Access to Information Act and Privacy Act Annual Report to Parliament

PREFACE

The Access to Information Act and the Privacy Act (Revised Statutes of Canada, Chapter A-1, 1985) were proclaimed on July 1, 1983. Section 72 of the Access to Information Act and Section 72 of the Privacy Act require that the head of every government institution shall prepare for submission to Parliament an annual report on the administration of the Acts within the institution during each financial year.

This annual report is intended to describe how the Canada-Newfoundland & Labrador Offshore Petroleum Board (C-NLOPB) administered its responsibilities in the operation of the Access to Information Act and the Privacy Act.

OVERVIEW OF THE CANADA-NEWFOUNDLAND & LABRADOR OFFSHORE PETROLEUM BOARD'S MANDATE AND MISSION

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) was established by the Federal and Provincial *Atlantic Accord Implementation Acts* as an independent arms-length regulator for the exploration for, and development and production of, the oil and gas resources in the Newfoundland & Labrador Offshore Area. It reports to the Government of Newfoundland & Labrador and the Government of Canada through the Province's Minister for Natural Resources and the Federal Minister for Natural Resources Canada.

The C-NLOPB has four primary mandates as follows:

- (i) Resource Management;
- (ii) Safety of Operations;
- (iii) Environmental Protection; and,
- (iv) Administering the benefits provisions of the legislation.

ACCESS TO INFORMATION AND PRIVACY ACTS

ORGANIZATION AND IMPLEMENTATION

The Board's Information Resources Manager has been designated as the Board's Access to Information and Privacy Coordinator and exercises the powers delegated pursuant to the ATIP legislation.

The Board's enabling legislation contains a provision (s. 119) which prohibits the Board from releasing confidential information obtained from

companies operating in the Newfoundland and Labrador Offshore Area without the consent of the party which provided it to the Board. The Access to Information Coordinator must be diligent in dealing with ATIP requests to ensure that the Board's s.119 obligations are not compromised and must undertake appropriate notification or consultation with interested parties before disclosing these records.

The ATIP Coordinator is responsible for providing updates of the Board's information holdings to the Treasury Board Secretariat for inclusion in the Info Source publication.

PROCESSING OF FORMAL REQUESTS

To ensure effective and consistent administration of the ATIP legislation, the Board maintains a system for processing requests aimed at disclosing the maximum information possible to the requestor which is not injurious to the public and private interest. The process also ensures that all representations from mandatory consultations, deliberations, and decisions expressed concerning each request are respected and responded to in the most timely and consistent manner given the nature and scope of the request.

PUBLIC ACCESS FACILITIES

The Board maintains a public library at its offices in TD Place in St. John's which is available as an Access Reading Room for the purpose of examining records that can be disclosed.

COMPLAINTS AND INVESTIGATIONS

During 2006-2007, there were no complaints made to the Information Commissioner regarding the Board's application of the Access to Information Act, nor were there any complaints filed with the Privacy Commissioner on the Board's application of the Privacy Act.

SUMMARY OF INFORMATION REQUESTS

The caseload processed by the Board during the reporting period amounted to two (2) requests (under the *Access to Information Act*). In addition to the two new requests received, the Board received four (4) requests from other federal departments seeking the Board's consent to disclose records.

Access to Information Act and Privacy Act Annual Report to Parliament

The Board disclosed all requested records in one (1) of the requests and partial records in one (1) request.

The following pages detail the Board's ATIP statistical report.
