1. INTRODUCTION

This annual report is intended to describe how the Canada-Newfoundland and Labrador Offshore Petroleum Board administered its responsibilities in the operation of the *Access to Information Act*.

The *Access to Information Act* was proclaimed on July 1, 1983.

2. (1) The purpose of this Act is to extend the present laws of Canada to provide a right of access to information in records under the control of a government institution in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific and that decisions on the disclosure of government information should be reviewed independently of government.

This report has been prepared pursuant to section 94 of the *Access to Information Act*.

94 (1) Every year the head of every government institution shall prepare a report on the administration of this Act within the institution during the period beginning on April 1 of the preceding year and ending on March 31 of the current year.

a. C-NLOPB OVERVIEW

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) was established by the Federal and Provincial Atlantic Accord Implementation Acts as an independent arms-length regulator for the exploration for, and development and production of, the oil and gas resources in the Canada-Newfoundland and Labrador Offshore Area. It reports to the Government of Newfoundland and Labrador and the Government of Canada through the Province's Minister for Natural Resources, Minister for Service NL and the Federal Minister for Natural Resources Canada.

b. C-NLOPB MANDATE

To interpret and apply the provisions of the Atlantic Accord and the Atlantic Accord Implementation Acts to all activities of operators in the Canada-Newfoundland and Labrador Offshore Area; and, to oversee operator compliance with those statutory provisions.

c. C-NLOPB ROLE

In the implementation of its mandate, the role of the C-NLOPB is to facilitate the exploration for and development of the hydrocarbon resources in the Newfoundland and Labrador Offshore Area in a manner that conforms to the statutory provisions for:

- offshore safety;
- environmental protection and safety;
- effective management of land tenure;

- resource management; and,
- Canada-Newfoundland and Labrador benefits.

Worker health and safety and environmental protection will be paramount in all Board decisions.

d. C-NLOPB OBJECTIVES

i. SAFETY

- To verify that operators have appropriate safety plans in place.
- To verify, through audits and inspections, that operators follow their safety plans and applicable statutory requirements.
- To verify, through compliance actions, that deviations from approved plans and applicable statutory requirements are corrected.

ii. ENVIRONMENT

- To verify that operators assess and provide for effects of the environment on the safety of their operations.
- To verify that operators perform an environmental assessment pursuant to Canadian regulations, of the effects of their operations on the environment, and prepare a plan and provide for mitigation where appropriate.
- To verify, through compliance actions, that operators comply with their environmental plans.

iii. RESOURCE MANAGEMENT

- Effective and efficient administration of land tenure.
- Oversight of production activities for consistency with maximum recovery, good oilfield practice, production accounting and approved plans.
- To build a knowledge base for the Canada-Newfoundland & Labrador Offshore Area through the acquisition and curation of data from exploration and production activity.

iv. BENEFITS

- To verify operators comply with approved Canada-Newfoundland and Labrador Benefits Plan that addresses their statutory obligations.

2. ORGANIZATION AND IMPLEMENTATION OF THE ACT

The C-NLOPB's Access to Information and Privacy responsibilities are assigned to the Exploration and Information Resources Department. The Information Resources Manager co-ordinates and processes requests as received in the Information Resources Centre. Information Resources staff, and when required, Legal Counsel have been tasked with the responsibility of reviewing and assisting with the processing of requests received under the *Access to Information Act*, and other staff of the C-NLOPB are consulted as required when completing requests.

The C-NLOPB did not enter any service agreements under section 96 of the Access to Information Act during the reporting period.

The C-NLOPB's enabling legislation, [Canada-Newfoundland and Labrador Atlantic Accord Implementation Act, S.C. 1987, c.3. \(C-NLAAIA\)](#), contains a provision (s.119) which prohibits the C-NLOPB from releasing confidential information obtained from companies operating in the Canada-Newfoundland and Labrador Offshore Area without the consent of the party which provided it. The Access to Information Coordinator is diligent in dealing with access requests to ensure that the C-NLOPB's s.119 obligations are not compromised and undertakes appropriate notification or consultation with interested parties before disclosing these records.

The Coordinator is responsible for providing updates of the C-NLOPB's information holdings to the Treasury Board Secretariat for inclusion in the *Info Source* publication.

a. PROCESSING OF FORMAL REQUESTS

To ensure effective and consistent administration of the legislation, the C-NLOPB maintains a system for processing requests aimed at disclosing the maximum information possible to the requestor which is not injurious to the public and private interest. The process also ensures that all representations from mandatory consultations, deliberations, and decisions expressed concerning each request are respected and responded to in the most timely and consistent manner given the nature and scope of the request.

b. PUBLIC ACCESS FACILITIES

The C-NLOPB maintains a public resource centre at its offices in TD Place in St. John's, Newfoundland and Labrador, which is available as an Access Reading Room for the purpose of examining records that can be disclosed.

3. DELEGATION ORDER

The C-NLOPB's Information Resources Manager has been designated as Access to Information and Privacy Coordinator and exercises the powers delegated pursuant to the legislation (Appendix A).

4. SUMMARY OF INFORMATION REQUESTS

The C-NLOPB received eight requests during the 2019-2020 reporting period, three more than the 2018-2019 reporting period and substantially less than the record-high of 40 requests received during the 2012-2013 reporting period. Over the past five years, the C-NLOPB has received on average 11 requests per year.

The 2019-2020 reporting period saw four requests being received from media, three from business (private sector) and one from academia.

Of the eight requests closed during the reporting period, one had information which was "All Disclosed", five had information which was "Disclosed in Part", one had information which was "All Exempted", and one had "No Records" relevant to the request. This reflects 75% of requests are "All Disclosed or "Disclosed in Part". The five year average indicates that 68% of requests result in records being "All Disclosed" or "Disclosed in Part."

One request is being carried to the next reporting period.

The C-NLOPB received nine "Informal Requests" during this reporting period.

Mandatory consultations regarding the disclosure of information provided by third parties and other government institutions were initiated in six of the eight requests closed during the reporting period, which represents 75% of the requests.

During the reporting period, the C-NLOPB reviewed and commented on four consultations from Federal Government Institutions and four from other Governments. The five year average for consultation requests received is five annually. The highest numbers of consultation requests were received in the 2012-2013 reporting period, where 23 were received.

There were no COVID-19-related measures implemented which impacted the ability to fulfill *Access to Information Act* responsibilities.

a. FEDERAL COURT SUBMISSION

One request received during the reporting period resulted in a third party seeking review by the Federal Court to prevent the C-NLOPB from releasing their records to a requestor. 12 requests since 2011 have resulted in a third party seeking review by the Federal Court.

b. STATISTICAL REPORT

The C-NLOPB's statistical report on the *Access to Information Act* is presented in Appendix B.

5. EDUCATION ACTIVITIES

Apart from on-boarding of new employees, no formal education activities related to the *Access to Information Act* occurred during the reporting period.

6. POLICY PROCEDURES IMPLEMENTED

The C-NLOPB did not implement any new *Access to Information* related policies, procedures or guidelines during the reporting period.

7. COMPLAINTS AND INVESTIGATIONS

During the reporting period, the Information Commissioner received a one complaint related to *Access to Information Act* requests processed by the C-NLOPB. The complaints dealt with claims of an improper application of exemptions. The Information Commissioner's Office has provided two "Reports of Findings" to date related to previous complaints.

8. MONITORING OF REQUESTS

The C-NLOPB ATIP Coordinator has added metadata within the C-NLOPB document management system (HPRM) to allow the tracking of the receipt date and the legislated completion date, including extensions, of the requests to ensure compliance with the Act. Notifications are being used to remind when the close date is nearing. In the event that the timeframes extend past the legislated timeframe, the Chief Executive Officer and General Counsel for the organization will be notified.
