

**Chief Safety Officer Decision (Regulatory Equivalence)**

**Date:** 15 Jan 2015

**C-NLOPB Reference:** 2014-RQ-0068

**Applicant:** Seadrill Canada Limited

**Applicant Reference:** WM-IR-004

**Installation Name:** West Mira

**Authority:** *Canada-Newfoundland and Labrador Atlantic Accord Implementation Act, subsection 151(1)*  
*Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act, subsection 146(1)*

**Regulation:** *Section 39 of the Newfoundland Offshore Petroleum Installations Regulations*

**Decision:**

The Chief Safety Officer accepts the Applicant, the owner of the West Mira, proposal to use *Det Norske Veritas (DNV) Offshore Standards C101, C103 and C401* for the design and construction of the West Mira in lieu of the Installation Regulations requirement that specifies the use of Canadian Standards Association (CSA) offshore structures standards.
