approved by the Director of Exploration and Information Resources in writing;
2. This Approval is issued to the above-named Applicant and cannot be transferred or assigned;
3. The Board reserves the right, effective upon written notice to Applicant, to revise, waive, or add any term or condition during the time this Approval is in effect;
4. Supply of C-NLOPB well materials is adequate to preclude significant depletion (at discretion of the Geological Services Supervisor);
5. Provision to C-NLOPB of results of study within one year of the program completion date stated on the Application form, 1 digital copy;
6. Provision to C-NLOPB of original or duplicate set of palynological, micropaleontological or sedimentological slides if prepared as part of study;
7. Return of all unused materials to C-NLOPB Core Storage and Research Centre;
8. The Applicant shall comply with the current *Geophysical, Geological, Environmental and Geotechnical Program Guidelines, Newfoundland and Labrador Offshore Area*.

Signed: _____

Date: _____

Director of Exploration and Information Resources

Program Number: _____

1 S.C. 1987, c.3

2 R.S.N. 1990, c.C-2

INSTRUCTIONS FOR COMPLETION OF GEOLOGICAL PROGRAM APPROVAL APPLICATION (Programs without Field Work)

Pursuant to the current *Geophysical, Geological, Environmental and Geotechnical Program Guidelines, Newfoundland and Labrador Offshore Area*, each Application for the issuance of a Program Approval must fulfill the following:

1. All fees associated with the approval of this application and the requested sampling program, as outlined in the Geological & Geophysical Activities Formula Fees and Core Storage and Research Centre Fee Schedule, are payable upon receipt of the invoice.
2. Application must contain original signatures.
3. Application must not contain correction fluid.
4. Where incorrect information is stated on the Application, the Applicant will be required to re-submit.
5. Any questions regarding the compliance of the Program Approval or the completion of this form should be addressed to the Geological Services Supervisor:

Email: DMills@cnlopb.ca

6. The Applicant must submit two (2) original signed copies to:

Director of Exploration and Information Resources
Canada-Newfoundland and Labrador Offshore Petroleum Board
240 Waterford Bridge Road
The Tower Corporate Campus – West Campus Hall
Suite 7100
St. John's, NL
A1E 1E2
